NEW ISSUE - Book-Entry-Only

In the opinion of Bond Counsel, interest on the Bonds will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under "TAX MATTERS - Tax Exemption" herein including the alternative minimum tax on corporations.

THE BONDS HAVE NOT BEEN DESIGNATED AS "QUALIFIED TAX-EXEMPT OBLIGATIONS" FOR FINANCIAL INSTITUTIONS

\$8,940,000

CITY OF GRAND PRAIRIE, TEXAS

(Dallas, Tarrant and Ellis Counties)

WATER AND WASTEWATER SYSTEM REVENUE REFUNDING BONDS, NEW SERIES 2011

Dated Date: February 1, 2011

Due: January 15, as shown on page 2

PAYMENT TERMS. . . Interest on the \$8,940,000 City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding Bonds, New Series 2011 (the "Bonds") will accrue from February 1, 2011 (the "Dated Date"), will be payable January 15 and July 15 of each year, until maturity, commencing July 15, 2011, and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of The Depository Trust Company ("DTC") pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof within a stated maturity. **No physical delivery of the Bonds will be made to the beneficial owners thereof.** Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see "THE BONDS - Book-Entry-Only System" herein). The initial Paying Agent/Registrar is The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (see "THE BONDS - Paying Agent/Registrar").

AUTHORITY FOR ISSUANCE. . . . The Bonds are authorized and issued pursuant to the Constitution and general laws of the State of Texas (the "State"), particularly Vernon's Texas Codes Annotated ("V.T.C.A."), Government Code, Chapter 1207, as amended, and an ordinance (the "Ordinance" or the "Bond Ordinance") passed by the City Council, and, together with the Outstanding Previously Issued Bonds (defined herein), are special obligations of the City of Grand Prairie, Texas (the "City"), payable, both as to principal and interest, solely from and secured by a lien on and pledge of the Net Revenues of the City's Water and Wastewater System (the "System"). **The City has not covenanted nor obligated itself to pay the Bonds from monies raised or to be raised from taxation** (see "THE BONDS - Authority for Issuance" and "THE BONDS – Security and Source of Payment").

PURPOSE. . . Proceeds from the sale of the Bonds will be used to (i) refund a portion of the City's Water and Wastewater System outstanding debt as shown on Schedule I hereto for a debt service savings and (ii) pay the costs associated with the issuance of the Bonds.

CUSIP PREFIX: 386168

MATURITY SCHEDULE & 9 DIGIT CUSIP

See Schedule on Page 2

LEGALITY. . . The Bonds are offered for delivery when, as and if issued and received by the Underwriters and subject to the approving opinion of the Attorney General of Texas and the opinion of Fulbright & Jaworski L.L.P., Bond Counsel, Dallas, Texas (see Appendix C, "Form of Bond Counsel's Opinion"). Certain legal matters will be passed upon for the Underwriters by West & Associates, L.L.P., San Antonio, Texas, Counsel for the Underwriters.

DELIVERY. . . The Bonds will be available for delivery through DTC on February 23, 2011.

NO OPTIONAL REDEMPTION OF THE BONDS...The Bonds are not subject to redemption prior to maturity.

No dealer, broker, salesman or other person has been authorized by the City or the Underwriters to give any information, or to make any representations other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by the City or the Underwriters.

The information set forth or included in this Official Statement has been provided by the City and from other sources believed by the City to be reliable. While the Underwriters have performed a review sufficient to form a reasonable basis for their belief in the accuracy and completeness of the key representations of the City contained in this Official Statement, the Underwriters do not guarantee the accuracy or completeness of the Official Statement. The information and expressions of opinion herein are subject to change without notice, and neither the delivery of this Official Statement nor any sale hereunder shall create any implication that there has been no change in the financial condition or operations of the City described herein since the date hereof. See "CONTINUING DISCLOSURE OF INFORMATION" for a description of the City's undertaking to provide certain information on a continuing basis. This Official Statement contains, in part, estimates and matters of opinion that are not intended as statements of fact, and no representation or warranty is made as to the correctness of such estimates and opinions or that they will be realized.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their respective responsibilities to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

This Official Statement, which includes the cover page, the schedule and the Appendices hereto, does not constitute an offer to sell or the solicitation of an offer to buy in any jurisdiction to any person to whom it is unlawful to make such offer, solicitation or sale.

THE BONDS ARE EXEMPT FROM REGISTRATION WITH THE UNITED STATES SECURITIES AND EXCHANGE COMMISSION AND CONSEQUENTLY HAVE NOT BEEN REGISTERED THEREWITH. THE REGISTRATION, QUALIFICATION, OR EXEMPTION OF THE BONDS IN ACCORDANCE WITH APPLICABLE SECURITIES LAW PROVISIONS OF THE JURISDICTION IN WHICH THE BONDS HAVE BEEN REGISTERED, QUALIFIED OR EXEMPTED SHOULD NOT BE REGARDED AS A RECOMMENDATION THEREOF.

NEITHER THE CITY, ITS FINANCIAL ADVISOR, NOR THE UNDERWRITERS MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE INFORMATION CONTAINED IN THIS OFFICIAL STATEMENT REGARDING THE DEPOSITORY TRUST COMPANY OR ITS BOOK-ENTRY-ONLY SYSTEM.

IN CONNECTION WITH THE OFFERING OF THE BONDS, THE UNDERWRITERS MAY OVER-ALLOT OR EFFECT TRANSACTIONS WHICH STABILIZE OR MAINTAIN THE MARKET PRICES OF THE BONDS AT A LEVEL ABOVE THAT WHICH MIGHT OTHERWISE PREVAIL IN THE OPEN MARKET. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME.

THE PRICES AND OTHER TERMS RESPECTING THE OFFERING AND SALE OF THE BONDS MAY BE CHANGED FROM TIME TO TIME BY THE UNDERWRITERS AFTER THE BONDS ARE RELEASED FOR SALE, AND THE BONDS MAY BE OFFERED AND SOLD AT PRICES OTHER THAN THE INITIAL OFFERING PRICES, INCLUDING SALES TO DEALERS WHO MAY SELL THE BONDS INTO INVESTMENT ACCOUNTS.

THIS OFFICIAL STATEMENT CONTAINS "FORWARD-LOOKING" STATEMENTS WITHIN THE MEANING OF SECTION 21E OF THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED. SUCH STATEMENTS MAY INVOLVE KNOWN AND UNKNOWN RISKS, UNCERTAINTIES AND OTHER FACTORS WHICH MAY CAUSE THE ACTUAL RESULTS, PERFORMANCE, AND ACHIEVEMENTS TO BE DIFFERENT FROM FUTURE RESULTS, PERFORMANCE, AND ACHIEVEMENTS EXPRESSED OR IMPLIED BY SUCH FORWARD-LOOKING STATEMENTS. INVESTORS ARE CAUTIONED THAT THE ACTUAL RESULTS COULD DIFFER MATERIALLY FROM THOSE SET FORTH IN THE FORWARD-LOOKING STATEMENTS.

OFFICIAL STATEMENT SUMMARY

This summary is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement. The offering of the Bonds to potential investors is made only by means of this entire Official Statement. No person is authorized to detach this summary from this Official Statement or to otherwise use it without the entire Official Statement.

THE CITY..... The City of Grand Prairie (the “City”) is a political subdivision and municipal corporation of the State of Texas (the “State”), located in Dallas, Tarrant and Ellis Counties, Texas. The City covers approximately 80 square miles (see “INTRODUCTION - Description of the City”).

THE BONDS..... The \$8,940,000 City of Grand Prairie, Texas Water and Wastewater System Revenue Refunding Bonds, New Series 2011 (the “Bonds”) are scheduled to mature on January 15 in each of the years 2012 through 2023 (see “THE BONDS - Description of the Bonds”).

PAYMENT OF INTEREST Interest on the Bonds accrues from February 1, 2011 (the “Dated Date”), and is payable July 15, 2011, and each January 15 and July 15 thereafter until maturity (see “THE BONDS - Description of the Bonds”).

AUTHORITY FOR ISSUANCE..... The Bonds are authorized and issued pursuant to the Constitution and general laws of the State, particularly V.T.C.A., Government Code, Chapter 1207, as amended, and an ordinance passed by the City Council of the City (the “Ordinance”) (see “THE BONDS - Authority for Issuance”).

SECURITY AND SOURCE OF PAYMENT FOR THE BONDS The Bonds constitute special obligations of the City, and, together with the Outstanding Obligations Similarly Secured, are payable, both as to principal and interest, solely from and secured by a lien on and pledge of the Net Revenues of the City’s Water and Wastewater System (the “System”). **The City has not covenanted nor obligated itself to pay the Bonds from monies raised or to be raised from taxation** (see “THE BONDS - Security and Source of Payment”).

NO OPTIONAL REDEMPTION The Bonds are not subject to redemption prior to maturity.

TAX EXEMPTION..... In the opinion of Bond Counsel, the interest on the Bonds will be excludable from gross income for federal income tax purposes under existing law, subject to the matters described under the caption “TAX MATTERS – Tax Exemption” herein including the alternative minimum tax on corporations.

USE OF PROCEEDS..... Proceeds from the sale of the Bonds will be used to (i) refund a portion of the City’s Water and Wastewater System outstanding debt as shown on Schedule I hereto for a debt service savings, and (ii) pay the costs associated with the issuance of the Bonds.

RATINGS The Bond have been rated “AAA” stable outlook by Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business (“S&P”) and “AA+” stable outlook by Fitch Ratings (“Fitch”) (see “OTHER INFORMATION – Ratings”).

BOOK-ENTRY-ONLY SYSTEM..... The definitive Bonds will be initially registered and delivered only to Cede & Co., the nominee of DTC pursuant to the Book-Entry-Only System described herein. Beneficial ownership of the Bonds may be acquired in denominations of \$5,000 or integral multiples thereof within a maturity. No physical delivery of the Bonds will be made to the beneficial owners thereof. Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see “THE BONDS - Book-Entry-Only System”).

PAYMENT RECORD The City has not defaulted on its general obligation bonds since 1939 when defaults were corrected without refunding and has never defaulted on its revenue bonds.

OFFICIAL STATEMENT

RELATING TO

\$8,940,000

CITY OF GRAND PRAIRIE, TEXAS

WATER AND WASTEWATER SYSTEM REVENUE REFUNDING BONDS, NEW SERIES 2011

INTRODUCTION

This Official Statement, which includes the Schedule and Appendices hereto, provides certain information regarding the issuance of \$8,940,000 City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding Bonds, New Series 2011 (the "Bonds"). Capitalized terms used in this Official Statement have the same meanings assigned to such terms in the ordinance adopted on the date of sale of the Bonds which authorizes the issuance of the Bonds (the "Ordinance"), except as otherwise indicated herein (see "SELECTED PROVISIONS OF THE BOND ORDINANCE").

There follows in this Official Statement descriptions of the Bonds and certain information regarding the City of Grand Prairie, Texas (the "City") and its finances. All descriptions of documents contained herein are only summaries and are qualified in their entirety by reference to each such document. Copies of such documents may be obtained from the City's Financial Advisor, First Southwest Company, Dallas, Texas.

DESCRIPTION OF THE CITY. . . The City is a political subdivision and municipal corporation of the State of Texas (the "State"), duly organized and existing under the laws of the State, including the City's Home Rule Charter. The City first adopted its Home Rule Charter in 1948. The City operates under a Council/Manager form of government with a city council comprised of the Mayor and eight councilmembers (the "City Council") who are elected for staggered three-year terms. The City Manager is the chief administrative officer for the City. Some of the services that the City provides are: public safety (police and fire protection), highways and streets, electric, water and sanitary sewer utilities, health and social services, culture-recreation, public transportation, public improvements, planning and zoning, and general administrative services. The 1990 Census population for the City was 99,616, while the 2000 Census population was 127,427. The population as of January, 2010 was 169,350. The City covers approximately 80 square miles.

PLAN OF FINANCING

PURPOSE. . . Proceeds from the sale of the Bonds will be used to (i) refund a portion of the City's Water and Wastewater System outstanding debt as shown on Schedule I hereto for a debt service savings, and (ii) pay the costs associated with the issuance of the Bonds.

REFUNDED BONDS. . . The 1998 Refunded Bonds and the 2003 Refunded Bonds (the "Current Refunded Bonds") are being redeemed on February 24, 2011. The principal and interest due on the Current Refunded Bonds are to be paid on such date from funds to be deposited pursuant to a certain Escrow Agreement (the "Escrow Agreement") between the City and The Bank of New York Mellon Trust Company, N.A., Dallas, Texas (the "Escrow Agent"). The Ordinance provides that a portion of the proceeds from the sale of the Bonds received from the Underwriters, together with other available funds of the City, will be irrevocably deposited with the Escrow Agent in an amount sufficient to accomplish the discharge and final payment of the Current Refunded Bonds on February 24, 2011. Such funds will be held uninvested by the Escrow Agent in a special escrow account (the "Escrow Fund") pending their disbursement to redeem the Current Refunded Bonds on their redemption date.

The principal and interest due on the 2002 Refunded Bonds and the 2002-A Refunded Bonds (the "Advance Refunded Bonds") are to be paid on the scheduled maturity dates, the interest payment dates and the redemption date thereof from funds to be deposited pursuant to the Escrow Agreement. The Ordinance provides that a portion of the proceeds of the sale of the Bonds received from the Underwriters, together with other available funds of the City, the City will deposit with the Escrow Agent an amount which, together with the Federal Securities (defined below) purchased with a portion of the Bond proceeds and the interest to be earned on such Federal Securities, will be sufficient to accomplish the discharge and final payment of the Advance Refunded Bonds on their redemption date. Such funds will be held by the Escrow Agent in the Escrow Fund and used to purchase direct obligations of the United States of America (the "Federal Securities"). Under the Escrow Agreement, the Escrow Fund is irrevocably pledged to the payment of the principal of and interest on the Refunded Bonds.

Grant Thornton LLP, a nationally recognized accounting firm, will verify at the time of delivery of the Bonds to the Underwriters the mathematical accuracy of the schedules that demonstrate the Federal Securities will mature and pay interest in such amounts which, together with uninvested funds, if any, in the Escrow Fund, will be sufficient to pay, when due, the principal of and interest on the Refunded Bonds. Such maturing principal of and interest on the Federal Securities will not be available to pay the Bonds (see "Other Information - Verification of Arithmetical and Mathematical Computations").

By the deposit of a portion of the Bond proceeds, other city funds and the Federal Securities purchased with a portion of the Bond proceeds with the Escrow Agent pursuant to the Escrow Agreement, the City will have effected the defeasance of all of the Refunded Bonds in accordance with the law. It is the opinion of Bond Counsel that as a result of such defeasance and in reliance

upon the report of Grant Thornton LLP, the Refunded Bonds will be outstanding only for the purpose of receiving payments from the Federal Securities and any cash held for such purpose by the Escrow Agent and such Refunded Bonds will not be deemed as being outstanding obligations of the City payable from the Net Revenues of the System nor for the purpose of applying any limitation on the issuance of debt.

In the Escrow Agreement, the City covenants to make timely deposits to the Escrow Fund, from lawfully available funds, of any additional amounts required to pay the principal of and interest on the Refunded Bonds, if for any reason, the cash balances on deposit or scheduled to be on deposit in the Escrow Fund are insufficient to make such payment.

USE OF BOND PROCEEDS... Proceeds from the sale of the Bonds, together with other city funds, are expected to be expended as follows:

SOURCES OF FUNDS:

Par Amount of Bonds	\$ 8,940,000.00
Net Premium	188,553.15
Accrued Interest	17,423.54
Transfer from prior issue Debt Service Fund	35,332.71
Transfer from Debt Service Reserve Fund	<u>733,639.00</u>
TOTAL SOURCES	<u><u>\$ 9,914,948.40</u></u>

USES OF FUNDS:

Deposit to Escrow Fund	\$ 5,087,229.74
SLGS Purchase	4,637,709.00
Costs of Issuance	120,000.00
Total Underwriters' Discount	50,621.94
Deposit to Interest and Sinking Fund	<u>19,387.72</u>
TOTAL USES	<u><u>\$ 9,914,948.40</u></u>

THE BONDS

DESCRIPTION OF THE BONDS. . . The Bonds are dated February 1, 2011 (the "Dated Date"), and mature on January 15 in each of the years and in the amounts shown on page 2 hereof, as provided in the Ordinance. Interest on the unpaid principal amounts of the Bonds accrues from the Dated Date, will be computed on the basis of a 360-day year consisting of twelve 30-day months, and will be payable on July 15, 2011 and each January 15 and July 15 thereafter until maturity. The definitive Bonds will be issued only in fully registered form in any integral multiple of \$5,000 for any one maturity and will be initially registered and delivered only to Cede & Co., the nominee of DTC pursuant to the Book-Entry-Only System described herein. **No physical delivery of the Bonds will be made to the beneficial owners thereof.** Principal of, premium, if any, and interest on the Bonds will be payable by the Paying Agent/Registrar to Cede & Co., which will make distribution of the amounts so paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds (see "THE BONDS - Book-Entry-Only System" herein).

AUTHORITY FOR ISSUANCE. . . The Bonds are authorized and issued pursuant to the Constitution and general laws of the State, particularly V.T.C.A., Government Code, Chapter 1207, as amended, and the Ordinance passed by the City Council.

SECURITY AND SOURCE OF PAYMENT. . . The Bonds are special obligations of the City, and, together with the Outstanding Previously Issued Bonds (defined below), are payable, both as to principal and interest, from a lien on and pledge of the Net Revenues of the System after the payment of maintenance and operating expenses. Maintenance and operating expenses include contractual payments which under State laws and their provisions are established as operating expenses. The City has reserved the right to issue additional obligations (the "Additional Bonds") payable on a parity with the Bonds from a lien on and pledge of the Net Revenues in the manner and to the extent as any then Outstanding Bonds Similarly Secured (see "SELECTED PROVISIONS OF THE BOND ORDINANCE"). The Bonds, the Previously Issued Bonds and any Additional Parity Obligations are collectively referred to as the "Bonds Similarly Secured".

The Bonds are not a charge upon any other income or revenues of the City and **shall never constitute an indebtedness or pledge of the general credit or taxing powers of the City**. The Ordinance does not create a lien or mortgage on the System, except the Net Revenues, and any judgment against the City may not be enforced by levy and execution against any property owned by the City.

RESERVE FUND. . . All funds deposited in the Reserve Fund excluding earnings and income derived or received from deposits or investments which may be transferred to the Revenue Fund (as defined in the Ordinance) during such periods as there is on deposit in the Reserve Fund the Required Reserve (defined below) shall be used solely for the payment of the principal of and interest on the Bonds Similarly Secured (whether at maturity, upon a mandatory redemption date or any interest payment date) when other funds available for such purposes are insufficient. In addition, funds in the Reserve Fund may be used, to the extent not required to maintain the "Required Reserve", to pay, or provide for the payment of, the final principal amount of a series of Bonds Similarly Secured so that such series of Bonds Similarly Secured is no longer deemed to be "Outstanding" as such term is defined in the Ordinance.

The City has agreed to accumulate and, when accumulated, continuously maintain in the Reserve Fund an amount equal to the lesser of (i) the average annual debt service (calculated on a Fiscal Year basis) for all Bonds Similarly Secured then Outstanding, as determined on the date each series of Additional Bonds are delivered or incurred, as the case may be, or (ii) the maximum amount in a reasonably required reserve fund that can be invested without restriction as to yield pursuant to Subsection (d) of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder (the "Required Reserve").

The Ordinance requires the City to maintain the Required Reserve with (i) Net Revenues of the System or other lawfully available funds of the City, (ii) proceeds of sale of Bonds Similarly Secured, (iii) deposits to the credit of the Reserve Fund, to the extent permitted by law, of one or more surety bonds or insurance policies issued by a company or institution having a rating in the highest rating category by two nationally recognized rating agencies or services, or (iv) any combination of (i) through (iii) above.

The City has previously obtained surety policies to fund the respective Required Reserve amounts for the Previously Issued Bonds issued between 2004 and 2007. Neither the Ordinance nor any ordinance authorizing the issuance of the Previously Issued Bonds specifies that any provider of a surety policy is required to maintain any particular credit rating following the deposit of a surety policy to the Reserve Fund. The City has been funding the Reserve Fund with Net Revenues of the System in connection with the Previously Issued Bonds issued in 2008 and 2010.

By reason of the issuance of the Bonds, the Required Reserve will be \$4,201,281.21 and the amount currently on deposit in the Reserve Fund, in the form of cash and surety policies, is \$3,204,549.58. Following the delivery of the Bonds, appropriate City officials will cause monthly deposits to be made to the Reserve Fund on or before the first (1st) day of each month (beginning March 1, 2011) from Net Revenues of the System in an amount equal to one-sixtieth (1/60th) of the Required Reserve until the total Required Reserve then required to be maintained in the Reserve Fund is fully funded.

For more detailed information on the Reserve Fund, see "SELECTED PROVISIONS OF THE BOND ORDINANCE."

PLEDGED REVENUES. . . All of the Net Revenues of the System with the exception of those in excess of the amounts required to establish and maintain the Reserve Fund and Interest and Sinking Fund are irrevocably pledged for the payment of the Bonds Similarly Secured and interest thereon. The Bonds Similarly Secured are equally and ratably secured by a lien on and pledge of the Net Revenues of the System (see "SELECTED PROVISIONS OF THE BOND ORDINANCE").

RATES. . . The City has covenanted in the Ordinance that it will at all times charge and collect rates for services rendered by the System to (a) pay for all maintenance, operation, debt service, depreciation, replacement and betterment charges of the System; (b) pay the interest on and principal of the Bonds Similarly Secured and the amounts required to be deposited into the special Funds created and established for the payment and security of the Bonds Similarly Secured; (c) produce Net Revenues each year in an amount reasonably estimated to be not less than 1.25 times the average annual principal and interest requirements of the Outstanding Bonds Similarly Secured; and (d) pay all outstanding, legally incurred indebtedness against the System, as and when the same become due.

For more detailed information on the System rates and charges, see "SELECTED PROVISIONS OF THE BOND ORDINANCE."

NO OPTIONAL REDEMPTION. . . The Bonds are not subject to redemption prior to maturity.

DEFEASANCE. . . The Ordinance provides for the defeasance of the Bonds when the payment of the principal of and premium, if any, on the Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or otherwise), is provided by irrevocably depositing with the Paying Agent/Registrar, or an authorized escrow agent, in trust (1) money sufficient to make such payment or (2) Government Obligations, which have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times to insure the availability, without reinvestment, of sufficient money to make such payment, for the Bonds. The Ordinance provides that "Government Obligations" means (a) direct, noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (b) noncallable obligations of an agency or instrumentality of the United States of

America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent (see “SELECTED PROVISIONS OF THE BOND ORDINANCE”).

BOOK-ENTRY-ONLY SYSTEM. . . This section describes how ownership of the Bonds are to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by DTC while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City believes the source of such information to be reliable, but takes no responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as defaults and

proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners, in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to the Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

All payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the City or Paying Agent/Registrar on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC), the responsibility of the City or Paying Agent/Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the City or Paying Agent/Registrar. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered (see "THE BONDS - Transfer, Exchange and Registration" herein).

USE OF CERTAIN TERMS IN OTHER SECTIONS OF THIS OFFICIAL STATEMENT. . . In reading this Official Statement it should be understood that while the Bonds are in the Book-Entry-Only System, references in other sections of this Official Statement to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System, and (ii) except as described above, notices that are to be given to registered owners under the Ordinance will be given only to DTC.

Information concerning DTC and the Book-Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation by the City or the Underwriters.

EFFECT OF TERMINATION OF BOOK-ENTRY-ONLY SYSTEM. . . In the event that the Book-Entry-Only System is discontinued, printed Bonds will be issued to the Participants or the Beneficial Owners, as the case may be, and the Bonds will be subject to transfer, exchange and registration provisions as set forth in the Ordinance and summarized under "THE BONDS - Transfer, Exchange and Registration" below.

PAYING AGENT/REGISTRAR. . . The initial Paying Agent/Registrar for the Bonds is The Bank of New York Mellon Trust Company, N.A., Dallas, Texas. In the Ordinance, the City retains the right to replace the Paying Agent/Registrar. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are duly paid, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Bonds. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each registered owner of the Bonds by United States mail, first class, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Interest on the Bonds shall be paid to the registered owners appearing on the registration books of the Paying Agent/Registrar at the close of business on the Record Date (hereinafter defined), and such interest shall be paid (i) by check sent United States mail, first class, postage prepaid, to the address of the registered owner recorded in the registration books of the Paying Agent/Registrar or (ii) by such other method, acceptable to the Paying Agent/Registrar requested by, and at the risk and expense of, the registered owner. Principal of the Bonds will be paid to the registered owner at the stated maturity upon presentation to the designated payment/transfer office of the Paying Agent/Registrar; provided, however, that so long as Cede & Co. (or other DTC nominee) is the registered owner of the Bonds, all payments will be made as described under "THE BONDS - Book-Entry-Only System" herein. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday or a day when banking institutions in the city where the designated payment/transfer office of the Paying Agent/Registrar is located are authorized to close, then the date for such payment shall be the next succeeding day which is not such a day, and payment on such date shall have the same force and effect as if made on the date payment was due.

TRANSFER, EXCHANGE AND REGISTRATION. . . In the event the Book-Entry-Only System should be discontinued, printed Bond certificates will be delivered to the Holders and thereafter the Bonds may be transferred and exchanged on the registration books of the Paying Agent/Registrar only upon presentation and surrender to the Paying Agent/Registrar, and such transfer or exchange shall be without expense or service charge to the registered owner, except for any tax or other governmental charges required to be paid with respect to such registration, exchange and transfer. Bonds may be assigned by the execution of an assignment form on the respective Bonds or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. New Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bonds being transferred or exchanged, at the designated office of the Paying Agent/Registrar, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. To the extent possible, new Bonds issued in an exchange or transfer of Bonds will be delivered to the registered owner or assignee of the registered owner in not more than three business days after the receipt of the Bonds to be canceled, and the written instrument of transfer or request for exchange duly executed by the registered owner or his duly authorized agent, in form satisfactory to the Paying Agent/Registrar. New Bonds registered and delivered in an exchange or transfer shall be in any integral multiple of \$5,000 for any one maturity and for a like aggregate designated amount as the Bonds surrendered for exchange or transfer. See "THE BONDS - Book-Entry-Only System" herein for a description of the system to be utilized initially in regard to ownership and transferability of the Bonds.

RECORD DATE FOR INTEREST PAYMENT. . . The record date ("Record Date") for the interest payable on the Bonds on any interest payment date means the close of business on the fifteenth day of the preceding month.

In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest ("Special Payment Date", which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner of a Bond appearing on the registration books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

REGISTERED OWNERS' REMEDIES. . . The Ordinance provides that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by the Ordinance or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance, the Holder or Holders of any Bond shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition or obligation prescribed in the Ordinance. The issuance of a writ of mandamus is controlled by equitable principles and rests with the discretion of the court, but may not be arbitrarily refused. The enforcement of such remedy may be difficult and time consuming and a registered owner could be required to enforce such remedy on a periodic basis. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Ordinance does not provide for the appointment of a trustee to represent the interests of the bondholders upon any failure of the City to perform in accordance with the terms of the Ordinance, or upon any other condition and, accordingly, all legal actions to enforce such remedies would have to be undertaken at the initiative of, and financed by, the registered owners. On June 30, 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W. 3d 325 (Tex. 2006), that a waiver of sovereign immunity in a contractual dispute must be provided for by statute in "clear and unambiguous" language. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages, holders of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or Ordinance covenants. Even if a judgment against the City could be obtained, it could not be enforced by direct levy and execution against the City's property. Furthermore, the City is eligible to seek relief from its creditors under Chapter 9 of the U.S. Bankruptcy Code ("Chapter 9"). Although Chapter 9 provides for the recognition of a security interest represented by a specifically pledged source of revenues, such as the pledged Net Revenues, such provisions are subject to construction. Chapter 9 also includes an automatic stay provision that would prohibit, without Bankruptcy Court approval, the prosecution of any other legal action by creditors or holders of the Bonds of an entity which has sought protection under Chapter 9. Therefore, should the City avail itself of Chapter 9 protection from creditors, the ability to enforce would be subject to the approval of the Bankruptcy Court (which could require that the action be heard in Bankruptcy Court instead of other federal or state court); and the Bankruptcy Code provides for broad discretionary powers of a Bankruptcy Court in administering any proceeding brought before it. The opinion of Bond Counsel will note that all opinions relative to the enforceability of the Ordinance and Bonds are qualified with respect to the customary rights of debtors relative to their creditors.

THE SYSTEM

WATER SYSTEM

The City's water supply is obtained from City-owned wells, from Dallas Water Utilities ("DWU") and from the City of Fort Worth. During the year ended September 30, 2010, approximately 0.10% of the supply came from the City's wells, 90.2% from DWU and 9.70% from Fort Worth.

The City has a renewable 30-year contact with the City of Dallas, which expires in 2039, for the purchase of water. The City may take up to any amount, but is currently committed to a minimum amount of 33.8 million gallons a day, and pays a fixed demand charge plus a variable charge. The demand charge is based on current maximum demand or the highest demand established during the five preceding years. Thus, if the City were to stop purchasing water from Dallas, its obligation to pay the demand charge (\$187,263 per million gallons a day in 2010) would extend for five years. The maximum amount of water the City may take may be increased in future years as needed.

A contract with the city of Fort Worth, effective until the year 2031, provides the City with 2.5 million gallons per day for the balance of the term of the contract.

The amounts paid to outside agencies during the last five fiscal years are as follows:

Year Ended 9/30	Dallas Water Utilities		City of Ft.Worth Volume Charges	Total Cost of Water Purchased
	Volume Charges	Demand Charges		
2005	\$ 2,563,201	\$ 4,223,143	\$ 379,806	\$ 7,166,150
2006	2,840,265	5,378,568	1,041,913	9,260,746
2007	2,575,226	5,513,319	1,052,450	9,140,995
2008	2,785,551	5,458,801	1,063,445	9,307,797
2009	3,119,852	5,893,558	1,348,977	10,362,387

The City operates wells in 11 locations, with a total pumping capacity of 9,194,115 gallons per day (GPD). In addition, the City operates 24 pumps in nine locations with a production capacity of 64,728,000 GPD. Storage capacity consists of 31.0 million gallons of elevated storage and 15.9 million gallons of ground and underground storage.

The water distribution system consists of approximately 648 miles of water lines and 5,600 fire hydrants. DWU provides two water distribution locations, the North Connection, with a maximum allotment of 20.0 million GPD, and the South Connection, with a maximum allotment of 50.0 million GPD.

FUTURE WATER SUPPLY

The City entered into a contract with the Trinity River Authority (the "TRA") and the cities of Cedar Hill and Duncanville to finance the construction of a water intake facility at the Joe Pool Lake. The project, now completed, is not treated as a joint venture by the City since the asset is owned and managed by TRA. TRA provides financing, management, and operations and the cities reimburse it for total costs as follows:

Grand Prairie	33.22%
Duncanville	19.22%
Cedar Hill	47.56%
Total	100.00%

According to the terms of a contract between the City and TRA, the City is entitled to 10.56% of the raw water yield of Joe Pool Lake, which is now filled. The reservoir will yield 15.1 million gallons of water a day. The City began paying in 1994 (because of use of water for Tangle Ridge Golf Course) for its prorated share of the project over a 50-year amortization period beginning ten years from the date the reservoir was full. It is estimated that the City's total liability will be approximately \$7,032,000. The reservoir started filling with water in January 1986 and filled August 1989.

The City has also entered into a contract with TRA and the cities of Duncanville and Cedar Hill for the lease of a site for, and the eventual construction of, a water treatment plant at Joe Pool Lake. No construction on the plant is currently scheduled. The City's share of the plant will be 33.33%.

TABLE 1 – WATER AND WASTEWATER RATES

The City’s policy provides for a 2.00 coverage ratio of all debt service requirements of the System, compared to a 1.25 coverage ratio for Bonds Similarly Secured, which is required by the Bond Ordinance. In addition, the policy states that the City will strive to maintain working capital at 25% of budgeted expenditures. It is the City’s goal to set water and wastewater rates to achieve compliance with these policies.

Water Rates (Per 1,000 Gallons)	Previous (10/1/2009)	Present (10/1/2010)
Classification		
Residential		
Per 1,000 gallons, total usage 3,000 gallons or less	\$ 1.00	\$ 0.12
Per 1,000 gallons, total usage more than 3,000 gallons, and up and including 20,000 gallons	2.80	2.93
Per 1,000 gallons, all quantities over 20,000 gallons	4.86	5.03
Commercial	2.70	2.94
Industrial	2.70	2.94
Governmental	2.50	2.64
Fire Hydrant	5.35	5.81
Minimum Monthly Charge (Based on Meter Size):		
5/8" or 3/4"	\$ 8.26	\$ 10.26
1"	10.62	13.19
1 1/4"	12.71	15.79
1 1/2"	13.79	17.13
2"	21.82	27.10
3"	67.67	84.05
4"	83.90	104.21
6"	125.77	156.22
8"	175.05	217.43
10"	182.63	226.85
12"	192.17	238.70
Wastewater Rates (Per 1,000 Gallons)		
Classification		
Residential	\$ 2.81	\$ 2.87
Commercial	3.35	3.48
Industrial	3.35	3.48
Governmental	3.00	3.07
Wastewater Minimum charges based on meter size		
5/8" or 3/4"	\$ 7.35	\$ 9.35
1"	7.96	10.13
1 1/4"	9.28	11.81
1 1/2"	9.68	12.31
2"	11.09	14.11
3"	16.42	20.89
4"	21.78	27.71
6"	33.81	43.01
8"	47.84	60.86
10"	61.24	77.90
12"	68.62	87.29

Table 2 – AVERAGE DAILY WATER USAGE (Gallons)

Year Ended 9/30	Average Daily Usage	Maximum Day's Use	Total Pumped In
2005	25,048,028	41,263,761	9,167,578,104
2006	27,042,651	48,148,912	9,870,567,600
2007	24,265,000	39,724,685	8,856,943,000
2008	25,635,000	44,151,814	9,356,809,823
2009	25,450,905	43,362,871	9,289,580,390

WASTEWATER SYSTEM

The City does not operate any wastewater treatment facilities. The City operates its own collection system with 590 miles of sewer lines, which consists of gravity-flow sewer mains which collect in sub-mains, flow into lift stations, and pump into high elevation force mains and truck mains, which connects to TRA interceptors. The City operates and maintains one lift station with 3,000 gallons per minute (GPM) capacity which pumps into a 12” force main, two lift stations with 1,800 GPM total capacity which pump into a 6” force main and one lift station with 120 GPM capacity which pumps into a 2” force main and one lift station with 90 GPM which pumps to a TRA interceptor. All of the City’s wastewater is treated by TRA.

The City has a contract with TRA, which will expire in 2023, for wastewater treatment. The City is billed for its prorated share of TRA’s total wastewater treatment costs, which was 11.26% in 2009/2010. The City must pay its prorated share of the debt service related to wastewater treatment facilities until the debt matures whether it contributes to flow or not.

TABLE 3 – AVERAGE DAILY WASTEWATER FLOW (GALLONS)

Fiscal Year Ended 9/30	Average Daily Flow
2005	17,056,000
2006	15,418,200
2007	15,787,038
2008	14,176,500
2009	15,090,031

The amounts paid to TRA during the last five fiscal years are as follows:

Fiscal Year Ended 9/30	Wastewater Treatment Operation and Debt			Joe Pool Intake	Joe Pool Corp of Engineers	Water Storage Tank	Total
	Maintenance	Service	Subtotal				
2005	\$3,737,732	\$3,961,277	\$7,699,009	\$185,136	\$416,034	\$0	\$8,300,179
2006	3,267,251	4,177,739	7,444,990	44,249	380,806	-	7,870,045
2007	3,150,985	4,009,898	7,646,021	13,782	271,575	-	7,650,629
2008	3,628,734	4,009,898	7,638,632	6,810	366,430	-	8,011,872
2009	3,687,602	4,849,504	8,537,106	6,450	370,440	-	8,913,996

TABLE 6 - COVERAGE AND FUND BALANCES

Average Annual Principal and Interest Requirements, all Water and Wastewater System Revenue Bonds, Fiscal Years 2011-2030	\$ 4,466,533
Coverage of Average Annual Requirements based on 9/30/2010 Revenue Available for Debt Service	3.46x
Total Principal and Interest Requirements of all debt obligations paid from Water and Wastewater Treatment Fund (Water and Wastewater System Revenue Bond, Contract and Tax Obligations issued for System Improvements), Fiscal Year Ended 9/30/2011	\$ 6,520,747
Coverage of Total Requirements based on 9/30/2010 Revenue Available for Debt Service	2.37x

Note: There are some differences between the way revenue and expenses are reported for coverage calculation purposes and GAAP. Therefore, the revenue and expense amounts listed above are not in compliance with GAAP, but are in compliance with bond ordinance requirements for coverage calculation purposes. These differences include:

1. Depreciation is considered an operating expense for financial reporting purposes but not for coverage calculation purposes.
2. Non-operating revenues are included in other revenues.

(1) Excludes the Refunded Obligations.

TABLE 10 – AUTHORIZED REVENUE BONDS

None.

INVESTMENTS

The City invests its investable funds in investments authorized by State law in accordance with investment policies approved by the City Council of the City. Both State law and the City’s investment policies are subject to change.

LEGAL INVESTMENTS . . . Under State law, the City is authorized to invest in (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, (2) direct obligations of the State or its agencies and instrumentalities, (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States, (4) other obligations, the principal of and interest on which are unconditionally guaranteed or insured by, or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent, (6) bonds issued, assumed or guaranteed by the State of Israel, (7) certificates of deposit issued by a depository institution that has its main office or branch office in the State and that are guaranteed or insured by the Federal Deposit Insurance Corporation or its successor or the National Credit Union Share Insurance Fund or its successor, or are secured as to principal by obligations described in the preceding clauses (1) through (6) or in any other manner and amount provided by law for City deposits, (8) fully collateralized repurchase agreements that have a defined termination date, are fully secured by obligations described in clause (1), and are placed through a primary government securities dealer or a financial institution doing business in the State, (9) bankers’ acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least A-1 or P-1 or an equivalent by at least one nationally recognized credit rating agency, (10) commercial paper that is rated at least A-1 or P-1 or an equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency and is fully secured by an irrevocable letter of credit issued by a bank organized and existing under the laws of the United States or any state, (11) no-load money market mutual funds regulated by the Securities and Exchange Commission that have a dollar weighted average portfolio maturity of 90 days or less and include in their investment objectives the maintenance of a stable net asset value of \$1 for each share, (12) no-load mutual funds registered with the Securities and Exchange Commission that: have an average weighted maturity of less than two years; invests exclusively in obligations described in the preceding clauses; and are continuously rated as to investment

quality by at least one nationally recognized investment rating firm of not less than AAA or its equivalent. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities in an amount at least equal to the amount of bond proceeds invested under such contract, other than the prohibited obligations described in the next succeeding paragraph.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than AAA or AAAM or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Governmental bodies in the State are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) of the first paragraph under this subcaption, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm not less than "A" or its equivalent, or (c) cash invested in obligations that are described in clauses (1) through (6) and (10) through (12) of the first paragraph under this subcaption, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the governmental body, held in the name of the governmental body and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

INVESTMENT POLICIES . . . Under State law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that includes a list of authorized investments for City funds, maximum allowable stated maturity of any individual investment and the maximum average dollar-weighted maturity allowed for pooled fund groups. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each funds' investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under State law, City investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the investment officers of the City shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, any additions and changes to market value and the ending value of each pooled fund group, (4) the book value and market value of each separately listed asset at the beginning and end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from the City Council.

ADDITIONAL PROVISIONS . . . Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the entity to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (4) require the qualified representative of firms offering to engage in an investment transaction with the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the City's entire portfolio or requires an interpretation of subjective investment standards), and (c) deliver a written statement in a form acceptable to the City and the business organization attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the City's investment policy; (6) provide specific investment training for the City's designated Investment Officer; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse purchase agreement; (8) restrict the investment in non-money market mutual funds in the aggregate to no more than 15% of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least

annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

THE CITY'S INVESTMENT POLICIES

The City Manager has designated the Chief Financial Officer as the City's investment officer. The Chief Financial Officer is responsible for the City's comprehensive cash management program, including the administration of the City's investment policies. The Finance Director is responsible for considering the quality and capability of staff involved in investment management and procedures. The Finance Director shall be responsible for authorizing investments and the cash and debt manager shall account for investments and pledged collateral in order to maintain appropriate internal controls. The accounting manager shall be responsible for recording investments on the accounting records. The internal audit staff shall review and audit the accounting records for compliance with these policies.

INVESTMENT COMMITTEE

An Investment Committee consisting of the cash and debt analyst, cash and debt manager, Controller, Chief Financial Officer, and Deputy City Manager shall meet as frequently as necessary to review the City's investment portfolio. The Committee shall also meet as necessary to add or delete a financial institution or broker/dealer from the list of institutions with which the City may do business or to conduct other business. The committee shall also meet to review prospectuses, financial statements and other performance data on money market mutual funds and shall formulate recommendations on the advisability of investing in specific funds for the consideration of the City Council.

Any three of the five Investment Committee members constitute a quorum. The cash and debt manager shall serve as chairman of the committee, and written record of Investment Committee meetings shall be maintained.

A. Authorized Investments

The City may invest in:

1. Obligations of the United States or its agencies and instrumentalities (except for mortgage pass-through securities.)
2. Repurchase agreements whose underlying collateral consists of U.S. Treasury bills or notes with a remaining maturity of three years or less.
3. Municipal Securities (state, city, county, school and road district general obligation or revenue bonds) (out-of-state bonds shall only be general obligation bonds) with a remaining maturity of three years or less which have received a rating by at least two nationally recognized credit rating agencies, of at least A or its equivalent.
4. Public Funds Investment Pool consisting of the above securities plus the following securities created under the Interlocal Cooperation Act which has entered into a contract approved (by resolution) by the City Council to provide investment services to the city.
 - a. Commercial paper with a stated maturity of 90 days or less from the date of its issuance that either:
 - is rated not less than A-1, P-1, or the equivalent by at least two nationally recognized credit rating agencies, or
 - is rated at least A-1, P-1, or the equivalent by at least one nationally recognized credit rating agency and is fully secured by an irrevocable letter of credit issued by a bank organized and existing under the laws of the United States or any state thereof.
 - b. Prime domestic bankers' acceptances meaning a bankers' acceptance with a stated maturity of 270 days or less from the date of its issuance that will be, in accordance with its terms, liquidated in full at maturity, that is eligible for collateral for borrowing from a Federal Reserve Bank, and that is accepted by a bank organized and existing under the laws of the United States or any state the short-term obligation of which (or of a bank holding company of which the bank is the largest subsidiary) is rated at least A-1, P-1, or the equivalent by at least one nationally recognized credit rating agency.
5. An SEC-registered, no-load money market mutual fund approved (by resolution) by the City Council with a dollar-weighted average portfolio maturity of 90 days or less whose assets consist exclusively of the obligations that are described in section 1-3 plus 4a and 4b and whose investment objectives include seeking to maintain a stable net asset value of \$1 per share. By State law, the City is not authorized to invest in the aggregate more than 80% of its monthly average fund balance, excluding bond proceeds, in money market mutual funds described in this subsection or to invest its funds or funds under its control, excluding bond proceeds, in any one money market mutual fund in an amount that exceeds 20% of the total assets of the money market mutual funds.

6. Collateralized or insured certificates of deposit and other evidences of deposit at federally insured banks in the State.

The investment maturity schedule shall correspond with the City's projected cash flow needs. Remaining maturities on investments purchased shall be no longer than three years, except in the case of revenue bond reserve accounts which may be invested for longer terms with specific City Council approval by resolution. An average remaining maturity of 365 days or less shall be maintained on bond proceeds subject to arbitrage rebate restriction, and the total portfolio average remaining maturity shall not exceed one year.

B. Diversification

Investments shall be diversified to reduce the risk of loss resulting from over-concentration of investments in a specific maturity, a specific issue, or a specific class of securities.

The asset mix of the City's portfolio is expressed in terms of maximum commitment so as to allow flexibility to take advantage of market conditions.

The asset mix requirements are as follows:

	<u>% Maximum</u>
1. U.S. Treasury Bills and Notes	100
2. U.S. Agency or Instrumentality Obligations (each type)	25 *
3. Repurchase Agreements	20
4. Municipal Securities (total)	40
5. Municipal Securities (out-of-state)	20
6. Certificates of Deposit (per institution)	20
7. Money Market Mutual Fund	50 **
8. Public Funds Investment Pool	50

* Total Agency investments limited to no more than 100% of the total portfolio.

** Limited by State law to 80% of monthly average fund balance, excluding bond proceeds.

C. Qualifying Institutions

Financial institutions (Federally insured banks) with and through which the City invests in certificates of deposit shall be located in the State. Broker/dealers through whom the city purchases U.S. government securities may include only those dealers reporting to the Market Reports Division of the Federal Reserve Bank of New York, also known as the "primary government securities dealers" and First Southwest Company except that repurchase agreements shall not be executed through First Southwest Company. In addition, other regional brokers/dealers may be considered by the Investment Committee.

D. Collateral Securities for Certificates of Deposit and Demand Accounts

The City will accept as collateral for its certificates of deposit and demand accounts and other evidences of deposit the following securities:

- FDIC Coverage
- U.S. Treasury bills
- U.S. Treasury notes and bonds
- State, city, county, school, or road district general obligation or revenue bonds*, except that out-of-state bonds shall be limited to general obligation bonds
- City of Grand Prairie revenue bonds or general obligation bonds, time warrants, and certificates of obligation
- U.S. Government Agency and Instrumentality obligations (except for mortgage pass-through securities).

* The securities must be rated at least "A" by one of the nationally recognized rating services. Collateral consisting of out-of-state bonds shall be limited to 10% of the total collateral pledged by a financial institution.

Collateral securities shall have a remaining life of no more than five years. The securities shall be marked-to-market no less frequently than monthly, and the ratio of collateral market value to amount invested plus accrued interest shall be no less than 105%.

TABLE 11 – CURRENT INVESTMENTS

As of October 31, 2010, the following percentages of the City's investable funds were invested in the following categories of investments:

Type of Investment	Percentage	Total Cost
Local Government Pool and Money Market Funds	48.18%	\$ 109,724,498
Federal Agency and Instrumentality Notes	51.82%	118,003,468
	<u>100.00%</u>	<u>\$ 227,727,966</u>

SELECTED PROVISIONS OF THE BOND ORDINANCE

Section 10. Definitions. For purposes of this Ordinance and in particular for clarity with respect to the issuance of the Bonds herein authorized and the pledge and appropriation of revenues therefor, the following definitions are provided:

The term “Additional Bonds” shall mean the additional parity revenue bonds which the City reserves the right to issue in this Ordinance.

The term “Bonds” shall mean the water and wastewater system revenue refunding bonds authorized by this Ordinance and designated as “City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding Bonds, New Series 2011.”

The term “Bonds Similarly Secured” means the Bonds, the Previously Issued Bonds and Additional Bonds.

The term “Fiscal Year” shall mean the twelve months’ period ending September 30 of each year, unless otherwise designated by the City.

The term “Net Revenues” means all income, revenues and receipts of every nature derived from and received by virtue of the operation of the System (including interest income and earnings received from the investment of moneys in the special Funds created by or maintained under this Ordinance) after deducting and paying, and making provisions for the payment of, current expenses of maintenance and operation thereof, including all salaries, labor, materials, repairs and extensions necessary to render efficient service; provided, however, that only such expenses for repairs and extensions as in the judgment of the City Council, reasonably and fairly exercised, are necessary to keep the System in operation and to render adequate service to the City and the inhabitants thereof, or such as might be necessary to meet some physical accident or condition which would otherwise impair any obligations payable from the Net Revenues of the System, shall be deducted in determining “Net Revenues.” Contractual payments for the purchase of water or the treatment of sewage shall be a maintenance and operating expense of the System to the extent provided in the contract incurred therefor and as may be authorized by law. Depreciation shall never be considered as an expense of operation and maintenance.

The term “Ordinance” means this Ordinance under which the Bonds are authorized.

The terms “Outstanding” and “outstanding”, when used in this Ordinance with respect to Bonds, Previously Issued Bonds or Additional Bonds means, as of the date of determination, all bonds theretofore issued and delivered, except:

those bonds theretofore canceled by the paying agent/registrars or delivered to the paying agent/registrars for cancellation;

those bonds for which payment has been duly provided by the City of the irrevocable deposit with the paying agent/registrars, or an authorized escrow agent, of money, or government securities, or both, in the amount necessary to fully pay the principal of, premium, if any, and interest thereon to maturity or redemption, as the case may be, provided that, if such bonds are to be redeemed, notice of redemption thereof shall have been duly given pursuant to the ordinance authorizing such bonds or irrevocably provided to be given to the satisfaction of the paying agent/registrars, or waived;

those bonds that have been mutilated, destroyed, lost or stolen and replacement bonds have been registered and delivered in lieu thereof as provided in the ordinance authorizing such bonds.

The term “Previously Issued Bonds” means the Outstanding (i) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding and Improvement Bonds, New Series 2003”, (ii) “City of Grand Prairie, Texas, Water and

Wastewater System Revenue Refunding and Improvement Bonds, New Series 2004”, (iii) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Bonds, New Series 2004A”, (iv) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Bonds, New Series 2005”, (v) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Bonds, New Series 2005A”, (vi) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Bonds, New Series 2006”, (vii) “City of Grand Prairie, Texas, Water and Wastewater System Revenue Bonds, New Series 2006-A”, (viii) “City of Grand Prairie Water and Wastewater System Revenue Bonds, New Series 2007”, (viii) “City of Grand Prairie Water and Wastewater System Revenue Bonds, New Series 2008” and (ix) “City of Grand Prairie Water and Wastewater System Revenue Bonds, New Series 2010.”

The term “System” means the City’s existing combined waterworks and sewer systems, including all properties (real, personal or mixed and tangible or intangible) owned, operated, maintained and vested in, the City for the supply, treatment and distribution of treated water for domestic, commercial, industrial and other uses and the collection and treatment of water-carried wastes, together with all future additions, extensions, replacements and improvements thereto.

Section 11. Pledge of Revenues. That the City hereby covenants and agrees that, under the terms and conditions of the ordinances and proceedings pertaining to their authorization, the Net Revenues of the System, with the exception of those in excess of the amounts required for the payment and security of the Bonds Similarly Secured, are hereby irrevocably pledged to the payment and security of the Bonds Similarly Secured, including the establishment and maintenance of the special funds created and established for the payment and security thereof, all as hereinafter provided, and it is hereby ordained that the Bonds Similarly Secured, and the interest thereon, shall constitute a lien on the Net Revenues of the System and be valid and binding without any filing or recording except for the filing of this Ordinance in the records of the City.

V.T.C.A., Government Code, Chapter 1208, as amended, applies to the issuance of the Bonds and the pledge of the revenues granted by the City under this Section of this Ordinance, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are Outstanding and unpaid such that the pledge of the revenues granted by the City under this Section of this Ordinance is to be subject to the filing requirements of V.T.C.A., Business & Commerce Code, Chapter 9, as amended, then in order to preserve to the Holders of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of V.T.C.A., Business & Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

Section 12. Rates and Charges. For the benefit of the original purchasers as well as the ultimate owners of the Bonds and other Bonds Similarly Secured and in addition to all provisions and covenants in the law of the State of Texas and in this Ordinance, it is expressly stipulated that the City shall, at all times while any of the Bonds Similarly Secured are outstanding and unpaid, maintain rates and collect charges for the facilities and services afforded by the System, as required by V.T.C.A., Government Code, Chapter 1502, as amended, which will provide revenues sufficient at all times to:

- (a) pay for all maintenance, operation, debt service, depreciation, replacement and betterment charges of the System;
- (b) pay the interest on and principal of the Bonds Similarly Secured and the amounts required to be deposited into the special Funds created and established for the payment and security of the Bonds Similarly Secured;
- (c) produce Net Revenues each year in an amount reasonably estimated to be not less than 1.25 times the average annual principal and interest requirements of the Outstanding Bonds Similarly Secured; and
- (d) pay all outstanding, legally incurred indebtedness against the System, as and when the same become due.

Section 13. Revenue Fund. The City again covenants that it will deposit, as collected, all revenues of every nature derived from the operation of the System into a separate account known as the “City of Grand Prairie, Texas, Water and Wastewater System Revenue Fund” (herein called the “Revenue Fund”) heretofore established which shall be kept separate and apart from all other funds of the City, and, further, that said Revenue Fund shall be pledged and appropriated to the following uses and in the order of precedence shown:

First: To the payment of all necessary and reasonable maintenance and operation expenses of the System as said expenses are defined by law;

Second: To the payment, equally and ratably, of the amounts required to be deposited in the Interest and Sinking Fund created and established for the payment of principal of and interest on the Bonds Similarly Secured as the same becomes due and payable;

Third: To the payment of the amounts required to be deposited in the Reserve Fund created and to be maintained for the benefit and security of the Bonds Similarly Secured in accordance with the provisions of this Ordinance or any other ordinance relating to the issuance of Bonds Similarly Secured;

Fourth: To the payment of any other indebtedness payable from and secured, in whole or in part, by a lien on and claim against the Net Revenues of the System; and

Fifth: Any Net Revenues remaining in the Revenue Fund after satisfying the foregoing payments, or making adequate and sufficient provisions for the payment thereof, may be appropriated and used for any other purpose now or hereafter permitted by law.

Section 14. Interest and Sinking Fund. The following provisions shall govern the establishment, maintenance and use of the “City of Grand Prairie, Texas, New Series Water and Wastewater System Interest and Sinking Fund” (the “Interest and Sinking Fund”). The City covenants that from the funds in the Revenue Fund, the City shall pay into the Interest and Sinking Fund during each year in which any of the Bonds Similarly Secured are outstanding, an amount equal to one hundred percent (100%) of the amount required to meet the principal and interest payments falling due on or before the next interest payment, maturity or redemption date of the Bonds Similarly Secured, such payments to be made in substantially equal monthly installments. If the revenues of the System in any month, after deductions for maintenance and operation expenses, are then insufficient to make the required payments into the Interest and Sinking Fund, then the amount of any deficiency in the payment shall be added to the amount otherwise required to be paid into the Interest and Sinking Fund in the next month. All moneys paid into the Interest and Sinking Fund shall be deposited in the City’s depository bank, and the Mayor, Mayor Pro Tem, City Manager, Chief Financial Officer or City Secretary, any one or more of said officials of the City, shall cause the depository bank, not later than any principal or interest payment date, to transfer the amount then to become due to the paying agent. Said moneys not invested shall be continuously secured by a valid pledge to the City of direct obligations of the United States of America having an aggregate market value, exclusive of accrued interest, at all times at least equal to such Interest and Sinking Fund, provided however, that as to the amount on deposit in said fund which is allocated to the Bonds Similarly Secured and not invested, the deposit may also be secured by a valid pledge of (a) general obligations (i) issued by the State of Texas, or any city, county, school district, or road district of such state which have been approved by the Attorney General of Texas and which have investment quality, according to a nationally recognized rating agency and (ii) which have a maturity of twenty (20) years or less, or (b) general or special obligations of the City of Grand Prairie which have been approved by the Attorney General of Texas, or (c) Government National Mortgage Association fully modified pass through mortgage certificates, having a market value at all times equal to such deposit, to the extent not covered by the Federal Deposit Insurance Corporation.

Section 15. Reserve Fund. The following provisions shall govern the establishment, maintenance and use of the “City of Grand Prairie, Texas, New Series Water and Wastewater System Reserve Fund” (the “Reserve Fund”). There shall continue to be established and maintained a Reserve Fund for the purposes of (i) finally retiring the last of the Bonds Similarly Secured and (ii) paying principal of and interest on the Bonds Similarly Secured in the event moneys on hand in the Interest and Sinking Fund are insufficient for such purpose.

The amount to be accumulated in the Reserve Fund shall equal to the average annual debt service requirements (calculated on a Fiscal Year basis) on all outstanding Bonds Similarly Secured (the “Required Reserve”). The Required Reserve shall be established and maintained with Net Revenues of the System or other lawfully available funds of the City, the proceeds of sale of Bonds Similarly Secured or by depositing to the credit of the Reserve Fund, to the extent permitted by law, one or more surety bonds or insurance policies issued by a company or institution having a rating in the highest rating category by two nationally recognized rating agencies or services, or any combination thereof. The City hereby covenants and agrees that the additional amount of the Required Reserve to be deposited in the Reserve Fund in connection with the issuance of the Bonds shall be funded by monthly installments from funds in the Revenue Fund in an amount of not less than 1/60th of the additional amount required to be maintained in said Fund and with the first payment to be made on or before March 1, 2011 and the subsequent payments to be made on or before the 1st day of each month thereafter.

As and when Additional Bonds are delivered or incurred, the Required Reserve shall be increased, if required, to an amount equal to the lesser of (i) the average annual debt service requirements calculated on a Fiscal Year basis for all Bonds Similarly Secured then Outstanding, as determined on the date each series of Additional Bonds is delivered or incurred, as the case may be, or (ii) the maximum amount in a reasonably required reserve fund that can be invested without restriction as to yield pursuant to Subsection (d) of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder. Any additional amount required to be maintained in the Reserve Fund shall be so accumulated (i) by depositing to the credit of the Reserve Fund (immediately after the delivery of the then proposed Additional Bonds) cash or an additional surety bond or insurance policy or revised surety bond or revised insurance policy with coverage in an amount sufficient to provide for the new Required Reserve to be fully or partially funded, or (ii) at the option of the City, by making monthly deposits from funds in the Revenue Fund on or before the 1st day of each month following the month of delivery of the then proposed Additional Bonds, of not less than 1/60th of the additional amount to be maintained in said Fund by reason of the issuance of the

Additional Bonds then being issued (or 1/60th of the balance of the additional amount not deposited immediately in cash or provided by a surety bond or insurance policy.)

When and so long as the cash and investments in the Reserve Fund and/or coverage afforded by a surety bond or insurance policy held for the account of the Reserve Fund total not less than the Required Reserve, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve (or so much thereof as shall then be required to be contained therein if Additional Bonds have been issued and the City has elected to accumulate all or a portion of the Required Reserve with Net Revenues), the City covenants and agrees to cause monthly deposits to be made to the Reserve Fund on or before the 1st day of each month (beginning the month next following the month the deficiency in the Required Reserve occurred by reason of a draw on the Reserve Fund or as a result of a reduction in the market value of investments held for the account of the Reserve Fund) from Net Revenues of the System in an amount equal to either (1) 1/60th of the Required Reserve until the total Required Reserve then required to be maintained in said Fund has been fully restored or (2) the amounts to pay principal of and interest on Bonds Similarly Secured held by an insurer, or evidenced by an instrument of assignment entitling an insurer to payment of principal of and interest on Bonds Similarly Secured, as a result of payments or draws made on a surety bond or insurance policy held for the account of the Reserve Fund and such payments will result in the principal of and/or interest on such Bonds Similarly Secured to be paid, as well as the restoration and replenishment of the surety bond or insurance policy coverage representing all or a portion of the Required Reserve. The City further covenants and agrees that, subject only to the payment of the Priority Bonds and payments to be made to the Interest and Sinking Fund, the Net Revenues of the System shall be applied and appropriated and used to establish and maintain the Required Reserve and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Bonds.

During such time as the Reserve Fund contains the total Required Reserve, the City may, at its option, withdraw all surplus in the Reserve Fund resulting from the investment of the Required Reserve and deposit such investment earnings in the Revenue Fund; provided, however, that to the extent the investment earnings are derived from proceeds of bonds used to fund all or a portion of the Required Reserve such investment earnings may only be used for the same purposes for which said bond proceeds may be used.

Section 16. Investment of Certain Funds. The Interest and Sinking Fund may be invested in investments authorized by the Public Funds Investment Act, V.T.C.A., Government Code, Chapter 2256, as amended, and the City's investment policy. All moneys resulting from the investment of said fund shall be transferred to the Revenue Fund as received.

The Reserve Fund may be invested or reinvested from time to time in investments authorized by the Public Funds Investment Act, V.T.C.A., Government Code, Chapter 2256, as amended, and the City's investment policy. All moneys resulting from the investment of the Reserve Fund shall be transferred to the Revenue Fund as the same are received.

Section 17. Further Covenants. The City further covenants and agrees by and through this Ordinance as follows:

(a) That the Bonds shall be special obligations of the City, and the registered owners thereof shall never have the right to demand payment out of any funds raised or to be raised by taxation.

(b) That it has the lawful power to pledge the revenues supporting the Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, and that the Bonds issued under this Ordinance shall be ratably secured in such manner that no one Bond shall have preference over any other Bond or Bonds or Bonds Similarly Secured.

(c) That other than for the payment of the Bonds and the Previously Issued Bonds, the Net Revenues have not been in any manner pledged to the payment of any debt or obligation of the City or the System, other than debt or obligations which have a lien on or pledge of the Net Revenues subordinate to the lien on and pledge of such Net Revenues to the Bonds Similarly Secured.

Section 18. Issuance of Additional Bonds.

(a) That, in addition to the right to issue bonds of inferior lien as authorized by law, the City reserves the right to issue Additional Bonds, for the purpose of improving, extending, equipping and repairing the System and for the purpose of refunding in any lawful manner, any part or all of the Bonds Similarly Secured or other obligations of the City eligible to be refunded under the laws of the State of Texas as such laws now or hereafter may exist. The Additional Bonds shall be secured by and payable from a lien on and pledge of the Net Revenues in the same manner and to the same extent as any then Outstanding Bonds Similarly Secured, and the Additional Bonds then proposed to be issued shall in all respects be on a parity and of equal dignity as to lien and right. Additional Bonds may be issued in one or more installments; provided, however, that none of the Additional Bonds shall be issued unless and until the following conditions have been met, to wit:

The City is not then in default as to any covenant, condition or obligation prescribed by any ordinance authorizing the issuance of the Outstanding Bonds Similarly Secured;

Each of the special Funds created for the payment and security of the Bonds Similarly Secured contains the amount of money then required to be on deposit therein;

The City has secured from a certified public accountant a certificate showing that the Net Earnings for either the completed Fiscal Year next preceding the date of the Additional Bonds or a consecutive twelve-month period out of the last fifteen months next preceding the date of the Additional Bonds is equal to at least 1.25 times the average annual principal and interest requirements (calculated on a Fiscal Year basis at the time of the issuance of Additional Bonds) of all Bonds Similarly Secured and Priority Bonds which will be Outstanding after the issuance of the proposed Additional Bonds. However, (A) should the certificate of the accountant certify that the Net Earnings of the System for the period covered thereby were less than required above, and (B) a change in the rates and charges for services afforded by the System became effective at least 60 days prior to the last day of the period covered by the accountant's certificate, and (C) an independent engineer or engineering firm having a national reputation with respect to such matters will certify that, had such change in rates and charges been effective for the entire period covered by the accountant's certificate, the Net Earnings covered by the accountant's certificate would have been, in his or their opinion, equal to at least 1.25 times the average annual principal and interest requirements (calculated on a Fiscal Year basis) of the Outstanding Bonds Similarly Secured after giving effect to the issuance of the Bonds, and Additional Bonds, then, in such event, the coverage specified in the first sentence of this paragraph (iii) shall not be required for the period specified, and such accountant's certificate will be sufficient if accompanied by an engineer's certificate to the above effect;

The ordinance authorizing the Additional Bonds (A) requires that deposits shall be made into the Interest and Sinking Fund in amounts adequate to pay the principal and interest requirements of the Additional Bonds as the same become due; and (B) provides that the aggregate amount to be accumulated and maintained in the Reserve Fund shall be an amount equal to the Required Reserve for all Outstanding Bonds Similarly Secured theretofore issued and to be Outstanding after the issuance of said Additional Bonds; and

The Additional Bonds are scheduled to mature only on January 15 or July 15 or both.

(b) The term "Net Earnings," as used in this Ordinance shall mean all income, revenues, and receipts derived from the operation or by reason of the ownership of the System, including grants, gifts, contributions in aid of construction (but excluding meter deposits), interest earned on invested moneys in the special Funds created therein for the payment and security of Bonds Similarly Secured, after deduction of maintenance and operation expenses but not deducting depreciation, and other expenditures which, under standard accounting practice, should be classified as capital expenditures.

(c) Wherever, in this Ordinance, the City reserves the right to issue Additional Bonds, such term shall also include, mean and refer to any other forms or types of obligations, whether now existing or hereafter authorized, which may be made lawfully payable from and secured by the Net Revenues.

Section 19. Obligations of Inferior Lien and Pledge. The City retains the right to create and issue evidences of indebtedness whose lien on the Net Revenues of the System shall be subordinate to that possessed by the Bonds Similarly Secured.

Section 20. Maintenance and Operation - Insurance. The City shall maintain the System in good condition and operate the same in an efficient manner and at reasonable cost. So long as any Bonds are outstanding, the City agrees to maintain insurance for the benefit of the holder or holders thereof on the System of a kind and in an amount which usually would be carried by private companies engaged in a similar type of business. Nothing in this Ordinance shall be construed as requiring the City to expend any funds derived from sources other than the operation of the System, but nothing therein shall be construed as preventing the City from doing so.

Section 21. Records - Accounts - Accounting Reports. The City covenants and agrees that so long as any Bonds, or any interest thereon, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of its System separate and apart from all other records and accounts; complete and correct entries shall be made of all transactions relating to the System, in accordance with generally accepted accounting principles except as provided by V.T.C.A., Government Code, Chapter 1502, as amended; and registered owners shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants of national reputation. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

A detailed statement of the income and expenditures of the System for such Fiscal Year.

A balance sheet as of the end of such Fiscal Year.

The accountant's comments regarding the manner in which the City has carried out the requirements of this Ordinance and his recommendations for any changes or improvements in the operation, records and accounts of the System.

Expenses incurred in making the audits referred to hereinabove are to be regarded as maintenance and operation expenses and paid as such. Copies of the aforesaid annual audit shall be immediately furnished, upon request, to the original purchaser or any subsequent owner of the Bonds.

Section 22. Excess Revenues. As provided in Section 13 hereof, all revenues in excess of those required to establish and maintain the Interest and Sinking Fund and the Reserve Fund as required, may be used for any proper City purpose now or heretofore permitted by law.

Section 23. Security of Funds. All funds for which provision is made by the Ordinance shall be secured in the manner and to the fullest extent permitted by law for the security of public funds and the funds created by the Ordinance shall be used only for the purposes therein specified.

Section 24. Remedy in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by this Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, registered owner or owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in this Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

Section 25. Bonds are Special Obligations. The Bonds are and shall be special obligations of the City payable from the pledged Net Revenues, and the holder or holders thereof shall never have the right to demand payment of the Bonds out of funds raised or to be raised by taxation.

Section 26. Bonds are Negotiable Instruments. Each of the Bonds authorized shall be deemed and construed to be a "Security" and as such a negotiable instrument within the meaning of Article 8 of the Texas Uniform Commercial Code.

Section 27. Competition - Sale of System. So far as it legally may, the City covenants and agrees, for the protection and security of the Bonds, and the registered owner or owners thereof from time to time, that it will not grant a franchise for the operation of any competing system in the City until all Bonds shall have been retired. Neither the System, nor a substantial part thereof, shall be sold while the Bonds are outstanding, but nothing in this Ordinance shall prevent the sale or disposal of properties constituting a part of the System which are no longer useful in connection with the operation thereof.

Section 28. Satisfaction of Obligation of the City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of revenues under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. The provisions of this paragraph are subject to the applicable unclaimed property law of the State of Texas.

The term "Government Securities," as used herein, means (i) direct noncallable obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States, including obligations unconditionally guaranteed or insured by the agency or instrumentality and, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date of their acquisition or purchase by the City, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent.

Section 29. Ordinance to Constitute Contract - Amendment. The provisions of this Ordinance shall constitute a contract between the City, and the Holders; and, the City shall not amend or repeal any of the provisions of this Ordinance except as permitted in this Section and Section 46 hereof. The City may, without the consent of or notice to any Holder, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the registered owner or owners, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, with the written consent of the registered owner or owners holding a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, the City may amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all registered owners of Outstanding Bonds, no such amendment, addition or rescission shall: (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds; (2) give any preference to any Bond over any other Bond; or, (3) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition or rescission.

TAX MATTERS

TAX EXEMPTION...The delivery of the Bonds is subject to the opinion of Bond Counsel to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the "Code"), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals or, except as hereinafter described, corporations. A form of Bond Counsel's opinion is reproduced as Appendix C. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

Interest on the Bonds owned by a corporation will be included in such corporation's adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporation, other than an S corporation, a qualified mutual fund, a real estate investment trust, a real estate mortgage investment conduit, or a financial asset securitization investment trust ("FASIT"). A corporation's alternative minimum taxable income is the basis on which the alternative minimum tax imposed by Section 55 of the Code will be computed.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the date of delivery of the Bonds pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the City with the provisions of the Ordinance subsequent to the issuance of the Bonds. The Ordinance contains covenants by the City with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage "profits" from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Bonds.

Bond Counsel's opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel's opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt

status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the “taxpayer,” and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

TAX ACCOUNTING TREATMENT OF DISCOUNT AND PREMIUM ON CERTAIN BONDS...The initial public offering price of certain Bonds (the “Discount Bonds”) may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under “Tax Exemption.” Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the alternative minimum taxable income of a corporation, for purposes of calculating a corporation’s alternative minimum tax imposed by Section 55 of the Code, and the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The initial public offering price of certain Bonds (the “Premium Bonds”) may be greater than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Premium Bond (assuming that a substantial amount of the Premium Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes premium to the initial purchaser of such Premium Bonds. The basis for federal income tax purposes of a Premium Bond in the hands of such initial purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium which is amortizable each year by an initial purchaser is determined by using such purchaser’s yield to maturity.

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

CONTINUING DISCLOSURE OF INFORMATION

In the Ordinance, the City has made the following agreement for the benefit of the registered and beneficial owners of the Bonds. The City is required to observe the agreement for so long as it remains obligated to advance funds to pay the Bonds. Under the agreement, the City will be obligated to provide certain updated financial information and operating data annually, and timely notice of certain specified events, to the Municipal Securities Rulemaking Board (the "MSRB").

ANNUAL REPORTS. . . The City will provide certain updated financial information and operating data to the MSRB annually. The information to be updated includes all quantitative financial information and operating data with respect to the City of the general type included in this Official Statement under Tables numbered 1 through 11 and in Appendix B. The City will update and provide this information within six months after the end of each fiscal year ending in or after 2011.

The financial information and operating data to be provided may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the Securities and Exchange Commission (the "SEC"), as permitted by SEC Rule 15c2-12 (the "Rule"). The updated information will include audited financial statements, if the City commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the City will provide unaudited financial statements by the required time, and audited financial statements when and if such audited financial statements become available. Any such financial statements will be prepared in accordance with the accounting principles described in Appendix B or such other accounting principles as the City may be required to employ from time to time pursuant to State law or regulation.

The City's current fiscal year end is September 30. Accordingly, it must provide updated information by March 31 in each year, unless the City changes its fiscal year. If the City changes its fiscal year, it will notify the MSRB of the change.

NOTICE OF CERTAIN EVENTS. . . The City will also provide timely notices of certain events to the MSRB. The City will provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner (but not in excess of ten business days after the occurrence of the event): (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Obligation calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership, or similar event of the City, which shall occur as described below; (13) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (14) appointment of a successor or additional trustee or the change of name of a trustee, if material. In addition, the City will provide timely notice of any failure by the City to provide annual financial information in accordance with their agreement described above under "Annual Reports".

For these purposes, any event described in (12) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

AVAILABILITY OF INFORMATION. . . The City has agreed to provide the foregoing financial and operating information only as described above. Investors may access continuing disclosure information filed with the MSRB free of charge at www.emma.msrb.org.

LIMITATIONS AND AMENDMENTS. . . The City has agreed to update information and to provide notices of certain specified events only as described above. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although registered and beneficial owners of Bonds may seek a writ of mandamus to compel the City to comply with its agreement.

The City may amend its continuing disclosure agreement from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the offering described herein in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the registered and beneficial owners of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) any person unaffiliated with the City (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the registered and beneficial owners of the Bonds. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the City so amends the agreement, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided.

COMPLIANCE WITH PRIOR UNDERTAKINGS. . . During the last five years, the City has complied in all material respects with all continuing disclosure agreements made by it in accordance with the Rule.

OTHER INFORMATION

RATINGS

The Bonds have been rated "AAA" stable outlook by Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P") and "AA+" stable outlook by Fitch Ratings ("Fitch") without regard to credit enhancement. An explanation of the significance of such ratings may be obtained from the company furnishing the rating. The ratings reflect only the respective views of such organizations and the City makes no representation as to the appropriateness of the ratings. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating companies, if in the judgment of either or both companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings, or either of them, may have an adverse effect on the market price of the Bonds.

LITIGATION

There are currently no lawsuits, claims or other legal matters which would, in the opinion of the City Attorney and City Staff, have a material adverse financial impact upon the City or its operations.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

Section 1201.041 of the Public Security Procedures Act (V.T.C.A., Chapter 1201, Government Code, as amended) provides that the Bonds are negotiable instruments, investment securities governed by V.T.C.A., Chapter 8, Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in obligations such as the Bonds by municipalities or other political subdivisions or public agencies of the State, the Public Funds Investment Act, V.T.C.A., Chapter 2256, Government Code, as amended, requires that the Bonds be assigned a rating of not less than "A" or its equivalent as to investment quality by a nationally recognized rating agency, this requirement does not apply, however, to the purchase of obligations such as the Bonds for interest and sinking funds of such entities (see "OTHER INFORMATION – Ratings" herein). In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with at least \$1 million of capital, and savings and loan associations. The Bonds are eligible to secure deposits of any public funds of the State, its agencies, and its political subdivisions, and are legal security for those deposits to the extent of their market value.

The City has made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such

institutions or entities to purchase or invest the Bonds for such purposes. The City has made no review of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states.

LEGAL OPINIONS

The City will furnish to the Underwriters a complete transcript of proceedings incident to the authorization and issuance of the Bonds, including the unqualified approving legal opinion of the Attorney General of Texas approving the Initial Bond and to the effect that the Bonds are valid and legally binding special obligations of the City, and based upon examination of such transcript of proceedings, the approving legal opinion of Bond Counsel, to like effect and to the effect that the interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described under "TAX MATTERS" herein, including the alternative minimum tax on corporations. The customary closing papers, including a certificate to the effect that no litigation of any nature has been filed or is then pending to restrain the issuance and delivery of the Bonds, or which would affect the provision made for their payment or security, or in any manner questioning the validity of said Bonds will also be furnished. Bond Counsel was not requested to participate, and did not take part, in the preparation of the Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information appearing under the captions and subcaptions "PLAN OF FINANCING – Refunded Bonds", "THE BONDS" (except for the subcaptions "Book-Entry-Only System" and "Registered Owners' Remedies"), "SELECTED PROVISIONS OF THE BOND ORDINANCE," "TAX MATTERS" and "CONTINUING DISCLOSURE OF INFORMATION" (except for the subcaption "Compliance with Prior Undertakings") and the subcaptions "Legal Investments and Eligibility to Secure Public Funds in Texas", "Registration and Qualification of Bonds for Sale" and "Legal Opinions" (except for the last sentence of the first paragraph thereof) under the caption "OTHER INFORMATION"), and such firm is of the opinion that the information relating to the Bonds and the legal issues contained under such captions and subcaptions are accurate and fair descriptions of the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Ordinance. The legal fee to be paid Bond Counsel for services rendered in connection with the issuance of the Bonds is contingent on the sale and delivery of the Bonds. The legal opinion will accompany the Bonds deposited with DTC or will be printed on the Bonds in the event of the discontinuance of the Book-Entry-Only System. Certain legal matters will be passed upon for the Underwriters by West & Associates, L.L.P., San Antonio, Texas, Counsel for the Underwriters, whose fee is contingent on the sale and delivery of the Bonds.

The legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

VERIFICATION OF ARITHMETICAL AND MATHEMATICAL CALCULATIONS

The arithmetical accuracy of certain computations included in the schedules provided by First Southwest Company on behalf of the City relating to (a) computation of forecasted receipts of principal and interest on the Federal Securities and the forecasted payments of principal and interest to redeem the Refunded Bonds and (b) computation of the yield on the Bonds will be verified by Grant Thornton LLP, certified public accountants. Such computations will be based solely on assumptions and information supplied by First Southwest Company on behalf of the City. Grant Thornton LLP will restrict its procedures to verifying the arithmetical accuracy of certain computations and will not make any study or evaluation of the assumptions and information on which the computations are based and, accordingly, will not express an opinion on the data used, the reasonableness of the assumptions, or the achievability of the forecasted outcome.

The report will be relied upon by Bond Counsel in rendering its opinion with respect to the tax-exemption of interest on the Bonds and with respect to the defeasance of the Refunded Bonds.

FINANCIAL ADVISOR

First Southwest Company is employed as Financial Advisor to the City in connection with the issuance of the Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. First Southwest Company, in its capacity as Financial Advisor, does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Financial Advisor to the City has provided the following sentence for inclusion in this Official Statement. The Financial Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

UNDERWRITING

The Underwriters have agreed, subject to certain conditions, to purchase the Bonds from the City, at an underwriting discount of \$50,621.94. The Underwriters are obligated to purchase all of the Bonds, if any Bonds are purchased. The Bonds to be offered to the public may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Bonds into investment trusts) at prices lower than the public offering prices of such Bonds and such public offering prices may be changed, from time to time, by the Underwriters.

The Underwriters have provided the following sentence for inclusion in this Official Statement. The Underwriters have reviewed the information in this Official Statement in accordance with, and as part of, their respective responsibilities to investors under federal securities laws as applied to the facts and circumstances of this transaction, but the Underwriters do not guarantee the accuracy or completeness of such information.

FORWARD-LOOKING STATEMENT DISCLAIMER

The statements contained in this Official Statement, and in any other information provided by the City, that are not purely historical, are forward-looking statements, including statements regarding the City's expectations, hopes, intentions, or strategies regarding the future. Readers should not place undue reliance on forward-looking statements. All forward-looking statements included in this Official Statement are based on information available to the City on the date hereof, and the City assumes no obligation to update any such forward-looking statements. The City's actual results could differ materially from those discussed in such forward-looking statements.

The forward-looking statements included herein are necessarily based on various assumptions and estimates and are inherently subject to various risks and uncertainties, including risks and uncertainties relating to the possible invalidity of the underlying assumptions and estimates and possible changes or developments in social, economic, business, industry, market, legal, and regulatory circumstances and conditions and actions taken or omitted to be taken by third parties, including customers, suppliers, business partners and competitors, and legislative, judicial, and other governmental authorities and officials. Assumptions related to the foregoing involve judgments with respect to, among other things, future economic, competitive, and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of the City. Any of such assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this Official Statement will prove to be accurate.

MISCELLANEOUS

The financial data and other information contained herein have been obtained from the City's records, audited financial statements and other sources which are believed to be reliable. There is no guarantee that any of the assumptions or estimates contained herein will be realized. All of the summaries of the statutes, documents and resolutions contained in this Official Statement are made subject to all of the provisions of such statutes, documents and resolutions. These summaries do not purport to be complete statements of such provisions and reference is made to such documents for further information. Reference is made to original documents in all respects.

The Ordinance authorizing the issuance of the Bonds has approved the form and content of this Official Statement, and any addenda, supplement or amendment thereto, and authorizes its further use in the reoffering of the Bonds by the Underwriters.

			<u>\$ 3,160,000</u>

The Series 2003 will be redeemed on February 24, 2011 at a price of par plus accrued interest.

APPENDIX A

GENERAL INFORMATION REGARDING THE CITY

(This Page Intentionally Blank)

THE CITY

LOCATION

The City of Grand Prairie, Texas (the "City"), is centrally located amid the estimated 6 million people in the Dallas/Fort Worth Area. The community, with an estimated population of 169,350 (January 2010), stretches 28 miles long by about eight miles at its widest point. The City covers about 80 square miles.

TRANSPORTATION

The City has access to four major interstate highway systems - I-20, I-30, I-35 & I-45 - five state highway systems - SH 360, SH 180, SH 303, Loop 12 and FM 1382 - and U.S. 287 run through the City or are within 15-30 minutes.

- IH 20: an eight-lane east-west expressway that passes through south of the City, linking the City to Dallas and Fort Worth. West of Fort Worth, IH 20 leads to Abilene and Odessa. Eastward destinations on IH 20 are Tyler, Longview and Shreveport, La.
- IH 30: a six-lane east-west expressway that passes through north of the City and also links the City to Dallas and Fort Worth. IH 30 links to IH 20 in west Fort Worth. Eastward destinations on IH 30 are Greenville, Texarkana and Arkansas.
- SH 360: a six-lane north-south expressway running along the western edge of the city, a key route to Dallas-Fort Worth International Airport.
- SH 161: a four and six-lane north-south tollway to run 10.5 miles through Grand Prairie from the northern City limits to I-20. The frontage of the highway is under construction.

The City's Municipal Airport serves small piston planes to large business turboprop aircraft and helicopters. The airport has a 4,000-foot-long, 75-foot-wide lighted, concrete runway, repair service and cargo handling, a helipad, dining facilities, and support facilities for training, private aviation and business flying activities. The airport is designated in the FAA National Plan of Integrated Airport System and the Texas Aeronautical Facilities Plan. Hangar space is available for nearly 233 aircraft, with tie-down space and FBO services available.

The Dallas/Fort Worth International Airport, the 3rd largest airport in the world in terms of operations (7th in terms of passengers), lies about five miles north of the City's northern border. It serves 60 million passengers and provides nonstop service to 176 domestic and international destinations (www.dfairport.com).

POPULATION

The estimated population for 2010 is 169,350, a 0.5 percent increase over the previous year. From the 1990 Census to the 2000 Census, the City's population increased 27.9 percent.

DEMOGRAPHICS

2009 Census estimates of the City racial breakdown were 59.9 percent white, 15.9 percent black, 4.3 percent Asian and Pacific Islander, 0.6 percent American Indian and Alaska native, 2.3 percent two or more races, and the remaining 17.1 percent other races.

About 49.3 percent of the population was estimated to be of Hispanic origin in 2009.

In the 1990 Census, the composition was 75.8 percent white, 9.7 percent black, 0.8 percent American Indian, Eskimo or Aleut, 3 percent Asian or Pacific Islander and 10.7 percent other race. Of these, 20.5 percent were of Hispanic origin.

Age distribution estimates of residents, according to the 2000 Census, are 58.0 percent ages 20 and older, 5.0 percent older than 64, and 42.0 percent younger than 20.

The 2006 median household income was estimated to be \$50,131 (*American Community Survey Census*).

INDUSTRIAL BASE

Wholesale trade (distribution), manufacturing and retail trade companies are the largest industrial sectors in the City.

RECREATION

Recreational facilities include the 7,500-acre Joe Pool Lake, championship-level Tangle Ridge Golf Club, Lone Star Park at Grand Prairie and more than 52 public parks on 4,900 acres.

Parks and Recreation facilities include an extreme skate park, two multipurpose recreation centers, an active adult center, a senior center, indoor pool, three outdoor pools, five softball and baseball complexes, two golf courses, 32 tennis courts, a soccer complex, a central park and the recently acquired lake parks on Joe Pool Lake.

Ripley's Believe It Or Not, The Palace of Wax and Trader's Village in the City are popular entertainment and shopping locations. Nearby are Six Flags over Texas in Arlington and zoos, art museums, symphonies and ballet in Dallas and Fort Worth.

- One of three Class 1 horse-racing tracks in Texas, Lone Star Park at Grand Prairie opened for live races in April 1997. The track's simulcast pavilion opened in mid-1996.
- Professional Sports: the Dallas Cowboys of the National Football League, the Texas Rangers of Major League Baseball, the Dallas Mavericks of the National Basketball Association, the Dallas Stars of the National Hockey League, the FC Dallas of Major League Soccer and the Grand Prairie Air Hogs of the American Associate of Independent Baseball. All have home games within 5-25 minutes of the City.
- NCAA-event schools: Southern Methodist University and Texas Christian University in Dallas and Fort Worth.

Cedar Hill State Park, just east of south of the City, offers 355, mostly wooded campsites in the Dallas-Fort Worth hill country. Among park facilities are two lighted fishing jetties and boat access to Joe Pool Lake.

EDUCATION

Seven public universities and eight independent universities, including health related education facilities, in the region totaled enrollment of 139,860 in 2010 (Texas Higher Education Coordinating Board). The universities, among them University of Texas campuses (Arlington and Dallas), offer programs from engineering to business and degrees from bachelor's to medical doctorates.

The Dallas and Tarrant counties public community colleges - the nearest of them Mountain View in Dallas, North Lake in Irving, Cedar Valley in Lancaster, the Southeast campus of Tarrant County College in Arlington, and El Centro in Dallas - counted over 140,000 students in 2010 (Texas Higher Education Coordinating Board). Additionally, three technically oriented post-secondary schools are within 30 minutes of the City.

In addition to their degree programs, many of these colleges and universities offer business consulting, employee training specific to a company's skill demands, community health care services, economic and land development research, computer and information services and library facilities open to the community.

Grand Prairie Independent School District (the "GPISD") and the Arlington ISD (the "AISD") predominate among the six school districts with boundaries in the City.

GPISD comprises 24 elementary schools, seven middle schools, two ninth grade centers, four senior high schools, one alternative education school and one early childhood center. Students whose residences are on the Dallas County side of the City attend GPISD.

Students who reside in Tarrant County and Grand Prairie attend AISD, which comprises of nine high schools, 13 junior high schools, and 52 elementary schools (six in the City). AISD has no junior high schools or high schools in the City.

APPENDIX B

EXCERPTS FROM THE
CITY OF GRAND PRAIRIE, TEXAS
ANNUAL FINANCIAL REPORT

For the Year Ended September 30, 2009

The information contained in this Appendix consists of excerpts from the City of Grand Prairie, Texas Annual Financial Report for the Year Ended September 30, 2009, and is not intended to be a complete statement of the City's financial condition. Reference is made to the complete Report for further information.

(This Page Intentionally Blank)

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of
the City Council
CITY OF GRAND PRAIRIE, TEXAS

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund and the aggregate remaining fund information of the City of Grand Prairie (the City) as of and for the year ended September 30, 2009, which collectively comprise the City's basic financial statements, as listed in the table of contents. These basic financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these basic financial statements based on our audit. We did not audit the component unit financial statements for the Grand Prairie Housing Finance Corporation. Those financial statements were audited by other auditors in accordance with auditing standards generally accepted in the United States of America, whose report thereon has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Grand Prairie Housing Finance Corporation is based on the report of other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of other auditors provide a reasonable basis for our opinions.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2010 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

In our opinion the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Grand Prairie at September 30, 2009, and the respective changes in financial position and cash flows, where applicable, thereof, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

City of Grand Prairie, Texas
March 24, 2010

Page 2

The accompanying management's discussion and analysis, and budget to actual schedules for the General Fund, Crime Tax Sales Tax Fund and Section 8 Fund and schedule of funding progress are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was made for the purpose of forming opinions on the basic financial statements taken as a whole. The introductory section, combining and individual fund financial statements and schedules and statistical tables listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements of the City. The combining and individual fund financial statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects in relation to the basic financial statements taken as a whole. The introductory section and statistical tables have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on such data.

WEAVER AND TIDWELL, L.L.P.

Dallas, Texas

MANAGEMENT'S DISCUSSION & ANALYSIS

(This Page Intentionally Blank)

**CITY OF GRAND PRAIRIE, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2009
(Unaudited)**

As management of the City of Grand Prairie, Texas (the "City"), we offer to readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended September 30, 2009. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal. Also, unless otherwise indicated, all amounts presented are for the City's primary government and exclude any component unit.

FINANCIAL HIGHLIGHTS

- The assets of the City exceeded its liabilities (net assets) at September 30, 2009 by \$613,704,496. Of this amount, \$190,442,945 may be used to meet the government's ongoing obligations to citizens and creditors (unrestricted net assets).
- The City's net assets increased by \$35,407,791 for the fiscal year ended September 30, 2009. Capital contributions from private developers for improvements to the City's infrastructure accounted for \$7,829,955 or 22.1% of the increase in city net assets.
- The City's governmental funds reported combined ending fund balances of \$189,086,447 at September 30, 2009, a decrease of \$33,905,583 in comparison with prior year combined fund balances. Of the governmental funds reported combined fund balances, \$174,727,109 or 92.4% is available for spending within City guidelines (unreserved fund balance).
- The City's unreserved fund balance for the general fund was \$29,769,771 at year end or 35.9% of total general fund expenditures for the reported fiscal year.
- The City's total long-term liabilities of \$416,244,196 increased by \$21,832,717 or 5.5% during the reported fiscal year. In fiscal year 2009, the City issued general obligation, certificates of obligation, water and wastewater revenue, and TIF-related certificates of obligation and Sales Tax Revenue bonds totaling a combined \$40,585,000.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves. Such supplementary information is unaudited and is presented to provide the reader with additional information for further analysis.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to that of a private-sector business.

The statement of net assets presents information on all of the City's assets and liabilities, with the difference between the two reported as net assets. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The statement of activities presents information showing how the government's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (government activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include public safety, recreation and leisure, development services, and the general government support services. Development services includes among other services the City's planning, public works, transportation, housing, and community development activities. The business-type activities of the City include water and wastewater system, a solid waste sanitary landfill, a storm water drainage utility system, a municipal airport, and municipal golf courses.

The government-wide financial statements include not only the City itself (known as the primary government), but also the Grand Prairie Sports Facilities Development Corporation, Inc. (the "Sports Corporation") and the Grand Prairie Housing Finance Corporation ("HFC") as component units. Both are legally, financially, and administratively autonomous separate corporations. HFC issues tax exempt revenue bonds to supply mortgage financing for low income home buyers and multi-family developments, and engages in other affordable housing activities. The Sports Corporation oversees the Lone Star Park at Grand Prairie horse track facility.

The Crime Control and Prevention District is a legally separate entity that is financially accountable to the City. A blended presentation has been used to report the financial information of this component unit.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds. The City does not have any funds that are used to account for resources held for the benefit of parties outside the government (fiduciary funds).

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar

information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City has six major governmental funds: General Fund, Crime Tax Fund, Crime Tax Sales Tax Fund, Section 8 Fund, Street Improvements Fund, and Debt Service Fund. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for each of the major governmental funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements elsewhere in this report.

The City adopts an annual appropriating budget for its General Fund and certain other governmental funds of significance to governance. Budgetary comparison schedules have been provided for the General Fund, Section 8 Fund and Crime Tax Sales Tax Fund to demonstrate compliance with this budget.

Proprietary funds. The City maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities of the government-wide financial statements. The City uses enterprise funds to account for its respective water and wastewater system, solid waste sanitary landfill, storm water utility, municipal airport, and municipal golf courses operating, investing, and financing activities. Internal service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for vehicle and equipment maintenance and the premiums, deductibles, and claims for all insurance programs (e.g. employee health, workers compensation, general liability, etc.). Because these services benefit both governmental and business-type functions, they have been allocated to both activities in the government-wide financial statements in proportion to services received.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The City has five enterprise funds of which one is a major enterprise fund: the Water Wastewater Fund. Data from the other enterprise funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for each of these non-major enterprise funds is provided in the form of combining statements elsewhere in this report. The City's two internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the City's internal service funds is provided in the form of combining statements elsewhere in this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the City's progress in funding its obligation to provide pension benefits to its employees.

The combining statements referred to earlier in connection with non-major governmental funds, non-major enterprise funds, and internal service funds are presented immediately following the required supplementary information.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. In the case of the City, assets exceeded liabilities by \$613,704,496 at year end. The City had total assets at year end of \$1,065,513,889. The City's pooled cash and investments totaling \$285,747,956 and capital assets (e.g., land, buildings, equipment, infrastructure, and construction in progress), net of accumulated depreciation totaling \$753,230,432 represented 26.8% and 70.7%, respectively, of total government assets.

The City's investment in capital assets, less any related debt used to acquire those assets that is still outstanding, totaled \$410,285,815 and represented 66.9% of the City's total net assets at year end. The City uses its capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Table 1 below is a summary of the City's net assets at year end compared to the prior year.

Table 1

Net Assets

	Governmental		Business-Type		Total	
	Activities		Activities		Primary Government	
	9/30/2008	9/30/2009	9/30/2008	9/30/2009	9/30/2008	9/30/2009
Cash & investments	\$ 235,342,287	\$ 210,680,613	\$ 70,549,144	\$ 75,067,343	\$ 305,891,431	\$ 285,747,956
Other assets	18,171,570	18,021,087	6,597,723	8,514,414	24,769,293	26,535,501

Total assets	<u>723,965,575</u>	<u>773,973,407</u>	<u>279,205,941</u>	<u>291,540,482</u>	<u>1,003,171,516</u>	<u>1,065,513,889</u>
Current liabilities	22,893,342	27,452,769	7,569,990	8,089,000	30,463,332	35,541,769
Long-term bonded debt	302,296,157	322,855,239	74,128,348	75,007,956	376,424,505	397,863,195
Other noncurrent liabilities	12,766,933	13,229,933	5,220,041	5,174,496	17,987,004	18,404,429
Total liabilities	<u>337,956,432</u>	<u>363,537,941</u>	<u>86,918,379</u>	<u>88,271,452</u>	<u>424,874,841</u>	<u>451,809,393</u>
Net assets:						
Invested in capital assets, net of related debt	265,961,757	271,217,903	129,219,761	139,067,912	395,181,518	410,285,815
Restricted	5,491,185	9,302,232	3,343,171	3,673,504	8,834,356	12,975,736
Unrestricted	114,556,201	129,915,331	59,724,630	60,527,614	174,280,831	190,442,945
Total net assets	<u>\$ 386,009,143</u>	<u>\$ 410,435,466</u>	<u>\$ 192,287,562</u>	<u>\$ 203,269,030</u>	<u>\$ 578,296,705</u>	<u>\$ 613,704,496</u>

A portion of the City's net assets totaling \$12,975,736 or 2.1% represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net assets may be used to meet the government's ongoing obligations to citizen's and creditors.

At the fiscal year end, the City is able to report positive balances in all three categories of net assets, for both governmental and business-type activities.

The City's net assets increased by \$35,407,791 in fiscal year 2009. As previously mentioned, \$7,829,955 or 22.1% of the increase is attributable to the revenue recognition of private developer capital contributions for improvements to the City's infrastructure. The remaining increase represents the degree to which revenues have exceeded expenses.

The fiscal year 2009 compared to fiscal 2008 changes in the City's net assets were as follows:

Table 2

Changes in Net Assets

Increase in net assets before transfers	29,175,465	25,539,160	9,961,443	9,868,631	39,136,908	35,407,791
Transfers	2,553,427	(1,112,837)	(2,553,427)	1,112,837	-	-
Change in net assets	31,728,892	24,426,323	7,408,016	10,981,468	39,136,908	35,407,791
Net assets - beginning of year -as previously stated	355,047,037	386,009,143	184,879,546	192,287,562	539,926,583	578,296,705
Prior period adjustment	(766,786)	-	-	-	(766,786)	-
Net assets - end of year	\$ 386,009,143	\$ 410,435,466	\$ 192,287,562	\$ 203,269,030	\$ 578,296,705	\$ 613,704,496

The changes in the City's general revenues from prior year excluding contributions and transfers were as follows:

Table 3
General Revenue Comparison
For the Year End

	<u>Fiscal Year</u> <u>9/30/08</u>	<u>Fiscal Year</u> <u>9/30/09</u>	<u>Increase</u> <u>(Decrease)</u>
Governmental activities:			
Property taxes	\$ 69,813,294	\$ 76,687,029	\$ 6,873,735
Sales taxes	39,665,104	40,376,226	711,122
Other taxes	1,414,822	1,231,899	(182,923)
Franchise fees	11,847,401	12,531,556	684,155
Investment income	7,444,199	6,688,474	(755,725)
Total governmental activities	<u>130,184,820</u>	<u>137,515,184</u>	<u>7,330,364</u>
Business-type activities:			
Investment income	<u>2,448,108</u>	<u>2,063,618</u>	<u>(384,490)</u>
Total business-type activities	<u>2,448,108</u>	<u>2,063,618</u>	<u>(384,490)</u>
Total general revenues	<u>\$ 132,632,928</u>	<u>\$ 139,578,802</u>	<u>\$ 6,945,874</u>

Property tax revenue increased \$6,873,735 due primarily to a 5.96% increase in net taxable assessed property values. Sales tax revenue increased \$711,122 due to a state reallocation of prior years' sales tax payments. Franchise fee revenue increased \$684,155 because of increased gross revenues of payers. Investment income decreased by \$1,140,215 because of the changes in interest earning rate.

Governmental activities. Net assets for governmental activities increased by \$24,426,323, thereby accounting for 69% of the total increase in the government's net assets. Of the increase, contributions of infrastructure by private developers to the city represented 22.1%. An increase in governmental general revenues (excludes operating transfers) compared to prior fiscal year represented 30% of the total increase in governmental net assets. The remaining increase represents the degree to which program revenues exceeded expenses. The City's operating grants and contributions revenues decreased by \$8,540,154 reflecting decreases in grant funding. Increases in charges for services resulted from a high level of development activity and increases in fines and forfeitures due to vigorous collection efforts. The \$5,637,054 decrease in capital grants and contributions was primarily due to a decline in development and the local economy.

Expenses for governmental activities also increased. Fuel prices, rising costs of health insurance and increased interest expense due to debt issuance were the primary factors.

Business-type activities. Business-type activities increased the City's net assets by \$10,981,468, accounting for 31% of the total growth in the primary government's net assets. Of the increase, impact fees by private developers to the City's water and wastewater system infrastructure represented \$1,073,689 or 9.8%. Table 2 summarizes the changes in business-type activities net assets.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

For fiscal year 2009, the City's governmental funds (excluding internal service funds) reported combined ending fund balances of \$189,086,447, a decrease of \$33,905,583 in comparison with the prior year. The unreserved fund balance portion is 92.4% and is available for spending at the government's discretion. The remainder is reserved to indicate that it is not available for new spending because it has already been committed 1) to liquidate inventories, contracts and purchase orders of the prior period - \$4,133,105, 2) to pay debt service - \$10,056,483, and 3) for prepaid items - \$169,750. Figures 1 and 2 that follow show the distribution of governmental funds sources of revenues - \$292,449,818 and expenditures - \$326,355,401 respectively, for fiscal year 2009.

Other sources of revenues include general fund general and administrative charges, transfers, gain on sale of capital assets, and other operating revenues.

Figure 2 - Governmental Funds Expenditures

The General Fund is the chief operating fund of the City. At the fiscal year end, unreserved fund balance of the General Fund was \$29,769,771, while total fund balance was \$30,346,057. As a measure of the General Fund's liquidity, it may be useful to compare both unreserved fund balance and total fund balance to total fund expenditures. Unreserved fund balance represents 35.9% of total general fund expenditures, while total fund balance represents 36.6% of that same amount. The City's General Fund balance increased by \$6,059,322 in fiscal year 2009.

Fund balances of several other governmental funds changed significantly. Fund balance of the Street Improvements Fund decreased by \$3,543,224 due to an increase in street improvements. Section 8 Fund saw a decrease of \$590,172 in fund balance due to decreased HUD funding and Debt Service Fund increased by \$1,917,025 due to increased property tax revenue. The fund balance of the nonmajor governmental funds decreased by \$5,474,121 because of decreased sales tax revenue and commercial development during the year.

Proprietary funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The net assets of the City's enterprise funds and internal service funds were \$201,490,000 and \$9,916,289, respectively at September 30, 2009. The City's internal service funds reported a gain before transfers and capital contributions of \$3,217,137. The enterprise funds' amount invested in capital assets, net of related debt represented 69% of total enterprise funds net assets. The enterprise funds unrestricted net assets were 29.2% of total enterprise funds net assets. The internal service funds' amount invested in capital assets, net of related debt represented 8.4% of total internal service funds' net assets. The internal service funds unrestricted net assets were 91.6% of total internal service funds' net assets. Other factors concerning the finances of the proprietary funds have already been addressed in the discussion of the government-wide financial statements and business-type activities. The following Figures 3 and 4 show the proprietary funds revenues of \$87,246,647 and expenses of \$78,322,736 (excluding transfers and capital contributions) by activity.

Figure 3 - Proprietary Funds Revenues by Activity

Figure 4 - Proprietary Fund Expenses by Activity

General Fund Budgetary Highlights

For the reported fiscal year, revenues exceeded budgetary estimates by \$1,626,525. Expenditures were under budgetary estimates by \$6,560,816 primarily due to a city-wide effort to reduce all expenditures due to the declining economy. The fund realized an increase in fund balance of \$6,059,322 due to the city-wide effort in controlling cost. The City traditionally budgets revenue conservatively which frequently results in positive budgetary variances.

Capital Asset and Debt Administration

Capital assets. The City's investment in capital assets, net of accumulated depreciation, for its governmental and business-type activities at fiscal year end amounted to \$753,230,432. This investment includes land, buildings, improvements other than buildings (includes infrastructure), machinery and equipment, and construction in progress. The City's capital assets increased by \$80,719,640 in fiscal year 2009.

Major capital asset events during the reported fiscal year included the following:

- Private developer capital contributions of \$7,829,955 to the City's streets, water, sewer, and drainage infrastructure in connection with various residential and commercial developments.
- Capital outlay totaling \$42,946,369 for equipment, and improvements in the Crime Tax District.
- Capital outlay totaling \$11,928,016 for Street Improvement Fund includes various streets, sidewalks, entryways, pedestrian pathways and intersections in the City.
- Water and wastewater capital improvements totaling \$8,774,137.

The City's capital assets, net of accumulated depreciation, at fiscal year-end was as follows:

Table 4

Capital Assets*

	Governmental		Business-Type		Total Primary	
	Activities		Activities		Government	
	9/30/08	9/30/09	9/30/08	9/30/09	9/30/08	9/30/09

* See note 3.a.2 for more detailed information on the City's capital assets.

Long-term debt. At September 30, 2009, the City had the following long-term liabilities excluding amounts due within one year:

Table 5

Long-Term Debt*

	Governmental Activities		Business-Type Activities		Total Primary Government	
	9/30/08	9/30/09	9/30/08	9/30/09	9/30/08	9/30/09
Bonded debt	\$ 302,296,157	\$ 322,855,239	\$ 74,128,348	\$ 75,007,956	\$ 376,424,505	\$ 397,863,195
Accrued compensated absences	12,279,060	12,455,737	362,938	376,092	12,641,998	12,831,829

Closure and post closure liability	-	-	4,857,103	4,798,404	4,857,103	4,798,404
Total long-term debt	<u>\$ 315,063,090</u>	<u>\$ 336,061,744</u>	<u>\$ 79,348,389</u>	<u>\$ 80,182,452</u>	<u>\$ 394,411,479</u>	<u>\$ 416,244,196</u>
Long-term debt to net assets percentage	82%	82%	41%	39%	68%	68%

Of the total bonded debt, \$269,816,470 or 67.8% is debt backed by the full faith and credit of the government with a property tax pledge.

During the reported fiscal year, the City issued \$40,585,000 in new bonded debt and repaid principal on bonds totaling \$19,380,160. The City's interest expense on its bonded debt was \$15,772,516 for the reported fiscal year.

The City's bond ratings by Moody's and Fitch IBCA are currently as follows:

	Moody's	Fitch IBCA	Standard & Poor's
General obligation bonds	n/a	AA	AA+
Sales tax revenue bonds	A1	AA-	n/a
Water and wastewater revenue bonds	n/a	AA	AA+

* See Note 3.b.2 to the financial statements for more detailed information on the City's long-term debt.

Economic Factors and Next Year's Budgets and Rates

The City's elected and appointed officials considered many factors when setting the fiscal year 2010 budget, tax rates and fees that will be charged for the business-type activities. One of the biggest factors is the national economy. Growth rates fell off amid the national mortgage credit crisis and economic recession. Building and development declined both in the residential and commercial sectors. Although the City is largely built out and mature, there are still several areas available for additional growth. The City has experienced above-average population

growth at approximately 3% annually since 2000, which has placed additional demands on the City to maintain or expand services. The City's unemployment rate is currently approximately 8.4% which is below the national unemployment rate of 9.4% for the same period.

These indicators are taken into account when adopting the General Fund budget for fiscal year 2010:

- A decrease in property tax assessed values of 1.8% resulting in less property tax revenues. The lower assessed valuations result in a decrease in budgeted revenues totaling \$1,168,858 as compared to prior fiscal year. The City did not change the property tax rate of 0.669998 per \$100 valuation for fiscal year 2009.
- A 5.1% decrease in budgeted sales tax revenues as compared to prior fiscal year budget due to the recessed economy. There is no change in the City's sales tax rate.
- The City's favorable bond ratings and continued low interest expense rates.

The City expects an overall decrease in other general revenues of governmental activities from the general economic impact to all service sectors. Investment income is expected to decrease from fiscal year 2009 due to lower interest rates earned on new investments of surplus cash compared to the higher rates on maturing securities.

The City's total approved operating appropriations and reserves for fiscal year 2010 is \$198,507,394, an increase of \$5,015,339 or 2.6% as compared to prior fiscal year original budget. The general fund approved appropriations for fiscal year 2010 is \$98,097,926, an increase of \$521,407 or .5% from prior year. The remaining change in total budgeted operating appropriations and reserves includes an increase in \$3,099,114 in the Water Wastewater Fund, \$1,282,270 in various Parks' Funds and \$210,829 in Storm Water Utility Fund.

The City's total approved planned capital projects for fiscal year 2010 includes \$28,509,604 in appropriation requests. The fiscal year 2010 planned capital projects includes \$7,068,211 for water and wastewater improvements, \$13,937,056 in street and signal improvements, \$407,000 in parks improvements and \$1,421,500 in storm drainage improvements.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City Controller, City of Grand Prairie, Texas, 317 College Street, P.O. Box 534045, Grand Prairie, Texas, 75053-4045.

**CITY OF GRAND PRAIRIE, TEXAS
RECONCILIATION OF THE GOVERNMENTAL FUNDS
BALANCE SHEET TO STATEMENT OF NET ASSETS
SEPTEMBER 30, 2009**

Total fund balance - total governmental funds \$ 189,086,447

Capital assets used in governmental activities are not financial resources and therefore are not reported in the governmental funds balance sheet. This is the amount of governmental capital assets excluding internal service capital assets of \$835,106. 544,436,601

Certain receivables will be collected this year, but are not available soon enough to pay for the current period's expenditures and are, therefore, deferred in the funds. 4,195,224

Interest payable on long-term debt does not require current financial resources. Therefore, interest payable is not reported as a liability in the governmental funds balance sheet. (1,397,667)

Internal service funds are used by management to charge cost of certain activities, such as employee health insurance, risk management insurance, and fleet management, to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the government-wide statement of net assets (net of amount allocated to business-type activities of \$1,779,030). 8,137,259

Noncurrent liabilities and the current portion of general long-term debt are not reported as liabilities in the governmental fund balance sheet. This amount represents total noncurrent liabilities related to governmental activities. These noncurrent liabilities are as follows:

General obligation bonds	\$ (93,109,470)	
Certificates of obligation	(107,703,622)	
Sales tax revenue bonds	(27,620,000)	
Sales tax venue revenue bonds	(94,190,000)	
Unamortized bond issuance costs	2,004,771	
Unamortized bond premium/discount, net, and loss on refunding	(351,344)	
Unamortized loss of refunding	119,197	
Compensated absences	(12,421,162)	
Other post employment benefits	(544,453)	
Environmental remediation obligation	(206,315)	(334,022,398)

Net assets of governmental activities \$ 410,435,466

See accompanying notes to basic financial statements.

**CITY OF GRAND PRAIRIE, TEXAS
RECONCILIATION OF THE STATEMENT OF REVENUE,
EXPENDITURES, AND CHANGES IN FUND BALANCE OF
GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2009**

Net change in fund balances - total governmental funds		\$ (33,905,583)
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlay as expenditures. However, in the government-wide statement of activities and changes in net assets, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount of capital assets recorded in the current period.		92,227,467
The net effect of various transactions involving capital assets (ie., sales, trade ins, and contributions) is to decrease net assets.		(58,728)
Depreciation expense on capital assets is reported in the government-wide statement of activities and changes in net assets, but they do not require the use of current financial resources. Therefore, depreciation expense is not reported as expenditures in governmental funds. This is the amount of governmental depreciation excluding internal service funds depreciation \$72,824.		(22,481,092)
Governmental funds do not report developers' contributions as revenues, whereas these amounts are reported in the statement of activities as contributions not restricted to specific programs.		5,160,769
The issuance of long-term debt (e.g. bonds) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets. Also, governmental funds report the effect of issuance cost, premiums, discounts, and similar items when debt is first issued, whereas the amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.		
Bonds issued, net of premium on issuance and issuance costs	(35,429,610)	
Bond principal retirement	15,331,241	
Amortization bond related cost (deferred charge, premium/discount, deferred loss)	(220,535)	(20,318,904)
Some expenses reported in the statement of activities do not require the use of current financial resources, therefore, are not reported as expenditures in governmental funds.		
Change in compensated absences	(181,750)	
Change in accrued interest	131,453	
Change in Other Post Employment Benefit	(56,580)	
Change in Pollution Remediation Obligation	(206,315)	(313,192)
Some property tax and intergovernmental revenues will not be collected for several months after the city's fiscal year end. These are not considered "available" revenues in the governmental funds until received. Change in amount deferred on fund statements.		2,152,292
Internal service funds are used by management to charge the costs of certain activities, such as insurance and fleet maintenance, to individual funds. The net revenue of the internal service funds is reported with governmental activities net of the amount allocated to business-type activities (\$489,995).		1,963,294
Change in net assets of governmental activities		<u><u>\$ 24,426,323</u></u>

See accompanying notes to basic financial statements.

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Introduction

The City of Grand Prairie (“City”) is one of the Mid-Cities in the Dallas-Fort Worth Metroplex, 12 miles west of downtown Dallas, 18 miles east of downtown Fort Worth and 6 miles south of DFW International Airport. The City was incorporated in 1909, and adopted the Council-Manager form of government in 1948.

The services provided by the City are diverse. The financial position, results of operations and budgets (where legally adopted) of these multi-faceted services are all included in the City’s financial “reporting entity,” as more fully described in the subsequent section of this Note.

The City reports in accordance with accounting principles generally accepted in the United States of America (“GAAP”) as established by the Governmental Accounting Standards Board (“GASB”) and the Financial Accounting Standards Board (“FASB”). The accounting and reporting framework and the more significant accounting principles and practices are discussed in subsequent sections of this Note. The remainder of the Notes are organized to provide concise explanation, including required disclosures of budgetary matters, assets, liabilities, fund equity, revenues, expenditures/expenses, and other information considered important to gaining a clear picture of the City’s financial position and results of operations as of and for the fiscal year ended September 30, 2009.

b. Financial Reporting Entity

Knowledge of the definitions for the following terms is important to the reader’s understanding of the Notes:

Reporting Entity – The primary government and all related component units are combined to constitute the financial reporting entity.

Primary Government – The core or nucleus of the financial reporting entity. The City’s services include primarily the traditional local government responsibilities of public safety, streets and transportation, water and wastewater, solid waste collection and disposal, environmental health, leisure services and general aviation airport.

Blended Component Units – A legally separate governmental unit that is an extension of the primary government whereby the component unit’s governing body is substantively the same as the primary government, provides services almost entirely to the primary government, and almost exclusively benefits the primary government.

Discretely Presented Component Units – A legally separate governmental unit or organization for which the elected officials of the primary government are financially accountable, and which is reported in a column separate from the primary government within the combined financial statements.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

1) Blended Component Unit

Component Unit – Grand Prairie Crime Control and Prevention District

The Grand Prairie Crime Control and Prevention District (“District”) is used to account for the accumulation and use of quarter-cent sales tax proceeds dedicated to fund a new Public Safety Facility. The District is reported as a special revenue fund of the primary government. The Board of Directors of the District is substantively the same as the City Council. There are seven directors on this board, and, all of them are council members constituting a voting majority of the City Council. Upon dissolution of the District, the entity’s assets will be distributed to the City. This unit provides all its services to the City. Their financial statements were obtained from the respective Board of Directors. Financial information for this unit may be obtained from the City.

2) Discretely Presented Component Unit

Component Unit – Sports Corporation

Although the Sports Corporation is legally, financially and administratively autonomous, its Board of Directors is appointed by the Grand Prairie City Council. Additionally, four of the seven Sports Corporation board members are members of the Grand Prairie City Council. Therefore, the Sports Corporation should be included within the financial reporting entity of the City; as such, the financial statements of the component unit have been included in the financial reporting entity as a discretely presented component unit. The component unit column is reported as a separate column in the combined financial statements to emphasize it as a legally separate entity from the City.

The Sports Corporation was incorporated on June 10, 1992, under the provisions of the Development Corporation Act of 1979, as amended, Article 5190.6, Texas Revised Civil Statutes Annotated, as amended (“Act”) by Resolution No. 2841 of the Grand Prairie City Council. The purpose of the Sports Corporation is to promote economic development within the City in order to reduce unemployment and underemployment, and to promote and encourage employment and the public welfare of, for, and on behalf of the City by developing, implementing, providing and financing projects authorized under the Act.

The Act provides that the City may levy a one-half cent sales and use tax for the benefit of the Sports Corporation if the tax is authorized by a majority of the qualified voters in an election. On January 18, 1992, a majority of the voters approved a proposition to levy and collect an additional one-half cent sales and use tax for the purpose of constructing a horse racetrack. The one-half cent sales and use tax increase became effective April 1, 1993. The one-half cent sales and use tax may be used to pay the costs of the project or the principal, interest and other costs relating to any bonds or obligations issued to pay the costs of the project or to refund bonds or obligations issued to pay the cost of the project. All bonds were redeemed on September 15, 2007. The sales tax was discontinued on September 30, 2007.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The activities of the Sports Corporation are similar to those of proprietary funds, and, therefore, are reported as an enterprise fund. The activities of the Sports Corporation are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation of the Sports Corporation are included in a single fund. Transactions are accounted for using the accrual basis of accounting.

Complete September 30, 2009 financial statements for the Sports Corporation may be obtained at its administrative office.

3) Discretely Presented Component Unit

Component Unit – Housing Finance Corporation

The Grand Prairie Housing Finance Corporation (HFC) was created to issue tax-exempt revenue bonds to supply mortgage financing for low income home buyers and multi-family development. While the entity is legally, financially and administratively autonomous, the governing body of the City of Grand Prairie may, at its sole discretion, and at any time, amend HFC's Articles of Incorporation, and alter or change its structure, programs or activities, or terminate or dissolve it. Additionally, members of the Board of Directors are appointed by and may be removed by the City Council. The city is not financially obligated for any debt of the HFC. Complete separate December 31, 2008 financial statements for HFC may be obtained from the City.

4) Related Autonomous Entities

Related autonomous entities are those entities whose boards of directors are appointed by the City Council, but over which the City is not financially accountable, and are therefore excluded from the reporting entity. These include:

- Grand Prairie Health Facilities Development Authority – created to issue tax-exempt revenue bonds to finance medical facilities. The Authority's bonds have been defeased, and the Authority only exists to make decisions from time to time regarding the defeased bonds. The City exercises no control over the Authority or its budget.
- Grand Prairie Industrial Development Authority – created to issue tax-exempt industrial revenue bonds to assist in the City's economic development and to evaluate tax abatement applications. The City exercises no control over the Authority's management, budget or operations.

c. Government-wide financial statements and fund financial statements

The government-wide financial statements (i.e., the statement of net assets and the statement of changes in net assets) report information on the activities of the primary government and its component unit. Activity for the primary government and its component unit are reported separately in the government-wide financial statements. The effect of interfund activity between governmental activities and business-type activities

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

has been eliminated in these statements except that business-type activities include charges for administrative overhead services provided by the governmental activities.

Governmental activities are supported in part by property taxes, sales taxes, franchise fees, and grant revenues from the federal government and the State of Texas. Governmental activities are reported separately from *business-type activities*, which rely to a large extent on fees and charges for support. Significant revenues generated from business-type activities include: charges to customers for water and wastewater services, golf course fees, airport user charges, wastewater tap fees and reconnection fees.

The statement of activities reports the change in the City's net assets from October 1, 2008 to September 30, 2009. This statement demonstrates the degree to which the direct expenses of a given function of government are offset by program revenues. Specifically, the City has identified the following functions of government: support services, public safety services, recreation and leisure services, development services, water sales, wastewater services, solid waste services, storm water services, airport operations, and golf course operations. *Direct expenses* are those that are clearly identifiable with a specific function of City government. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues* in the statement of activities.

In addition to the government-wide financial statements, the City also reports separate financial statements for major governmental funds and proprietary funds; these statements are classified as *fund financial statements*. The fund financial statements are organized on the basis of funds, each of which is considered a separate accounting entity with self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenses. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Each fund is accounted for by providing a separate set of self-balancing accounts which constitute its assets, liabilities, fund equity, revenues and expenditures/expenses. Funds are ordered into two distinct categories: governmental and proprietary. Information in the fund financial statements is reported on a major fund basis. The calculation of major funds is conducted by the City each year under the methods outlined in GASB Statement No. 34. Major individual governmental funds and major individual proprietary funds are reported as separate columns in the fund financial statements. The major funds at September 30, 2009, are as follows: general fund, crime tax fund, street improvement fund, section 8 fund, a debt service fund, and water/wastewater fund. Non-major funds are reported in the aggregate as "Other Funds." The various funds are summarized by type in the fund financial statements.

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

Major governmental funds include the following:

General Fund: The General Fund is the primary operating fund of the City. This fund is used to account for all financial resources of the general government, except those required to be accounted for in another fund.

Crime Tax CIP Fund: This fund accounts for the construction of the City's new public safety building.

Crime Tax Sales Tax Fund: Approved by the Grand Prairie voters, a one-quarter cent sales and use tax was levied for the benefit of the Crime Control District. Proceeds from the one-quarter-cent sales tax is being used to pay for debt issued to construct the public safety building.

Section 8 Fund: The fund accounts for grants received from the federal government for providing housing assistance to low income families.

Street Improvements Fund: This fund accounts for the costs of street improvements in the City financed through general obligation bond proceeds, and other dedicated sources.

Debt Service Fund: The City's Debt Service Fund accounts for the accumulation of financial resources for the payment of principal and interest on the City's general obligation (property tax supported) debt.

Major enterprise fund includes the following:

Water/Wastewater Fund: This fund accounts for water and wastewater system services provided for residents of the City, including administration, operations, maintenance, debt service, billing and collection. The City has no treatment facilities for water or wastewater. Treated water is purchased from the Dallas Water Utilities ("DWU") and Trinity River Authority ("TRA"), and water is pumped from City-owned wells. The City owns the wastewater collection system and all of the wastewater treatment is provided by the TRA. The contracts with DWU and TRA are discussed elsewhere in the Notes.

d. Measurement Focus and Basis of Accounting

1) Governmental Funds

The City uses the modified accrual basis of accounting and the flow of current financial resources measurement focus for all governmental funds. Under the modified accrual basis of accounting, revenues are recognized when both "measurable and available." Measurable means knowing, or being capable of calculating or estimating the amount to be received. Available means collectible within the current period or soon enough thereafter to pay current liabilities (generally 60 days). Also, under the modified accrual basis of accounting, expenditures (including capital outlay) are recorded in the period when the related fund liability is incurred, except for general obligation bond principal and interest which is recorded when due rather than when incurred.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Major revenue sources susceptible to accrual in the governmental funds include:

- Sales taxes are collected by the State and remitted to the City monthly in 60 days arrears. The City recognizes sales taxes revenues when collected from the State. Additional amounts estimated to be collectible in time to be a resource payment of obligations incurred during the fiscal year and therefore susceptible to accrual in accordance with General Accepted Accounting Principles have been recognized as revenue. The City allocates its sales taxes revenues to the General Fund, Street Maintenance Fund, and Park Venue Fund pursuant to City ordinances. The Sports Corporation receives monthly sales taxes revenues from the State separate from the City.
- Franchise fees are remitted regularly by franchise owners for gas, electric, telephone and cable utilities. Franchise fees are also paid by the City's Water and Wastewater Fund, Solid Waste Fund and Storm Water Utility Fund. The fees are not taxes, but compensate the City for the use of public right-of-way by the utilities. Amounts earned but not collected at fiscal year end are recorded as accounts receivable. Amounts earned at fiscal year end and collected within 60 days are recorded as revenue.
- Property taxes are billed and collected by the Dallas County Tax Assessor based on assessed taxable values each January 1 as determined by the Dallas Central Appraisal District using exemptions approved by the City. Taxes are levied and due on the next October 1 and are past due after February 1 of the following year. Tax liens are automatic on January 1 for each year of tax levy. Property tax receivables are recorded on October 1 when taxes are assessed with a reserve estimate for un-collectibles. Property tax revenues are recorded as the taxes are collected. Delinquent tax payments are recognized as revenue when both measurable and available. Additional amounts estimated to be collectible in time to be a resource payment of obligations incurred during the fiscal year and therefore susceptible to accrual in accordance with General Accepted Accounting Principles have been recognized as revenue.
- Intergovernmental grant revenues are recognized when available and the qualifying expenditures have been incurred and all other grant requirements have been met for expenditure-driven grants.
- Interest revenues are recognized as earned as they are measurable and available.
- Interfund services provided and/or used by other funds are reported as "general and administrative revenue/expenses" and represent direct charges/payments for services provided to one or more other funds. Allocations of indirect costs are included in transfers in/out between funds and not reported as revenues or expenditures.

2) Proprietary Funds

The accrual basis of accounting and flow of economic resources measurement focus are used in all proprietary fund types. Under the accrual basis of accounting, revenues are recognized when earned, and expenses (including depreciation) are

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS SEPTEMBER 30, 2009

recorded when the liability is incurred. Private-sector standards of accounting and financial reporting (as issued by the Financial Accounting Standards Board) issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the GASB. Governments also have the option of following subsequent private-sector guidance for enterprise funds, subject to the same limitation. The City has elected not to follow subsequent private-sector guidance.

The accounting objectives for proprietary funds are the determination of net income, financial position and cash flows. Proprietary fund equity is segregated into (1) invested in capital assets, net of related debt; (2) restricted net assets, and (3) unrestricted net assets.

Proprietary funds distinguish operating revenues and expenses from the non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise funds and the City's internal service funds are charges to customers for water sales, utility charges, and municipal golf course fees. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the City Council is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the City Council has decided that periodic determination of revenues earned, expenses incurred and/or net income (loss), is appropriate for capital maintenance, public policy, management control, accountability or other purposes. The enterprise funds of the City are classified as business-type activities in the government-wide statements of net assets and activities.

Internal Service Funds

Internal service funds are used to account for the financing of goods or services provided by one department to other departments within the City, on a cost-reimbursement basis. The City has two internal service funds, which include:

- Equipment Services Fund – accounts for a full range of services in managing and maintaining the City's fleet of vehicles and equipment.
- Risk Management Fund - accounts for premiums, deductibles and claims for the City's property, liability and workers compensation and employee health and life insurance programs. The City reports all risk financing activities in the Risk Management Fund.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

e. Assets, Liabilities, Fund Balance/Net Assets and Other

1) Pooled Cash, Investments and Temporary Deposits

The City’s cash, investments and temporary deposits are pooled for investment. Interest earnings are allocated to the City’s funds during the year based upon the City’s adopted budget. For purposes of the statements of cash flows, the City considers cash on hand, demand deposits and investments with original maturities of three months or less to be cash equivalents.

2) Inventories

Inventory is recorded at cost when purchased, with a corresponding reservation of fund balance shown for governmental fund-type inventories, and charged to expenditures when consumed. General Fund supplies and materials inventory are recorded as expenditures on an actual specific cost basis. The Water and Wastewater Fund supplies and materials inventory is charged out on a first-in, first-out basis. Equipment Services Fund, included as “Other Governmental Funds” in the fund financial statements, charges supplies and materials out on a first-in, first-out basis and its gasoline inventory is charged out on a moving average basis. The Municipal Airport Fund, included as “Other Proprietary Funds” charges fuel inventory on a moving average basis.

3) Capital Assets and Depreciation

Capital assets (i.e. land, buildings, equipment, improvements other than buildings, which includes the City’s infrastructure, and construction in progress) of all the funds are stated at historical cost or estimated historical cost if historical cost is not known. Donated capital assets are recorded at their fair value on the date donated. An item is classified as an asset if the initial, individual cost is \$5,000 or greater. Capital assets of the City are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and in the proprietary fund financial statements. Assets subject to depreciation are depreciated using the straight-line method. The estimated useful lives of all depreciable assets are as follows:

Buildings	20-50 years
Machinery and Equipment	5-15 years
Improvements other than Buildings	20-40 years
Infrastructure	20-40 years

4) Encumbrances

Encumbrance accounting is used for the General Fund, Crime Tax Fund, Street Improvement Fund and other governmental funds. Encumbrances are recorded when a purchase order is issued, and encumbrances are not considered expenditures until a liability for payment is incurred. Encumbrances are reported as a reservation of fund balance on the governmental funds’ balance sheet, and on October 1, each year are

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

carried forward, along with the prior year's related appropriation, and added to the new year's budget.

In addition to encumbrances, a separate work order system based upon approved contracts is used to manage disbursements for capital projects.

5) Compensated Absences

Employees are granted vacation benefits in varying amounts, depending on tenure with the City. These benefits accumulate pro rata by pay period. The employee's right to use accumulated vacation and to receive an accumulated vacation payment upon termination vests after six months of employment. Fire and police civil service employees and other employees hired prior to 1976 are paid up to 90 days sick leave upon retirement. The valuation of the frozen civil service sick leave is at current pay rates, while the valuation of the frozen non-civil service sick leave was at 1985 wage levels. The valuation of accrued compensated absences includes salary-related payments such as the City's share of taxes and contributions to the retirement plan in accordance with GASB 16. Long-term accrued compensated absences and those related amounts to be paid in the next fiscal year are reported in the respective columns in the government-wide financial statements and in the proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements. The General Fund is typically used to liquidate the liability for governmental activities' compensated absences. Long-term accrued compensated absences are not expected to be liquidated with expendable available financial resources and are not reported in the governmental fund financial statements.

6) Risk Management

The City currently administers a deductible program for Workers Compensation, all liability, Property, Airport, and Crime claims through the Texas Municipal League Intergovernmental Risk Pool (TMLIRP), a public entity risk pool. The TMLIRP sustains itself through member premiums and stop loss coverage for excess claims through commercial insurers. The City issued a Request for Proposal in June 2009 for all lines of coverage in the Risk program, including Workers Compensation, liability, property, crime, airport and animal mortality coverage. Based on proposal results, the City selected to renew with the TMLIRP.

Coverage	Per Occurrence	Aggregate
General Liability	\$1,000,000	\$2,000,000
Law Enforcement Liability	\$3,000,000	\$6,000,000
Errors and Omissions	\$3,000,000	\$6,000,000
Automobile Liability	\$3,000,000	
Airport Liability	\$10,000,000	\$10,000,000

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The renewal included changes to Workers Compensation deductibles from \$200,000 to \$350,000 and removal of the aggregate retention. All liability deductibles (General, Law Enforcement, Public Officials, and Auto Liability) increased from \$50,000 to \$300,000 with no changes to the per occurrence or aggregate limits. The Mobile Equipment Deductible increased from \$1,000 to \$10,000.

The City’s operating funds are charged premiums for coverage provided by the Risk Management Fund based on approved annual budgets with adjustments based on estimates of the amounts needed to pay prior and current-year claims. These inter-fund premiums are used to reduce the amount of actual expenditures.

Liabilities of the Risk Management Fund are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported (IBNR). The result of the process to estimate the claims liability is not an exact amount as it depends on many complex factors, such as inflation, timing of filed claims, adjudication of claim benefits, changes in legal doctrines, and damage awards. Accordingly, claims are reevaluated periodically to consider the effects of inflation, plan benefit designs, recent claim settlement trends (including frequency and amount of pay-outs), and other economic and social factors. The estimate of the claims liability also includes amounts for incremental claim adjustment expenses related to specific claims and other claim adjustment expenses regardless of whether allocated to specific claims. The total accrued liabilities for the Risk Management Fund based on the recent December 2008 actuarial report, as of September 30, 2009, was \$2,852,057. Below is the change as reported in this most recent report.

The City offers group health coverage to its employees and retirees in plans administered by United Health Care using an escrow account funded by the City with both employee and City contributions. The City allows retired employees to continue participating in its group health insurance program after retirement with a portion of premiums paid by the City. The amount of premiums paid by retirees is based on the retirement date, length of service with the City, plan selected and dependents covered at the time of retirement. The City retains risk for up to \$200,000 per member per year, and transfers risk in excess of this amount to a reinsurer. Reported claims are charged to expense in the period the loss is incurred. The total accrued liabilities for health insurance as of September 30, 2009 were \$974,871.

	Beginning of Fiscal Year <u>Liability</u>	Claims and Change in <u>Estimates</u>	Claim <u>Payments</u>	End of Fiscal Year <u>Liability</u>
2009	\$3,579,302	\$8,969,890	\$8,722,264	\$3,826,928
2008	3,920,507	9,971,974	10,313,179	3,579,302

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

7) Post Employment Benefits Other than Pension Benefits

Current employees who retire from the City of Grand Prairie under a TMRS Retirement / Plan option may elect to remain on the City's medical, dental, and vision insurance plans as long as they meet the following criteria:

- Under age of 65
- Currently working for the City immediately prior to retirement, and
- Payment of required premiums monthly by due date, or within grace period

TMRS Retirement / Plan option may include:

- Service retirement, 25 yrs of TMRS creditable service at any age, or
- Age 60 and 5 years of TMRS creditable service
- Disability/Medical retirement at any age, if approved by TMRS

Eligibility requirements do not vary by type of retirement.

Benefits

Retirees pay a portion of their retiree health care premium based on their years of service with the City of Grand Prairie. The cost of their benefit is based on their years of service with the City of Grand Prairie, the plan selected, and dependent coverage when they retire. The base retiree health care premium is based on the accrual rate, claims costs, and budget for the prior fiscal year.

Active employees do not contribute to the retiree health care premium.

Retiree benefits begin on the first day of the month following retirement. If a retiree is not eligible for employer-paid retiree health benefits, they may purchase medical coverage through COBRA. The rate will depend on the coverage level and the plan they select (i.e., Employee Only, Employee + Spouse, etc.). The rate is determined by the rate structure in place at that time + a 2% administrative fee. The City of Grand Prairie does not contribute to any portion of the COBRA premium, except as mandated by the American Recovery and Reinvestment Act (ARRA) for the applicable eligible period for the federal COBRA subsidy.

Medical coverage for retiree benefits extends only to age 65. Once a retiree reaches age 65, they will be dropped from medical coverage at the beginning of the month in which they turn 65. If a retiree cancels any or all insurance at any time during retirement, they forfeit all rights to coverage through the City for that benefit. If they cancel medical coverage all together, they may not elect medical again in the future for any reason.

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

Spouse Coverage

Retired before 1/1/2009: A spouse who is on the employee's plan at the time of retirement may continue on the plan until the spouse reaches age 65. Spouse coverage continues after the employee reaches the age 65 and after the death of the employee until the spouse reaches the age of 65, as well. Spouse coverage continues even though the employee becomes Medicare eligible.

Rates for spouse coverage are dependent upon the employee's years of service with the City of Grand Prairie. Spouses receive the same benefits as the employee. Surviving spouses of deceased active members are not eligible for retiree health care benefits.

Employees retiring from TMRS effective 12/31/2008 (for a 1/1/09 effective date) or later, and who wish to cover dependents during retirement, must have the dependents covered on their City plan for two full years prior to retirement. (For instance, to cover a spouse effective 1/1/09 for retirement, the spouse must have been covered under your employee plan continuously since 1/1/07).

Child / Dependent Coverage

New dependents gained during retirement (due to marriage or birth) may not be added to the City's plan since they were not eligible at the time of retirement. A retiree may purchase coverage for dependents through COBRA. The rate will depend on the coverage level and the plan they select (i.e., Employee Only, Employee + Spouse, etc.). The rate is determined by the rate structure in place at that time + a 2% administrative fee. The City of Grand Prairie does not contribute to any portion of the COBRA premium. However, the individual may qualify under federal subsidy guidelines through the ARRA.

Medicare

Covered participants are not required to apply for Medicare when eligible, but may remain on the City's insurance. Retirees, however, are required to move off the City's medical plan when they reach age 65 or become Medicare eligible. The City does not contribute to the retiree Medicare premiums.

Opt-outs / Payment-in-lieu / Reimbursements

Retirees that do not continue coverage through our retiree health care plans do not receive payment in lieu of retiree health care.

Types of Coverage Offered

The City offers medical, dental, and vision coverage to eligible retirees.

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Family	1156	1284
Over 65 Retiree (Grandfathered by Age)		
Employee (10-14 years of service)		116
Employee (15-19 years of service)		119
Employee (20-24 years of service)		99
Employee (25-29 years of service)		58
Employee (30+ years of service)		37
Employee plus spouse (10-14 years of service)		264
Employee plus spouse (15-19 years of service)		226
Employee plus spouse (20-24 years of service)		N/A
Employee plus spouse (25-29 years of service)		123
Employee plus spouse (30+ years of service)		88

The Under Age 65 monthly premiums shown above are rates based on 0-5 years of credited service. Employee /retiree premiums will reduce as years of service increase.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Funding Policy and Annual OPEB Cost

The City’s annual other post employment benefits (OPEB) cost is calculated based on the annual required contribution (ARC) of the employer, an amount actuarially determined in accordance with the parameter of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The City had its first OPEB actuarial valuation performed for the fiscal year beginning October 1, 2007 as required by GASB. The City’s annual OPEB cost for the current year is as follows:

Annual required contribution	\$ 1,522,334
Interest on OPEB obligation	21,954
Adjustment to ARC	(20,340)
Annual OPEB cost (expense) end of year	<u>1,523,948</u>
Net estimated employer contributions	<u>1,467,368</u>
Increase in net OPEB obligation	56,580
Net OPEB obligation – as of beginning of the year	<u>487,873</u>
Net OPEB obligation (asset) – as of end of the year	<u><u>\$ 544,453</u></u>

Funding status and funding progress

The funded status of the City’s retiree health care plan, under GASB Statement No. 45, as of December 31, 2007 is as follows:

Actuarial Valuation Date as of December 31, 2007	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)
		\$ 15,782,172	\$ 15,782,172	0%

Under the reporting parameters, the City’s retiree health care plan is 0% funded with an estimated actuarial accrued liability exceeding actuarial assets by \$15,782,172 at December 31, 2007.

Actuarial methods and assumptions

The Projected Unit Credit actuarial cost method is used to calculate the GASB ARC for the City’s retiree health care plan. Using the plan benefits, the present health premiums, and a set of actuarial assumptions, the anticipated future payments are projected. The projected unit credit method then provides for a systematic funding for these anticipated payments. The yearly ARC is computed to cover the cost of benefits being earned by covered members, as well as to amortize a portion of the unfunded accrued liability.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Projections of health benefits are based on the plan as understood by the City and include the types of benefits in force at the valuation date and the pattern of sharing benefit costs between the City and the City’s employees to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. Significant methods and assumptions were as follows:

Actuarial Methods and Assumptions

Investment rate of return	4.5%, net of expenses
Actuarial cost method	Projected Unit Credit Cost Method
Amortization method	Level as a percentage of employee payroll
Salary Growth	3.00% per annum

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the funded status and the annual required contributions of the City’s retiree health care plan are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. The required schedule of funding progress presented as required supplementary information provides multi-year trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

City of Grand Prairie - OPEB Disclosure as of 09/30/2009

Fiscal Year Ended	Employer Annual Required Contribution	Employer Amount Contributed (est.)	Interest on NOO (9) x 4.5%	ARC Adjustment (9) / (6)	Amortization Factor (6)	OPEB Cost (2) + (4) - (5)	Change in NOO (7) - (3)	NOO Balance NPO + (8)
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
09/30/08	\$1,477,994	\$990,121	\$ -	\$ -	23.9854	\$1,477,994	\$487,873	\$487,873
09/30/09	\$1,522,334	\$1,467,368	\$ 21,954	\$ 20,340	23.9854	\$1,523,948	\$56,580	\$544,453

8) Environmental Remediation Obligations

The City has recorded a liability and an asset related to environmental remediation in the amount of \$206,315, on the Statement of Net Assets and on the Statement of Activities. The estimates of the liabilities are prepared by the Environmental Professional Group and by the City’s Environmental Quality Manager and based on a range of expected outlays, net of expected cost recoveries, if any, for the type and amount of pollution contamination detected. The estimates are reviewed and adjusted periodically for price changes, additional contamination and any other changes detected.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

- The City of Grand Prairie owns land and is responsible for the asbestos abatement at 121 and 125 East Main Street. The land was acquired for a future parking lot for the Uptown Theater.
- The City of Grand Prairie owns land and is responsible for the asbestos abatement at 100 West Church Street. The land was acquired for a future county sub-courthouse.
- The City of Grand Prairie owns land and is responsible for the cleanup of heavy metal contamination in the soils and groundwater at Gun Range-Hardrock Road. The land was acquired for a future police department gun range, but recently proposed to be traded to the school district.

Environmental remediation liability activity in fiscal year 2009 was as follows:

Property Description	Beginning Balance 10/1/2008	Additions	Reductions	Ending Balance 9/30/2009	Current Portion
121 and 125 East Main Street	\$ -	\$ 66,315	\$ -	\$ 66,315	\$ 66,315
100 Block West Church Street	-	115,000	-	115,000	115,000
Gun Range-Hardrock Road	-	25,000	-	25,000	25,000
Total	\$ -	\$ 206,315	\$ -	\$ 206,315	\$ 206,315

9) Depository Contract

The City operates under a depository contract in accordance with State law.

10) Deferred Revenue

At fiscal year-end four funds reported deferred revenue. In the general fund and debt service fund, deferred revenue is reported for property tax receivables expected to be collected later than 60-days after the end of the fiscal year. These amounts are \$3,551,807 and \$643,417, respectively. Because the total amount of \$4,195,224 represents unavailable revenue, they are included as property tax revenue at the government-wide level. In the Other Special Revenue funds and the Parks Venue special revenue fund, deposits for scheduled rentals and upcoming events are recorded as deferred income until the rental periods or events are completed. These amounts are \$547,179 and \$169,619, respectively. Because the total amount of \$716,798 represents unearned revenue, these amounts are presented at both the fund level and government-wide level.

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

f. New Accounting Principles

The GASB has issued Statement No. 51, "Accounting and Financial Reporting for Intangible Assets." This statement establishes accounting and financial reporting requirements for intangible assets including easements, water rights, timber rights, patents, trademarks, and computer software. The requirements of this Statement are effective for financial statements for periods beginning after June 15, 2009.

The GASB has issued Statement No. 53, "Accounting and Financial Reporting for Derivative Instruments." This Statement addresses the recognition, measurement, and disclosure of information regarding derivative instruments entered into by state and local governments. Effective date: For periods beginning after June 15, 2009.

The GASB has issued Statement No. 54, "Fund Balance Reporting and Governmental Fund Type Definitions." This Statement is intended to improve the usefulness of information provided to financial report users about fund balance by providing clearer, more structured fund balance classifications, and by clarifying the definitions of existing governmental fund types. Fund balance amounts will be reported in the following classifications: restricted, committed, assigned, and unassigned. Effective date: For periods beginning after June 15, 2010.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

a. Budget Law and Practice

Accounting Standards literature defines three levels of budgetary control which may be employed. These are: (1) appropriated budget, (2) legally authorized nonappropriated budget review and approval process, which is outside the appropriated budget process, and (3) nonbudgeted financial activities, which are not subject to the appropriated budget and the appropriation process or to any legally authorized nonappropriated budget review and approval process, but still are important for sound financial management and oversight.

The City Manager submits annual budgets to the City Council for all budgeted funds in August in accordance with the City Charter. In September, the City Council legally adopted annual fiscal year appropriated budgets for the City's General Fund, Debt Service Fund, Crime Tax Sales Tax Fund, Park Venue Fund, Senior Center Sales Tax Fund, Hotel/Motel Tax Fund, Police Seizure Fund, Municipal Court Fund, Cable Operation Fund and Section 8 Fund. The expenditures budgeted in each fund may not exceed the budgeted revenues, including beginning fund balance.

All budgets are prepared on the cash and encumbrances financial flow basis. That is, revenues are budgeted in the year receipt is expected, and expenditures, which include encumbrances, are budgeted in the year that the applicable purchase orders are expected to be issued. The amounts in Statement of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual for the general fund are reported on this basis.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Encumbered appropriations are carried forward to the next fiscal year and become part of the new year's appropriations, while unencumbered appropriations lapse at fiscal year-end. Appropriations for certain nonbudgeted special revenue funds and capital projects funds are controlled on a project basis and are carried forward each year until the project is completed or the grant receipts are expended.

Encumbrances and the related appropriations outstanding at the end of a year are carried forward into the next year, and these carried-forward appropriations then become part of the new year's appropriations. This is because it is not possible to distinguish between current and prior year's appropriations in the City's computer system. Therefore, both expenditures related to prior year encumbrances and encumbrances outstanding at the end of the current year are called expenditures for budgetary reporting purposes.

The City's capital projects are planned in an annually updated five-year capital budget which encompasses all capital resources.

b. Budgetary Control

Appropriations are approved by the City Council by fund for all budgeted funds. All appropriation amendments are subject to final approval by the City Council.

For day-to-day management purposes, line item budgets are prepared. Revenues are budgeted by type and source. Expenditures are budgeted by function, by organization level, i.e., department, division and program, and by detailed type or character code, i.e., personal services, maintenance and operation, capital outlay, debt service and transfers. Appropriations are budgeted at the fund level. If budget amendments (increase in appropriations) are necessary they must be approved by the City Council. Budget adjustments (transfers between line items within the fund) are allowed as long as the adjustments do not exceed the total budgeted appropriations for the fund.

The differences between the City's budget-basis and GAAP-basis actual revenues and expenditures are due to accruals recorded in GAAP-basis, while encumbrances are reported in the budget-basis, and differences in classification.

c. Budget Amendments

During the fiscal year it was necessary to amend the original budget by City Council action. The original budget and amended budget are presented in the Schedules of Revenue, Expenditures, and Changes in Fund Balance – Budget to Actual Comparison for the General, Crime Tax, and Section 8 Funds.

d. Deficit Fund Equity

As of September 30, 2009 the City had no funds with deficit fund equities.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

3. DETAILED NOTES ON ALL FUNDS

a. Assets

1) Deposits, Investments and Investment Policies

The City invests in United States Treasury notes and United States Agency Securities. These investments are recorded at fair value, which is defined as the amount at which a willing buyer and seller would exchange the security.

The City Council has adopted Investment Policies (“Policies”) which are in accordance with the laws of the State of Texas, where applicable. The Policies identify authorized investments and investment terms, collateral requirements, safekeeping requirements for collateral and investments and certain investment practices.

Authorized investments include obligations of the United States or its agencies and instrumentalities (except for mortgage pass-through securities), repurchase agreements, municipal securities, public funds investment pools, SEC regulated money market mutual funds and collateralized or insured certificates of deposit.

The investment policies require that repurchase agreements be made pursuant to a master agreement, the collateral is a U. S. Treasury bill, note or bond; the security is held in safekeeping by the City’s custodial agent; and the investment is transacted “delivery vs. payment” so that the City’s interest in the underlying security is perfected. The City does not invest in reverse repurchase agreements. No City monies were invested in repurchase agreements at September 30, 2009.

The City’s investments are stated at fair value, using the following methods and assumptions as of September 30, 2009:

- 1) Fair value is based on quoted market prices as of the valuation date;
- 2) The portfolio did not hold investments in any of the following:
 - (a) Items required to be reported at amortized cost, except investments in TexPool (see below),
 - (b) Items in external pools that are not SEC-registered,
 - (c) Items subject to involuntary participation in an external pool.
 - (d) Items associated with a fund other than the fund to which the income is assigned;
- 3) Any unrealized gain/loss resulting from the valuation is recognized in the respective fund that participates in the City’s investment pool.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

- 4) The gain/loss resulting from valuation is reported within the revenue account “investment income” on the Statement of Revenues, Expenditures and Changes in Fund Balances for the Governmental Funds, and the Statement of Revenues, Expenses and Changes in Net Assets for the Proprietary Funds.

The City invested \$119,257,639 in TexPool as of September 30, 2009. The Texas State of Comptroller of Public Accounts exercises oversight responsibility over TexPool, the Texas Local Government Investment Pool. Oversight includes the ability to significantly influence operations, designation of management and accountability for fiscal matters. Additionally, the State Comptroller has established an advisory board composed of both Participants in TexPool and other persons who do not have a business relationship with TexPool. The Advisory Board members review the investment policy and management fee structure. Finally, TexPool is rated AAA by Standard & Poors. As a requirement to maintain the rating weekly portfolio, information must be submitted to Standard & Poors, as well as the office of the Comptroller of Public Accounts for review.

TexPool operates in a manner consistent with the SEC’s Rule 2a7 of the Investment Company Act of 1940. TexPool uses amortized cost rather than fair value to report net assets to compute share prices. Accordingly, the fair value of the position in TexPool is the same as the value of TexPool shares.

The City’s policy is to hold investments until maturity or until fair values equal or exceed cost.

Interest rate risk. In accordance with its investment policy, the City manages its exposure to declines in fair values by limiting the weighted average maturity of its investments portfolio to less than twelve months.

Credit risk. State law limits investments in commercial paper if the commercial paper is rated not less than A-1 or P-1 or an equivalent rating by at least two nationally recognized credit rating agencies or one nationally recognized credit rating agency and is fully secured by an irrevocable letter of credit issued by a bank organized and existing under the laws of the United States or any state. The City’s policy does not allow investments in commercial paper.

Concentration of credit risk. Investments shall be diversified to reduce the risk of loss resulting from over-concentration of investments in a specific maturity, a specific issue, or a specific class of securities.

The asset mix of the City's portfolio is expressed in terms of maximum commitment so as to allow flexibility to take advantage of market conditions.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The asset mix requirements are as follows:

	<u>% Maximum</u>
1. U.S. Treasury Bills and Notes	100
2. U.S. Agency or Instrumentality Obligations (each type)	25 (a)
3. Repurchase Agreements	20
4. Municipal Securities (total)	40
5. Municipal Securities (out-of-state)	20
6. Certificates of Deposit (per institution)	20
7. Money Market Mutual Fund	50 (b)
8. Public Funds Investment Pool	50

(a) Total agency investments limited to no more than 100% of the total portfolio.

*(b) State law allows up to 80% of monthly average fund balance, excluding bond proceeds. The City limits it's exposure to 50% to reduce risk.

In addition, the City may invest in callable securities but shall limit the total amount to no more than 50% of the portfolio.

The City's carrying amount of cash, cash equivalents and investments as of September 30, 2009 as reflected in the primary government's financial statements, are:

	<u>Unrestricted</u>	<u>Restricted</u>	<u>Total</u>
Cash	\$ 721,784	\$ 185,029	\$ 906,813
Pooled investments:			
Cash and cash equivalents	27,132,264	92,697,416	119,829,680
Investments	<u>83,454,520</u>	<u>81,556,943</u>	<u>165,011,463</u>
Total pooled investments	<u>110,586,784</u>	<u>174,254,359</u>	<u>284,841,143</u>
Total	<u>\$ 111,308,568</u>	<u>\$ 174,439,388</u>	<u>\$285,747,956</u>

At year-end, the bank balance of the City's unrestricted cash was \$855,570. Of the bank balance, \$250,000 was covered by federal depository insurance and \$605,570 was covered by collateral held by the City's agent in the City's name. Statutes require collateral pledged for deposits to be held in the City's name by the trust department of a bank.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The City’s cash equivalents of \$119,829,680 were also covered by collateral held by the City’s agent in the City’s name.

As of September 30, 2009, the City had the following investments:

	Fair Value	Weighted Average Maturity (Days)	Credit Risk
Federal Farm Credit Bank	\$ 45,972,594	457	AAA
Federal Home Loan Bank	63,047,958	576	AAA
Federal Home Loan Mortgage Corp.	29,357,830	634	AAA
Federal National Mortgage Assoc.	26,633,081	644	AAA
TexPool	119,257,639	1	AAAam
Money market funds	572,041	1	AAAam
Total	<u>\$ 284,841,143</u>	<u>327</u>	

Portfolio weighted average maturity

Maturities of the City’s investments at September 30, 2009 were as follows:

Cash equivalents	\$ 119,829,680
Under 30 days	4,506,406
30 days to 60 days	5,022,525
61 days to 90 days	-
91 days to 1 year	51,385,513
After 1 year	104,097,019
Total	<u>\$ 284,841,143</u>

The City did not invest in any securities different from the categories mentioned above during the 2008-2009 fiscal year.

At September 30, 2009, the carrying amount of the Sports Corporation’s deposits included in cash and cash equivalents was \$103,286 while the bank balance of the Sports Corporation’s deposits was \$108,536. The bank balance was entirely covered by Federal depository insurance or collateral held by the Sports Corporation’s agent in the Sports Corporation’s name.

The Sports Corporation is authorized to invest in obligations of the U. S. or its agencies and instrumentalities, certain repurchase agreements, municipal securities with a rating of at least A, collateralized or insured certificates of deposit, and SEC-registered, no-load money market mutual funds comprised of securities allowed under the Public Funds Investments Act and public funds investment pools. At year-end, all investments of the Sports Corporation were held by the Sports Corporation’s agent in the Sports Corporation’s name. The fair value of investments owned at September 30, 2009 was \$4,000,000 in U.S agency instrumentalities.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The bank balance of HFC at December 31, 2008, including restricted cash, totaled \$346,720 all of which was covered by FDIC insurance and collateral held by the depository institution in HFC's name. Restricted cash of \$47,276 represents cash held on deposit by HFC for insurance proceeds received for damages to federally funded assets. The liability is recorded until final disposition of the proceeds is requested by HUD. The remaining restricted cash amount comprises tenant security deposits.

2) Capital Assets

Capital assets balances and transactions for the year ended September 30, 2009 are summarized below for governmental activities:

	Balance October 1, 2008	Additions/ Completions	Disposals/ Reclasses	Balance September 30, 2009
Non-depreciable capital assets:				
Land	\$ 25,449,216	\$ 3,418,648	\$ -	\$ 28,867,864
Construction in progress	154,949,829	83,320,250	(34,612,391)	203,657,688
Total non-depreciable capital assets	<u>180,399,045</u>	<u>86,738,898</u>	<u>(34,612,391)</u>	<u>232,525,552</u>
Depreciable capital assets:

b. Liabilities

1) Retirement Plan

Plan Description - The City provides pension benefits for all of its full-time employees through a non-traditional, joint contributory, hybrid defined benefit plan in the state-wide Texas Municipal Retirement System (TMRS), one of 833 administered by TMRS, an agent multiple-employer public employee retirement system. TMRS issues a publicly-available annual financial report that may be obtained by writing to TMRS, P.O. Box 149153, Austin, Texas 78714-9153.

Benefits depend upon the sum of the employee's contributions to the plan, with interest, and the City-financed monetary credits, with interest. At the date the plan began, the City granted monetary credits for service rendered before the plan began of a theoretical amount equal to two times what would have been contributed by the employee, with interest, prior to establishment of the plan. Monetary credits for service since the plan began are a percent (100%, 150% or 200%) of the employee's accumulated contributions. In addition, the City can grant, as often as annually, another type of monetary credit referred to as an updated service credit (a theoretical amount) which, when added to the employee's accumulated contributions and the monetary credits for service since the plan began, would be the total monetary credits and employee contributions accumulated with interest if the current employee contribution rate and City matching percent had always been in existence and if the employee's salary had always been the average of his salary in the last three years that are one year before the effective date. At retirement, the benefit is calculated as if the sum of the employee's accumulated contributions with interest and the employer-financed monetary credits with interest were used to purchase an annuity.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

The plan provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS and within the actuarial constraints also in the statutes.

Plan provisions for the City were as follows (as of 4/19/07*):

Deposit rate	7%
Matching ratio (city/employee)	2 to 1
A member is vested after	5 years

Members can retire at certain ages, based on their years of service with the City. The Service Retirement Eligibilities for the city are: 5 years of service/age 60, 25 years of service any age.

Contributions - Under the state law governing TMRS, the actuary annually determines the City contribution rate. For the December 31, 2008 valuation, the TMRS Board determined that the Projected Unit Credit (PUC) funding method should be used, which facilitates advanced funding for future updated service credits and annuity increases that are adopted on an annually repeating basis. In addition, the Board also adopted a change in the amortization period from a 25-year "open" to a 25-year "closed" period. The projected unit credit method is used for determining the City contribution rate. Both the employees and the City make contributions monthly.

Since the City needs to know its contribution rate in advance for budgetary purposes, there is a one-year delay between the actuarial valuation that serves as the basis for the rate and the calendar year when the rate goes into effect (i.e., December 31, 2008 valuation is effective for rates beginning January 2010).

Actuarial Valuation Date	December 31, 2008	December 31, 2007	December 31, 2006
Actuarial Value of Assets	\$ 184,115,536	\$ 174,692,032	\$ 167,101,197
Actuarial Accrued Liability	270,661,623	252,870,914	208,328,802
Percentage Funded	68.0%	69.1%	80.2%
Unfunded (over-funded) Actuarial Accrued Liability (UAAL)	\$ 86,546,087	\$ 78,178,882	\$ 41,227,605
Annual Covered Payroll	67,018,137	61,880,950	56,817,617
UAAL as a Percentage of Covered Payroll	129.1%	126.3%	72.6%
Net Pension Obligation (NPO) at the Beginning of Period	\$ -	\$ -	\$ -
Annual Pension Cost:			
Annual Required Contribution (ARC)	\$ 8,955,152	\$ 8,203,635	\$ 7,577,405
Contribution Made	8,955,152	8,203,635	7,577,405
NPO at the End of the Period	\$ -	\$ -	\$ -

* To ensure the most accurate future rates are determined for the City, TMRS adopted new actuarial cost method and assumptions at their December 2007 meeting, to be effective for the December 31, 2008 valuation.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Actuarial Assumptions - The City also uses the following assumptions:

Actuarial Valuation Date	December 31, 2008	December 31, 2007	December 31, 2006
Actuarial Cost Method	Projected Unit Credit	Projected Unit Credit	Unit Credit
Amortization Method	Level of Percent of Payroll	Level of Percent of Payroll	Level of Percent of Payroll
Remaining Amortization Period	29 Years/Closed	30 Years/Closed	25 Years/Open
Asset Valuation Method	Amortized Cost	Amortized Cost	Amortized Cost
Investment Rate of Return	7% varies by age and service	7% varies by age and service	7%
Projected Salary Increases	3.0%	3.0%	None
Inflation	2.1% (3.0%) CPI	2.1% (3.0%) CPI	3.0%
Cost-of-Living Adjustments			None

The City of Grand Prairie is one of 833 municipalities having their benefit plan administered by TMRS. Each of the 833 municipalities has an annual actuarial valuation performed. All assumptions for the 12/31/08 valuations are contained in the 2008 TMRS Comprehensive Annual Financial Report, a copy of which may be obtained by writing to P.O. Box 149153, Austin, Texas 78714-9153.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

In 2007, the City renewed its \$7.5 million line of credit; \$5 million general obligation line of credit and \$2.5 million water and wastewater system line of credit with Bank of America, Texas for a three-year term. As of September 30, 2009, there were no outstanding draws on the line of credits.

a) Governmental Activities Long-Term Debt

Long-term debt in the governmental type activities column of the government-wide financial statements consists of general obligation bonds, including refunding, sales tax revenue bonds, certificates of obligation bonds, a line of credit, and accrued compensated absence. The certificates of obligation bonds include bonds issued in 2009 for Tax Increment Financing Zones No. 1 project.

(i) General Obligation Debt

In November 2008 the City issued \$8,985,000 in General Obligation Improvement Bonds Series 2008. The proceeds of the bonds were used to provide \$8,985,000 of capital funds, and to pay the cost of issuance.

In November 2008 the City issued \$26,660,000 in Certificates of Obligation Bonds, Series 2008A. The proceeds were used for capital funds for governmental activities, TIF and PID projects, and to pay cost of issuance.

At September 30, 2009, general obligation bonds authorized and unissued amounted to \$14,393,000. When issued, the proceeds will be allocated to various specified improvements.

CITY OF GRAND PRAIRIE, TEXAS

b) Business Type Activities long-Term Debt

Long-term debt in the business-type activities column of the government-wide financial statements consists of general obligation refunding bonds, water and wastewater system revenue bonds, certificates of obligation bonds, a line of credit, accrued compensated absence, closure and post closure liability.

Debt is issued to fund improvements for the following activities: the water and wastewater system, the solid waste system, the golf courses and the airport.

The long-term debt for the business-type activities is summarized as follows:

	<u>Interest Rate %</u>	<u>Year of Issue</u>	<u>Year of Maturity</u>	<u>Original Amount</u>	<u>Amount Outstanding</u>
Water and wastewater

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

(i) Water and Wastewater System Debt

In November 2008 the City issued \$4,940,000 in Water Wastewater System Revenue Bonds, Series 2008. The proceeds of the bonds were used to provide \$4,940,000 of capital funds, and to pay the cost of issuance.

Water and wastewater system long-term debt consists of general obligation refunding bonds, and revenue bonds, which are all being repaid with water and wastewater system revenues.

Although not required by state laws, City Council in the past has chosen to have the electorate vote to authorize revenue bond issuance. During the fiscal year ended September 30, 2005, the City issued the remaining authorized water and wastewater system revenue bonds. At this time the city plans to issue non- voted authorized revenue bonds in the future.

The following covenants are included in each of the various water and wastewater system revenue bond indenture ordinances:

- Net revenues (defined as gross revenues less expenses of operation and maintenance) are pledged for the payment of bond principal and interest.
- Additional water and wastewater system revenue bonds cannot be issued unless the “net earnings” (defined as gross revenues after deducting the expenses of operation and maintenance, excluding depreciation and certain other items specified in the ordinances) of the system for 12 consecutive months out of the 15 months prior to the date of such bonds is equal to at least 1.25 times the average annual requirements for the payment of principal and interest on the then outstanding bonds and any additional bonds then proposed to be issued.
- All revenues derived from the operations must be kept separate from other funds of the City.
- The amount required to meet interest and principal payments falling due on or before the next maturity dates of the bonds is to be paid into the water and wastewater system interest and redemption account during each year.

At September 30, 2009, the City was in compliance with these covenants.

CITY OF GRAND PRAIRIE, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

Debt service to maturity on the City's outstanding water and wastewater system bond debt is summarized as follows:

Water and Wastewater System Revenue Bonds:

Water and Wastewater System Debt Service Coverage

According to the terms of the ordinance which authorized the sale of Water and Wastewater Revenue Bonds, the Water and Wastewater system will produce net revenues each year in an amount reasonably estimated to be not less than 1.25 times the average annual principal and interest requirements of the outstanding bonds. At September 30, 2009, compliance with this requirement can be demonstrated as follows:

Revenue (1)	\$	48,534,900
Operating expense (excluding depreciation):		
Water purchased		10,456,160
Sewage disposal contract		8,260,418
Other		<u>15,040,230</u>
Total expense (2)		33,756,808
Available for debt service	\$	14,778,092
Average annual principal and interest requirements, all water and wastewater revenue bonds at September 30, 2009	\$	4,560,923
Coverage of average annual requirements based on September 30, 2009 revenue available for debt service		3.24

(1) Includes operating revenues plus investment income and impact fees

(2) Excludes depreciation expense.

The City's Debt Management Policies prescribe that the coverage ratio is at 2.0 for all outstanding debt. Total debt service on a cash basis in 2009 was \$6,564,630 for a coverage of 2.25

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

(c) Grand Prairie Housing Finance Corporation Long-Term Debt

The HFC has a general obligation note payable to a bank which was used to construct the Cotton Creek and Willow Tree Learning Center. The note bears a rate of 7% and is payable in equal monthly installments of \$19,380 through July 1, 2027.

In December, 2003, the HFC issued Independent Senior Living Center Revenue Bonds for \$13,890,000 to finance the construction and operations of its planned Senior Living Center facility. The bonds bear interest rates from 7.5% to 7.75% and are payable semi-annually with interest only through July 1, 2008. The bonds are non-recourse liabilities collateralized solely by the land and construction in progress, less the accrued interest.

A summary of long-term debt activity during the fiscal year ended December 31, 2008 follows:

	Beginning Balance	Additions	Deletions	Ending Balance	Due Within One Year
Note payable	\$ 2,471,578	\$ -	\$ (61,176)	\$ 2,410,402	\$ 65,916
Revenue bonds	13,810,000	-	-	13,810,000	435,000
Developer loan	962,385	41,759	-	1,004,144	-
Total	<u>\$ 17,243,963</u>	<u>\$ 41,759</u>	<u>\$ (61,176)</u>	<u>\$ 17,224,546</u>	<u>\$ 500,916</u>

Future maturities of the debt are as follows:

Fiscal Year Ending December 31	Note Payable		Revenue Bonds	
	Principal	Interest	Principal	Interest
2009	\$ 65,916	\$ 166,644	\$ 435,000	\$ 2,457,627
2010	70,681	161,879	195,000	1,026,788
2011	75,791	156,769	215,000	1,011,788
2012	80,824	151,736	230,000	995,288
2013	87,133	145,427	245,000	977,850
2014-2018	539,760	659,945	1,545,000	4,576,653
2019-2023	765,176	449,856	2,250,000	3,874,900
2024-2028	725,121	153,386	3,295,000	2,835,145
2029-2033	-	-	4,810,000	1,310,913
2034	-	-	590,000	2,863
Total	<u>\$ 2,410,402</u>	<u>\$ 2,045,642</u>	<u>\$ 13,810,000</u>	<u>\$ 19,069,815</u>

Conduit Debt – Mortgage Revenue Bonds

The HFC issues Single Family and Multi-Family Mortgage Revenue Bonds. The proceeds of the bonds are placed in trust to be used for the origination of qualifying single- or multi-family mortgages or to refund, at any time, bonds previously issued by HFC. The bonds are to be paid only from the funds placed in trust, and these funds can be used only for purposes specified in

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

the bond indenture. HFC is liable to the bondholders only to the extent of the related revenues and assets pledged under the indenture. Therefore, these transactions are accounted for as conduit debt, and the principal amount of the bonds outstanding and assets held by the trustee are not reflected on the face of the financial statements.

At December 31, 2008, outstanding conduit debt was as follows:

<u>Bond Series</u>	<u>Original Issue Amount</u>	<u>Outstanding Amount</u>
1993 Multi-Family Mortgage Revenue Refunding Bonds (Windridge Grand Prairie Associated, Ltd.)	\$ 9,000,000	\$ 9,000,000
1993 Multi-Family Mortgage Revenue Refunding Bonds (Lincoln Property Company No. 2188)	13,500,000	13,500,000
1997-1 Single-Family Mortgage Revenue Bonds	4,995,000	203,805
1998A Single-Family Mortgage Revenue & Refunding Bonds	17,419,000	2,595,786
1998B-1 Single-Family Mortgage Revenue Refunding Bonds	6,365,000	157,364
1998B-2 Single-Family Mortgage Revenue Bonds	1,575,000	
2001 Single-Family Mortgage Revenue Bonds	14,160,000	1,973,260
2003 Senior Living Center	13,810,000	13,810,000
2004B Single-Family Mortgage Revenue & Refunding Bonds	7,500,000	4,500,328
	Total	<u>\$ 45,740,543</u>

3) Closure and Post Closure Liability

State and federal laws and regulations require the City to place a final cover on its landfill site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for 30 years after closure. Although closure and post closure care costs will be paid only near or after the date that the landfills stop accepting waste, the City reports a portion of these closure and post closure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The City follows the provisions of GASB Statement No. 18 Accounting for Municipal Solid Waste Landfill Closure and Post closure Care Costs. Accordingly, the City has recorded a closure and post closure care liability of \$4,798,404 in the Solid Waste Fund. The total liability represents the cumulative amount reported to date based on the use of 33.24% of the estimated capacity of the landfill.

The City will recognize the remaining estimated cost of closure and post closure care of \$9,790,822 as the remaining estimated capacity is filled. The City expects to close the landfill in year 2055. Actual cost may be higher or lower due to inflation, changes in technology or changes in regulations.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

c. Fund Equity and Net Assets

1) Reserved Fund Balance

Reservations of fund equity show amounts that are not available for expenditure or are legally restricted for specific uses. The purpose for each reserve is indicated by the account title on the face of the balance sheet for the governmental fund financial statements.

2) Designated Fund Balance

Designations of fund equity are used to show the amounts within unreserved fund balance for governmental funds which are intended to be used for specific purposes and reflect tentative managerial plans, but are not legally restricted.

3) Net Assets: Invested in capital assets, net of related debt

This component of net assets is reported in the proprietary fund financial statements and in the government-wide financial statements and represents the difference between capital assets less both the accumulated depreciation and the outstanding balance of debt, excluding unspent proceeds, that is directly attributable to the acquisition, construction or improvement of these capital assets.

4) Net Assets: Restricted for Debt Service

This component of net assets is reported in the proprietary fund financial statements and in the government-wide financial statements and represents the difference between assets and liabilities of the debt service funds that consists of assets with constraints placed on their use by the bond covenants.

5) Net Assets: Unrestricted

This component of net assets is reported in the proprietary fund financial statements and in the government-wide financial statements and represents the difference between assets and liabilities that is not reported in Net Assets Invested in Capital Assets, Net of Related Debt or Net Assets restricted for specific purposes.

d. Interfund Transactions

The composition of interfund balances as of September 30, 2009, is as follows:

Outstanding balances between funds result mainly from the time lag between the dates that (1) interfund goods and services are provided or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and (3) payments between funds are made.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

1) Interfund Transfers:

The following is a summary of interfund transfers which were made for normal operations of the city:

	Transfers In				
	General Fund	Crime Tax	Street Improvements	Debt Service	Nonmajor Governmental Funds
<u>Transfers out:</u>					
General Fund	\$ -	\$ -	\$ -	\$ -	\$ 8,212,102
Crime Tax	-	-	-	-	6,245,620
Section 8	-	-	-	50,000	-
Street Improvements	-	4,960,000	-	-	7,828,684
Debt Service	-	-	-	-	-
Nonmajor					
Governmental Funds	985,565	5,545,129	9,282,305	-	14,019,027
Internal Service Funds	13,848	-	-	-	750,000
Water/wastewater	14,344	2,409,121	-	-	1,275,926
Solid Waste	-	-	-	-	373,516
Nonmajor					
Enterprise Funds	-	-	-	-	1,900,000
Total	\$ 1,013,757	\$ 12,914,250	\$ 9,282,305	\$ 50,000	\$ 40,604,875

	Transfers In				
	Water Wastewater	Municipal Golf	Solid Waste	Municipal Airport	Total
<u>Transfers out:</u>					
General Fund	\$ -	\$ -	\$ -	\$ -	\$ 8,212,102
Crime Tax	-	-	-	-	6,245,620
Section 8	-	-	-	-	50,000
Street Improvements	-	-	-	-	12,788,684
Debt Service	-	634,503	-	-	634,503
Nonmajor					
Governmental Funds	5,049,084	20,683	-	1,381,474	36,283,267
Internal Service Funds	-	-	-	-	763,848
Water/wastewater	19,828,633	-	-	-	23,528,024
Solid Waste	-	-	1,816,624	-	2,190,140
Nonmajor					
Enterprise Funds	-	-	-	520,719	2,420,719
Total	\$ 24,877,717	\$ 655,186	\$ 1,816,624	\$ 1,902,193	\$ 93,116,907

Transfers are used to 1) move revenues from the fund with collection authorization to the debt service fund as debt service principal and interest payments become due, 2) move restricted amounts from borrowings to the debt service fund to establish mandatory reserve accounts, 3) move unrestricted revenues to finance various programs that the government must account for in other funds in accordance with budgetary authorizations, including amounts provided as subsidies or matching funds for various grant programs.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

2) Cost Reimbursements

The cost of the City's central general and administrative services is allocated to the designated special revenue and enterprise funds. These costs are reported as interfund services provided and used rather than interfund transactions, and are treated as revenue in the General Fund and expense in the other funds. Interfund services provided and used are "arms-length" transactions between departments or funds that would be treated as revenues, expenditures or expenses if they were with an external organization. The distinguishing aspect of interfund services provided and used are that each department or fund both gives and receives consideration.

Significant cost reimbursements made during the year were as follows:

<u>Fund</u>	<u>Amount</u>
Water and Wastewater Funds	\$ 2,594,349
Solid Waste Funds	211,467
Section 8 Housing Grant Fund	124,409
Storm Water Funds	58,696
Other Nonmajor Governmental Funds	12,212
Total to General Fund	<u>\$ 3,001,133</u>

3) Franchise Fees

The City's enterprises which use the public right-of-way funds pay franchise fees to the General Fund as if they were organizations separate from the City. These fees are not taxes, but are compensation to the City for the use of the City's water lines, sewer lines, etc. These payments, 4% of gross revenues, are reported as interfund services provided and used rather than interfund transactions, and are treated as revenue (reported as franchise fees) in the General Fund and expense in the enterprise funds. Such fees paid during the year were:

<u>Fund</u>	<u>Amount</u>
Water and Wastewater Fund	\$ 1,784,329
Solid Waste Fund	569,211
Storm Water Fund	122,410
Total	<u>\$ 2,475,950</u>

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

4) Payments in Lieu of Property Taxes

Two of the City’s enterprise funds, the Water and Wastewater Fund and Solid Waste Fund, make payments in lieu of property taxes to the Street Maintenance Fund, which is included in “Other Governmental Funds”, to provide funding for street repairs. The payments are calculated by applying the City’s property tax rate to the net book value of the enterprise funds’ fixed assets. Since the calculation methodology is not the same as that applied to similar activities in the private sector in several respects, the payments are recorded as transfers out rather than as an operating expense. Payments made during the year were as follows:

<u>Fund</u>	<u>Amount</u>
Water and Wastewater Fund	\$ 1,125,926
Solid Waste Fund	73,516
Total	<u>\$ 1,199,442</u>

e. Leases

On September 15, 1995, the Sports Corporation and LSJC entered into a lease agreement. On October 23, 2002, Lone Star, LSJC, and MEC Lone Star, L.P. (“MEC”) entered into an asset purchase agreement whereby MEC agreed to purchase substantially all of the racing assets of Lone Star and LSJC. The Master Agreement between the Sports Corporation, Lone Star, and LSJC was terminated. Lone Star and LSJC assigned to MEC all of their rights and obligations under the lease and certain ancillary agreements with the Sports Corporation. The agreement states that upon completion of the project, MEC will lease the facility for a period of 30 years. The lease became effective April 1997 and meets the requirements for accounting as a direct financing lease. The future base rent payments under the lease are as follows:

<u>Year</u>	<u>Amount</u>
2010	\$ 1,452,000
2011	1,452,000
2012	1,560,900
2013	1,597,200
2014	1,597,200
Thereafter	<u>22,749,984</u>
	30,409,284
Less interest	<u>(14,606,877)</u>
Net present value	<u>\$ 15,802,407</u>

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Additional contingent rentals are due monthly based upon 1% of gross revenues from the operation of the track for each month plus an amount equal to the cumulative net retainage from the live races and the simulcast races multiplied by the following percentage:

<u>Cumulative Net Retainages</u>	<u>Percentage</u>
\$0 to less than \$20 million	1%
\$20 million to less than \$40 million	3%
\$40 million to less than \$60 million	5%
\$60 million or more	7%

The lease has been accounted for as a capital lease. However, only the base rent payments are determinable and are included in the lease payments receivable at the net present value of future rent payments. The remaining portion of the Facility is recorded as estimated unguaranteed residual value of the lease. Its fair value is estimated to be approximately equal to the differences between the original cost plus capitalized improvements of the Facility, net of what accumulated depreciation would be, and the fixed lease payments receivable. Therefore, this amount is being amortized over the life of the lease (30 years). Amortization for the year ended September 30, 2009 was \$3,393,796. Additional contingent rentals are recorded as revenue when received. During the year ended September 30, 2009, the Corporation incurred additional costs for improvements to the leased facilities of \$258,574 and received contribution revenue of \$258,574, for a total addition to the cost of the facility of \$517,148. This amount increased the unguaranteed residual value of the lease.

Management believes that there have not been events which impaired the residual value of the lease.

The capital lease is being amortized using the interest method over the 30-year life of the lease. The Corporation has recorded lease rental and interest for the year ended September 30, 2009 as follows:

	<u>2009</u>
Nominal interest on the lease	\$ 1,454,400
Amortization of the lease	(195,617)
Net interest	1,258,783
Contingent rentals received (includes rent for simulcast facility prior to completion of project)	286,146
Total lease rental and interest	<u>\$ 1,544,929</u>

4. CONTRACTS, COMMITMENTS AND CONTINGENT LIABILITIES

a. Federal Grants

The City participates in a number of state and federally assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

b. Litigation

The City and Sports Corporation are contingently liable in respect of lawsuits and claims in the ordinary course of operations which, in the opinion of management, will not have material adverse effect on the combined financial statements.

c. Water Intake Facility Contract

The City entered into a contract with the Trinity River Authority (“TRA”) whereby TRA agreed to sell revenue bonds, and, to construct and operate water treatment, transmission and storage facilities necessary to supply treated water to several area cities. The City has also agreed contractually to pay TRA annually an amount sufficient to pay its pro rata share of the operation and maintenance expenses of the facilities and related debt service of its bonds. The project is not treated as a joint venture by the City since the project is managed and unilaterally controlled by TRA, the City has no equity interest in the project, and the City is not obligated for the repayment of TRA bonds.

d. Water Purchase Contracts

According to the terms of a take-or-pay contract between the City and TRA, the City is entitled to 10.56% of the raw water yield of Lake Joe Pool which yields 15.1 million gallons of water a day. The City is paying for its prorated share of the project over a 50-year amortization period, 10 years from the date the reservoir gates were closed in January 1986. It is estimated that the City’s total liability will be approximately \$7,032,000.

A contract with the City of Fort Worth, effective until the year 2010, permits the City to purchase up to 2.5 million gallons of treated water daily.

The City has a 30-year contract with the City of Dallas, which expires in 2012, for the purchase of water. Grand Prairie currently takes up to 33.8 million gallons a day, and pays a fixed demand charge plus a volume charge. The demand charge is based on current maximum demand or the highest demand established during the five preceding years whichever is greater. Thus, even if the City were to stop purchasing water from Dallas, its obligation to pay the demand charge (\$179,991 per million gallons per day) would extend for five years. The maximum may be increased in future years as needed. Grand Prairie has two intake points for City of Dallas water with a contractual right obligating the City of Dallas to meet Grand Prairie’s needs. Existing pipelines will provide up to 55 million gallons per day.

e. Wastewater Treatment Contract

The City has a 50 year contract with TRA, which will expire in 2023, for wastewater treatment. The City is billed for its prorated share of total wastewater costs, which was 11.46% during fiscal year 2009. The City must pay its prorated share of the debt service

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

related to wastewater treatment facilities until the debt matures whether it contributes to flow or not.

f. Master and Other Agreements

The Sports Corporation, Lone Star and Lone Star Jockey Club Development Corp. (“LSJC”) entered into an agreement (the “Master Agreement”) to design and develop a pari-mutuel horse racetrack (the “Facility”). On October 23, 2002, Lone Star, LSJC, and MEC Lone Star, L.P. (“MEC”) entered into an asset purchase agreement whereby MEC agreed to purchase substantially all of the racing assets of Lone Star and LSJC. The Master Agreement between the Sports Corporation, Lone Star, and LSJC was terminated. Lone Star and LSJC assigned to MEC all of their rights and obligations under the lease and certain ancillary agreements with the Sports Corporation. MEC Lone Star currently holds the license to operate the “Class 1” racetrack.

On March 5, 2009, Magna Entertainment Corp (MEC) the parent company of MEC Lone Star Park LP filed for bankruptcy under Chapter 11 federal bankruptcy protection. Subsequently on September 14, 2009 Lone Star filed for bankruptcy protection. Since the bankruptcy filing, Lone Star has been current on all rent payments with the exception of \$5,289 of additional rent that is due the Corporation for September 2009.

On October 23, 2009, an auction for Lone Star was conducted with Global Gaming LSP, LLC (a wholly owned subsidiary of the Chickasaw Nation) winning the auction for \$47 million. Global Gaming is in the process of obtaining a license from the Texas Racing Commission. Once the licensing process is completed, the sale of MEC Lone Star will be completed.

Under the terms of the purchase agreement Global Gaming has agreed to assume the lease agreement between Lone Star and the Corporation. Until then MEC Lone Star will operate under the Chapter 11 bankruptcy protection with DIP financing provided by MEC, Inc. The licensing process is not expected to be completed until sometime in mid 2010.

The City and Texas NextStage, LP (“NextStage”) entered into agreements (Development Agreement, Lease Agreements and other ancillary agreements) on January 10, 2001, to design, develop and construct a performance hall (the “Performance Hall”). Construction of the Performance Hall began in July 2000 and was completed in February 2001. Under the agreements, the City purchased the Performance Hall from NextStage for \$15 million with the proceeds from the \$17.9 million TIF tax and tax increment certificate of obligation bond issue in fiscal year 2001. NextStage initially leased the Performance Hall from the City under a 21-year lease. Effective September 18, 2002, Anschutz Texas, L. P. assumed the lease obligations of NextStage and became lessee and operator of the Performance Hall. The lease between the City and Anschutz Texas, L. P. expires January 23, 2023. Monthly lease payments from the lessee of the Performance Hall are used to pay debt service on bonds issued by the City for the purchase of the Performance Hall.

Baseball Stadium Agreements- The Citizens of Grand Prairie approved a 1/8 cent sales tax to build a minor league professional baseball stadium. The City of Grand Prairie (City) and

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

Grand Prairie Professional Baseball, LP (GPPB) entered into an agreement on June 26, 2007 to develop, construct and operate a minor league professional baseball stadium. This was accomplished through the use of development, lease and sublease agreements. Construction began in July, 2007 and was completed in May of 2008.

Ground Lease- The City entered into a lease agreement with the Sports Corporation for the land on which the stadium was built. The lease runs through June 25, 2036 with an annual base rent of \$50,000.

Stadium Sublease-GPPB and the City entered into a sublease agreement for GPPB to operate the baseball stadium facility. GPPB pays monthly rent of \$16,667 of which one-fourth is for lease of land and three-fourths is for lease of improvements. Additional rent is paid annually and due March 31 of each year. The following schedule determines the additional rent level: 0% of adjusted net income between \$0-\$399,999; 25% of adjusted net income between \$400,000-800,000 and 50% of adjusted net income over \$800,000. This lease agreement expires the earlier of May 15, 2028 or termination of underlying lease.

g. Construction Commitments

The City has several approved outstanding major capital projects as of September 30, 2009. The City's total committed but unexpended expenditures for such authorized capital projects at year-end approximates \$57,597,114. Funding for these contracts will be received through various capital projects funds and enterprise funds.

CITY OF GRAND PRAIRIE, TEXAS

**NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009**

5. SEGMENT INFORMATION FOR ENTERPRISE FUNDS

The City maintains five enterprise funds for water and wastewater, golf, solid waste, airport and storm water utility activities. Segment information for the non-major enterprise fund with outstanding revenue-backed certificates of obligation debt is as follows:

	<u>Municipal Airport</u>
<u>Condensed statement of net assets:</u>	
Current assets	\$ 3,404,584

CITY OF GRAND PRAIRIE, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS
SEPTEMBER 30, 2009

6. SUBSEQUENT EVENTS

On December 8, 2009 the City issued:

- \$13,390,000 in Sales Tax Refunding Bonds, Series 2009 to refund \$12,705,000 of previously issued sales tax bonds.

On February 2, 2010 the City issued:

- \$5,480,000 in General Obligation Improvement Bonds, Series 2010 for infrastructure improvement.
- \$1,945,000 in Combination Tax and Revenue Certificates of Obligation, Series 2010 for infrastructure and TIF projects.

APPENDIX C

FORM OF BOND COUNSEL'S OPINION

(This Page Intentionally Blank)

[Closing Date]

IN REGARD to the authorization and issuance of the “City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding Bonds, New Series 2011,” dated February 1, 2011, in the principal amount of \$8,940,000 (the “Bonds”), we have examined into their issuance by the City of Grand Prairie, Texas (the “City”) solely to express legal opinions as to the validity of the Bonds, the defeasance and discharge of the City’s outstanding obligations being refunded by the Bonds and the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and for no other purpose. We have not been requested to investigate or verify, and we neither expressly nor by implication render herein any opinion concerning, the financial condition or capabilities of the City, the disclosure of any financial or statistical information or data pertaining to the City and used in the sale of the Bonds, or the sufficiency of the security for or the value or marketability of the Bonds.

THE BONDS are issued in fully registered form only and in denominations of \$5,000 or any integral multiple thereof (within a maturity). The Bonds mature on January 15 in each of the years specified in the ordinance adopted by the City Council of the City authorizing the issuance of the Bonds (the “Ordinance”), without right of prior redemption, in accordance with the terms stated on the Bonds. The Bonds accrue interest from the date, at the rates, and in the manner and interest is payable on the dates, all as provided in the Ordinance.

IN RENDERING THE OPINIONS herein we have examined and rely upon (i) original or certified copies of the proceedings of the City in connection with the issuance of the Bonds, including the Ordinance, the Special Escrow Agreement (the “Escrow Agreement”) between the City and The Bank of New York Mellon Trust Company, N.A. (the “Escrow Agent”) and a special report of Grant Thornton LLP, Certified Public Accountants (the “Accountants”), (ii) certifications and opinions of officers of the City relating to the expected use and investment of proceeds of the sale of the Bonds and certain other funds of the City and to certain other facts within the knowledge and control of the City, and (iii) such other documentation, including an examination of the Bond executed and delivered initially by the City (which we found to be in due form and properly executed), and such matters of law as we deem relevant to the matters discussed below. In such examinations, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies and the accuracy of the statements and information contained in such certificates.

Re: "City of Grand Prairie, Texas, Water and Wastewater System Revenue Refunding Bonds, New Series 2011"

BASED ON OUR EXAMINATIONS, IT IS OUR OPINION that, under the applicable laws of the United States of America and the State of Texas in force and effect on the date hereof:

1. The Bonds have been duly authorized by the City and, when issued in compliance with the provisions of the Ordinance, are valid, legally binding and enforceable obligations of the City and, together with the outstanding and unpaid "Previously Issued Bonds" (identified and defined in the Ordinance), are payable solely from and equally and ratably secured by a lien on and pledge of the Net Revenues (as defined in the Ordinance) of the City's combined Water and Wastewater System, such lien and pledge, however, being junior and subordinate to the lien on and pledge of such Net Revenues to the payment and security of the Priority Bonds (identified and defined in the Ordinance), except to the extent that the enforceability thereof may be affected by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting creditors' rights or the exercise of judicial discretion in accordance with the general principles of equity.

2. The Escrow Agreement has been duly authorized, executed and delivered and is a binding and enforceable agreement in accordance with its terms and the outstanding obligations refunded, discharged, paid and retired with the proceeds of the Bonds have been defeased and are regarded as being outstanding only for the purpose of receiving payment from the funds held in a fund with the Escrow Agent, pursuant to the Escrow Agreement and in accordance with the provisions of V.T.C.A., Government Code, Chapter 1207, as amended. In rendering this opinion, we have relied upon the special report of the Accountants as to the sufficiency of cash and investments deposited with the Escrow Agent pursuant to the Escrow Agreement for the purposes of paying the outstanding obligations refunded and to be retired with the proceeds of the Bonds and the interest thereon.

3. Pursuant to Section 103 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), and existing regulations, published rulings, and court decisions thereunder, and assuming continuing compliance after the date hereof by the City with the provisions of the Ordinance relating to sections 141 through 150 of the Code, interest on the Bonds for federal income tax purposes (a) will be excludable from the gross income, as defined in section 61 of the Code, of the owners thereof for federal income tax purposes, and (b) will not be included in computing the alternative minimum taxable income of individuals or, except as hereinafter described, corporations. Interest on the Bonds owned by a corporation will be included in such corporation's adjusted current earnings for purposes of calculating the alternative minimum taxable income of such corporations, other than an S corporation, a qualified mutual fund, a real estate mortgage investment conduit, a real estate investment trust, or a financial asset securitization investment trust ("FASIT"). A corporation's alternative minimum taxable income is the basis on which the alternative minimum tax imposed by section 55 of the Code will be computed.

WE EXPRESS NO OPINION with respect to any other federal, state, or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual

of interest on, or the acquisition or disposition of, the Bonds. Ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, owners of an interest in a FASIT, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

OUR OPINIONS ARE BASED on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.
