Employee Insurance Fund Monthly Review - Presented by Lisa Norris, Human Resources Director

**Presenter**

Lisa Norris, Human Resources Director

**Recommended Action**

Review Only

**Analysis**

This analysis covers the experience in the Employee Insurance Fund through April 2020:

**Employee Insurance Fund (Attachment 1):**

The insurance fund is complete through April 2020 and is running well. Revenues are projected to come in right at budget under the current forecast. Expenses are also trending well, and expected to only hit about 87% of the budget overall. Active claims (column 9, row 28) and retiree claims (column 9, row 29) have reached \$8.1 million and \$1.3 million respectively through April. This puts active claim projections at \$13.9 million by year end, only reaching 88.4% of budget. Retiree claim projections are expected to reach \$2.2 million, or 69% of budget by year-end. This projects our Operating Balance (column 14, row 37) to be "to the good" by \$4.4 million, and our Ending Resource balance to land at \$9.1 million. This fund is trending excellent. Should this continue, we should be able to withhold at least two months of City Contributions for Actives and Retirees, equating to about \$2.8 million, thereby helping our bottom line as we progress through COVID-19, with minimal financial risk.

**Financial Consideration**

The current budget is approved and no financial consideration is necessary at this time until additional

claims data based on future months can be reviewed.

**EMPLOYEE INSURANCE FUND (FUND 213010)**

**MINUTES  
CITY COUNCIL FINANCE AND GOVERNMENT COMMITTEE  
May 5, 2020**

The City of Grand Prairie Finance and Government Committee convened at 4:00 p.m. on Tuesday, May 5, 2020 via Zoom video conference in Grand Prairie, Texas. The following persons were in attendance:

**COMMITTEE MEMBERS PRESENT**

Jim Swafford, Chairman  
Greg Giessner  
Jorja Clemson

*Chairman Swafford called the meeting to order*

**Staff Presentations**

**Item 1 – Internal Audit 2nd Quarter FY20 Report**

Ms. Cathy Patrick, Management Services Director, informed the committee of all completed reports, work in progress and miscellaneous projects. *Mr. Swafford asked what will happen to the hotel/motels if they are unable to pay because of the pandemic. Ms. Patrick said the State of Texas instituted a program in March allowing properties to place 25% down and then pay the balance in 90 days. If they comply, then the city will waive the penalties and interest. The city has four properties that are making payments.*

**Item 2 – Employee Insurance Fund Monthly Review**

Ms. Lisa Norris, Human Resources Manager, advised the committee of fund highlights. *Mr. Swafford commented that it would be better to leave those large dollar amounts in the reserves for contingency and ending resources, and then reallocate those monies when the new budget comes. Mr. Giessner and Ms. Clemson agreed. Ms. Norris recommended not moving any of the monies. Mr. Giessner inquired how many large claims the city usually has currently. Ms. Norris replied since the city switched to the High Deductible Health Plan, there has only been one large claim. Mr. Swafford asked her if she thinks that those 3 high claims will run over the stop/loss reserve amount. Ms. Norris said they have already run over so the question is will they do it again in 2020. Only time will tell. Mr. Swafford instructed Ms. Norris to research those high claims with Blue Cross Blue Shield and request an estimate by the end of September. Ms. Norris agreed. Mr. Giessner asked if she thinks BCBS is working out as well as they said. Ms. Norris said the experience has been very positive.*

### **Item 3 – Risk Fund Summary Review through April 21, 2020**

Ms. Norris continued with updates on the Risk fund. *Mr. Swafford asked if the revenue amount of \$300,000 for the Health Insurance stop/loss is still good. Ms. Norris said that number is from the prior year. Ms. Megan Mahan, City Attorney agreed with Ms. Norris's report. The committee thanked Ms. Norris and Ms. Mahan.*

*Chairman Swafford gave an invitation for citizens to speak. Mr. Barron Fraker, I.T. Systems Administrator verified that no citizens were present for the video conference.*

### **Consent Agenda**

*Chairman Swafford asked the committee if they needed to remove any items from the consent agenda. Committee members Clemson and Giessner said they did not. Council member Giessner moved to approve Items 4 – Items 8 on consent and send them to City Council for review and approval. Council Member Giessner seconded. Motion carried 3 – 0.*

**Item 4** – Minutes of the March 3, 2020, Finance and Government Committee Meeting

**Item 5** – Ordinance amending the FY 2019/2020 Capital Improvement Projects Budget; Purchase of Falcon, 6 Ton Asphalt Pothole Patcher Hot Box, from Kirby Smith Machinery, Inc. in the total amount of \$66,200 through a national interlocal agreement with BuyBoard

**Item 6** – Ordinance amending the FY 2019/20 Capital Improvement Projects Budget; Construction Contract with SEMA Construction, Inc. in the amount of \$6,216,113.75 for Seeton Road Phase II and Taaffe Creek Stream Stability Improvements; Material Testing with TEAM Consultants in the amount of \$108,231.20; 5% contract contingency in the amount of \$310,805.69; In-House labor distribution in the amount of \$310,805.69; Street lighting allowance in the amount of \$39,000 for a total project cost of \$6,984,956.32.

**Item 7** – Ordinance amending the FY 2019/2020 Capital Improvement Projects Budget in the amount of \$500,000 for a new parking lot for the Summit at the northwest corner of Warrior Trail and Esplanade

**Item 8** – Resolution to deny Oncor's Application to amend its Distribution Cost Recovery Factor (DCRF) to Increase Distribution Rates

### **Items for Individual Consideration**

**Item 9** – Consideration of all matters incident and related to amending Ordinance No. 8051 authorizing the City of Grand Prairie, Texas, Sales Tax Subordinate Lien Revenue Refunding Bonds, Series 2009, including the adoption of an ordinance pertaining thereto

Mr. Brady Olsen, Treasury and Debt Manager, clarified a point on Ms. Patrick's audit report. The Brinks Armored Car contract was approved in February giving the City the ability to negotiate and amend the budget so there will not be any further action.

The city is refinancing approximately \$7 million in outstanding debt with Bank of America and will see about \$464,000 in savings over the life of the bond. *Mr. Swafford questioned why Fitch would downgrade one bond, but not another from the same source. Ms. Becky Brooks, Chief Financial Officer, welcomed via telephone Mr. Jim Sabonis, Hilltop Financial Advisor. Mr. Sabonis informed the committee that he does not agree with the process. He explained even with the downgrade, those are higher than your S & P rating and they have a higher coverage ratio. Mr. Swafford clarified that the bonds were rated by Fitch and S & P. Mr. Sabonis said yes and they continue to rate the bonds. Mr. Swafford also clarified that the city has other sales tax bonds paid by sales tax that were Fitch rated, but did not get downgraded. Mr. Sabonis said yes. Ms. Brooks suggested going back to the market and reevaluating this summer and winter. Mr. Swafford agreed. Mr. Giessner inquired if this was a scheduled rating review or a shock test due to the economy. Mr. Sabonis replied there are annual reviews, but this was premature. Mr. Swafford thanked the Finance team and Mr. Sabonis. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Ms. Clemson moved to approve and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

**Item 10 – Ordinance amending the FY 2019/2020 Epic Fund Operating Budget; Ratifying the emergency appropriation of \$800,000 to fund minimum operating reserves for Epic Waters and reduce operating revenues due to COVID operational shut down**

Mr. Gary Yakesch, Assistant Director- Business, informed the committee this is all in relation to facility closings due to COVID-19. *Mr. Giessner clarified with the Payroll Protection Program (PPP), there would not be a reduction in staff for 8 weeks. Mr. Yakesch said yes. Ms. Clemson inquired if Epic Waters could open partially for birthday parties or anything to generate revenue. Mr. Yakesch replied they are working to roll out a plan by the end of the month and waiting for more instructions from the governor. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.*

**Item 11 – Ordinance amending the FY 2019/2020 Capital Improvement Projects Budget; Ratification of the appropriation of \$100,000 for the purpose of providing funds to assist the local community during the COVID-19 pandemic**

Ms. Cheryl De Leon, Deputy City Manager, advised the committee this ordinance is for providing funds to the local community. *Mr. Swafford asked how each entity will receive their monies. Ms. De Leon said the monies will be provided in installments and the first one has already been made. Mr. Giessner inquired if each organization will document how the money was spent. Ms. De Leon replied yes sir. Ms. Clemson asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no ma'am. Ms. Clemson commented that this is a great idea and she has received many positive comments. She also mentioned that people have asked why some organizations were chosen over others and her response was these charities have good track records and because they provide basic human needs. Ms. Clemson moved to approve and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

**Item 12 – Ordinance amending the FY 2019/2020 Capital Improvement Projects Budget; Change Order/Amendment No. 16 with Lee Lewis Construction, Inc. in the amount of \$123,633.50 for all remaining agreed upon Change Orders to their contract in order to allow for closeout of The Epic and Epic Waters construction projects (change orders include work associated with added mechanical design, millwork revisions, structural relocation, adjustments to conform with the Americans with Disabilities Act, sports court layout changes, elevator camera additions and alteration of landscape plantings)**

Mr. Andy Henning, Senior Building and Construction Projects Manager, informed the committee this is the last change order for The EPIC. *Mr. Giessner questioned if HKS will reimburse the city due to errors and omissions and should these items have been corrected on the design phase. Mr. Henning said yes sir and yes. Ms. Clemson asked if the condensation dripping onto the basketball courts was resolved. Mr. Henning said they did a test and balance and the last test showed that there is balance throughout the facility. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.*

**Item 13 – Developer Participation Agreement with Aerofirma Corp. for Prairie Gate Phase II Development of Westcliff Road for a not to exceed amount of \$540,000**

Mr. Bill Crolley, Deputy City Manager, advised the committee this item is not on tonight's City Council agenda, but we wanted to talk about the project and the financing. *Mr. Swafford asked what the estimated cost of the water and sewer would be. Mr. Crolley said those have not been finalized yet and that is part of the reason we are not ready. Those numbers would be part of the agreement before it gets signed and goes to council. Mr. Swafford questioned if we need more right of way. Mr. Crolley answered yes from Aerofirma and yes from the owner of the adjacent property. Mr. Swafford mentioned that this sprung up from the developer at the Prairie Gate project for another access road. We could possibly do it cheaper than a developer agreement. Mr. Crolley agreed and added the city could do it cheaper and faster. Mr. Giessner asked if this project would complete the entire road. Mr. Crolley said yes, it would connect Fish Creek and IH20. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Ms. Clemson moved to approve and send to City Council for review and approval. Mr. Giessner seconded. Motion carried 3-0.*

### **Executive Session**

There was no executive session at today's meeting.

The Finance and Government Committee meeting adjourned at 5:25 p.m.

---

Jim Swafford, Chairman  
Finance and Government Committee

Construction Contract with Scott Dennett Construction, LC for a new parking lot for the Summit at the northwest corner of Warrior Trail and Esplanade in the amount of \$280,147.88 through a national interlocal agreement with TIPS; a third party construction testing contract for CMJ Engineering in the amount of \$8,019; 5% construction contingency of \$14,007 for a total project cost of \$302,173.88

**Presenter**

Andy Henning, Senior Building and Construction Projects Manager

**Recommended Action**

Approve

**Analysis**

Due to the forthcoming EpicCentral development work that will displace a minimal amount of existing parking for The Summit, a new parking lot was identified for consideration by City Staff due to the increased demand for parking during special events within EpicCentral. The location of the additional parking was also considered for the benefit it could provide to PlayGrand Adventures during peak times requiring overflow parking.

To date, the City has approved award of a design services contract to Cobb Fendley Engineering in the amount of \$25,485 (including a reimbursable expenses allowance of \$500) for turnkey design of all scopes of work associated with the parking.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative

purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master interlocal cooperative agreements with various entities including The Interlocal Purchasing System (TIPS).

TIPS is able to save money by pooling the impressive purchasing power of their members, which include hundreds of school districts, municipalities, counties, other local governments, and nonprofits across Texas. They use the power of numbers as leverage to get better prices with the same vendors we use now.

The construction services will be purchased directly from Scott Dennett Construction, LC through their TIPS contract #181101 for Job Order Contracting, effective January 31, 2019 and set to expire January 31, 2021.

This item was taken to the Finance and Government Committee on June 2, 2020 for their review and recommendation for approval.

### **Financial Consideration**

Funding for a new parking lot for the Summit at the northwest corner of Warrior Trail and Esplanade, in the amount of \$302,174, is available in the Street Capital Projects Fund (400192) WO #02014903(Warrior Trl Summit Parking)

Price Agreement for landscape maintenance services at EPIC Central from Terracare Associates, LP (up to \$316,291.48 annually) for one year with the option to renew for (4) four additional one year periods totaling \$1,581,145.74, if all extensions are exercised and authorize the City Manager to execute the renewal options with aggregate price fluctuations of the lesser of up to \$50,000 or 25% of the original maximum price so long as sufficient funding is appropriated by the City Council to satisfy the City's obligation during the renewal terms

**Presenter**

Duane Strawn, Director of Parks, Arts and Recreation

**Recommended Action**

Approve

**Analysis**

The contract is for landscape maintenance to include mowing, edging, herbicide application, litter collection and other related landscape services for EPIC Central.

Notice of bid #20070 was advertised in the Fort Worth Star Telegram and Public Purchase; it was distributed to 31 vendors. There were two Grand Prairie vendors available for this service. A total of 10 bids were received as shown on attachment A..

The award was based on best value criteria set up in the specification, including price, qualifications, references, site visits and local business presence. The review committee results identified Terracare Associates, LP as the best value bid for this contract.

The proposed contract was presented to the Finance and Government Committee on June 2, 2020 and received recommendation for Council approval.

### **Financial Consideration**

Funding for this contract is available as follows and will be charged accordingly through the end of the current fiscal year. Funding for future fiscal years will be paid from that fiscal year's approved budget.

1. \$177,124 available in EPIC Operating Fund Mowing Account (313211-61225)
2. \$139,168 available in the Storm Water Operating Fund Mowing Account (318010-61225)

**Title**

Ordinance amending the FY 2019/2020 Capital Improvement Projects Fund; award a professional services contract with the Broussard Group, dba TBG Partners (TBG) in the amount of \$75,000 and approve a 5% contingency of \$3,750 for a total cost of \$78,750 for architectural services for Mountain Creek Lake Park Master Plan

**Presenter**

Duane Strawn, Director of Parks, Arts and Recreation

**Recommended Action**

Approve

**Analysis**

On April 16, 2020, staff initiated negotiations with TBG Partners for Master Planning services for Mountain Creek Lake Park Master Plan. TBG has completed several projects for the City of Grand Prairie including the successful 2019 PlayGrand Adventures. The firm will evaluate the existing conditions of the park, manage public input process, and develop a conceptual master plan, and cost estimation of improvements for the park. This consultant has submitted a fee of \$75,000 for the project.

Once the conceptual master plan for Mountain Creek Lake Park is completed and construction elements determined, staff will solicit proposals/bids for the construction and completion of the requested elements. The award of the design and construction elements for Mountain Creek Lake Park will be brought forward for Council consideration at a future date.

The item was presented to the Finance and Government Committee on June 2, 2020 for their review and approval.

**Financial Consideration**

Funding for a professional services contract, in the amount of \$78,750, is available by approving an ordinance transferring and appropriating from the unobligated balance in the Parks Capital Projects Fund (317193) to WO #02015001 (Mountain Creek Improvements)

**Body**

**AN ORDINANCE OF THE CITY OF GRAND PRAIRIE, TEXAS, AMENDING THE FY 2019/2020 CAPITAL IMPROVEMENT PROJECTS BUDGET BY TRANSFERRING AND APPROPRIATING \$78,750 FROM THE UNOBLIGATED FUND BALANCE IN THE PARKS CAPITAL PROJECTS FUND (317193) TO WO #02015001 (MOUNTAIN CREEK IMPROVEMENTS**

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:**

**SECTION 1. THAT the FY 2019/2020 Capital Improvement Projects Budget be amended by transferring and appropriating \$78,750 from the Parks Capital Projects Fund to WO #02015001 ( Mountain Creek Improvements).**

**Title**

Purchase of monuments and accessories offered for resale by Grand Prairie Memorial Gardens with Matthews International Corp. in an annual amount not to exceed \$100,000; Memorial Monuments, Inc. in an annual amount not to exceed \$100,000; and Family Bronze, LLC. in an annual amount not to exceed \$60,000, each for one year with up to four additional one-year periods cumulatively totaling approximately \$1,300,000; authorize the City Manager to execute the renewal options with aggregate price fluctuations of the lesser of up to \$50,000 or 25% of the original maximum price so long as sufficient funding is appropriated by the City Council to satisfy the City's obligation during the renewal terms

**Presenter**

Duane Strawn, Director of Parks, Arts and Recreation

**Recommended Action**

Approve

**Analysis**

Monuments (grave markers) are purchased by the City for customers at Grand Prairie Memorial Gardens; these monuments (grave makers) are procured and used exclusively for subsequent retail sales. Customers seeking to acquire a monument (grave marker) and any other related accessory, such as a monument plaque or other monument accessory, will obtain cemetery guidelines as it relates to these monuments. Cemetery staff coordinates design and layout of each monument individually and will procure the special order monument

from the selected vendor. Monuments offered for resale are priced accordingly to prevailing market rates and the costs are fully recovered at the time of resale.

Local government code 252 provides an exemption from the competitive bid process when the goods purchased by a municipality are for subsequent retail sale by the municipality.

City Council authorization is required due to this expenditure surpassing \$50,000. If approved, City staff will be authorized to make purchases of the specified goods/services for subsequent retail sales, as authorized by the Texas Local Government Code, so long as Council continues to appropriate funds and approve those future year's budgets for these resale items.

### **Financial Consideration**

Resale expenses are recuperated during the subsequent retail sale. Funding is provided in the FY 2019/2020 Cemetery Fund (316210-60690). Funding for future fiscal years will be paid from that year's approved budgets so long as Council continues to appropriate funds and approve those future year's budgets for these resale items.

**Title**  
Resolution of the City Council of the City of Grand Prairie, Texas directing the Chief Financial Officer to calculate the City's Property Tax Rate in accordance with State Law Provisions

**Presenter**  
Becky Brooks, CFO

**Recommended Action**  
Approve

**Analysis**  
As a part of SB2, any city in which a disaster occurs can calculate their tax rate as set for special districts. This would allow the City Council to use the old rollback rate as opposed to the new voter approval rate. This resolution would only direct the CFO to calculate the rate allowed. This would not set a tax rate or even intimate Council has the desire to set a tax rate at the voter approval rate. This is a step that will allow Council greater flexibility to set a tax rate that supports the desired budget.

**Financial Consideration**  
This resolution will allow for greater flexibility in setting the FY 2020/2021 budget as we collect more information on the ongoing financial effects of COVID-19.

**Body**  
**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS DIRECTING THE CHIEF FINANCIAL OFFICER TO CALCULATE THE CITY'S PROPERTY TAX RATE IN ACCORDANCE WITH STATE LAW PROVISIONS**

**WHEREAS**, Chapter 26.04 (c-1) of the Tax Code provides an alternative property tax rate calculation

methodology for the ‘voter-approval tax rate’ under a declared state of disaster. And, such alternative methodology is to be available for up to three tax years following the disaster, under specific conditions; and

**WHEREAS**, the Governor of the State of Texas declared the state a disaster proclamation on March 13, 2020 as a result of the COVID-19 Pandemic; and the Mayor declared a similar disaster for the City; and

**WHEREAS**, The Property Tax Code further requires the governing body to direct a ‘designated officer or employee’ to calculate the rate in this alternative manner, which responsibility in the City falls to the Chief Financial Officer (CFO) in conjunction with Dallas County Tax Assessor; and

**WHEREAS**, Chapter 26.07(b) of the Property Tax Code, and Chapter 26.013(b)(1) further define implications to the property tax rate process in years subsequent to a disaster and for any “unused increment rate”; and

**WHEREAS**, The City Council desires to evaluate all possible legally allowable property tax rate alternatives during their budget hearings as they deliberate the needs of the community and the resources expected to be available to pay for those needs; and

**WHEREAS**, The City Council desires to retain flexibility in setting the final property tax rate for fiscal year FY 2020/2021 and each subsequent period that may be affected by this calculation; and

**WHEREAS**, the City Council retains the authority to set the final property tax rate at an amount it determines to be in the best interests of the community, as established through all appropriate, legal and required processes.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:**

**SECTION 1:** THAT the CFO is directed to calculate, or have calculated, the possible property tax rate according to the methodology authorized in the event of a disaster.

**SECTION 2:** THAT the CFO is further directed to continue to calculate, or have calculated future possible property tax rates for subsequent years according to all methodologies allowed by state law in effect at the time.

**SECTION 3:** THAT this resolution shall be in full force and effect from and after its passage and approval.

**PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS, IN REGULAR COUNCIL SESSION, THIS 16th DAY OF JUNE, 2020.**

**Title**

Ordinance amending the FY 2019/2020 Red Light Safety Fund, in the amount of \$484,608; for the purchase of eight Police Pursuit Chevrolet Tahoe fleet vehicles from Freedom Chevrolet in the amount of \$279,808, through the an Interlocal Agreement with Tarrant County; and the purchase of related emergency vehicle equipment in the amount of \$204,800, through various existing Interlocal Agreements; and the purchase of three additional Police Pursuit Tahoes in the amount of \$104,928 through an Interlocal Agreement with Tarrant County, funded in the FY 2020 Risk Fund budget

**Presenter**

Daniel Scesney, Chief of Police, Ryan Simpson, Support Services Division Manager, Police Department, and Jayson Ramirez, Fleet Services Manager, Finance Department

**Recommended Action**

Approve

**Analysis**

The Police Department has proposed to purchase 36 2021 Chevrolet Tahoes in the FY 2021 budget, to replace existing, aging Chevrolet Tahoes. Due to COVID-19 and a new body style for the 2021 model year, the Department does not expect to receive any of the new 2021 model year Tahoes until summer of 2021. To avoid placing a strain on the Department’s fleet due to these delays, the Department is seeking to purchase 11 remaining 2020 model year Tahoes that are currently in stock at a dealership contracted by Tarrant County.

Three of the proposed Tahoes will be funded by the Risk Fund to replace three existing Tahoes that were lost due to accident damage.

The remaining eight proposed Tahoes will reduce the planned FY 2021 Tahoes purchase count to 28. In the event the Department has an unplanned need to replace additional Tahoes this fiscal year, due to accident damage, that number of Tahoes will be added back to the planned FY 2021 purchase count.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has a master inter-local cooperative agreement Tarrant County, for the purchase of the Chevrolet Tahoes and related emergency vehicle equipment.

The Finance and Government Committee reviewed this item on June 2, 2020 for their approval and recommendation.

#### **Financial Consideration**

Funding for the purchase of eight police units and related equipment, in the amount of \$484,608, is available by approving an ordinance transferring and appropriating from the unobligated fund balance in the Red Light Safety Fund. Funding will be reimbursed from the FY 2019/2020 Risk Fund budget, for unplanned replacements due to accident damage. Funding for the remainder at the end of the fiscal year will be reimbursed by both the FY 2021 General Fund and the FY 2021 Equipment Acquisition Fund budgets. Funding for the purchase of three police units, in the amount of \$104,928 is available in the FY 2019/2020 Risk Fund budget.

#### **Body**

### **AN ORDINANCE OF THE CITY OF GRAND PRAIRIE, TEXAS, AMENDING THE FY 2019/2020 RED LIGHT SAFETY FUND BY TRANSFERRING AND APPROPRIATING \$484,608 FROM THE UNOBLIGATED FUND BALANCE IN THE RED LIGHT SAFETY FUND FOR THE PURCHASE OF POLICE UNITS AND RELATED EQUIPMENT**

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:**

**SECTION 1.** That the FY 2019/2020 Red Light Safety Fund be amended by transferring and appropriating \$484,608 from the unobligated fund balance for the purchase of police units and related equipment.

**SECTION 2.** That the FY 2019/2020 Risk Fund, the FY 2020/2021 General Fund and the FY 2020/2021 Equipment Acquisition Fund will reimburse the Red Light Safety Fund.

Analysis

The Police Department continues to seek additional technologies that expand the efficiency and effectiveness of its members to serve the citizens of Grand Prairie in the areas of community service and in the enforcement of traffic laws for the maintaining of public safety and a continued increase of the quality of life. The Department is seeking to add traffic enforcement related equipment with the technology that furthers this goal by multiplying its capacity to detect and investigate traffic-related, and other criminal offenses.

The Department is proposing to purchase 29 license plate detection cameras, with a two-year initial service contract, at a cost of \$116,000. These cameras will be installed at various locations throughout the city. Flock Safety offers solar powered cameras that will offer enhanced portability and flexibility when selecting installation locations.

The Department is also proposing to purchase additional surveillance cameras, speed detection devices, vehicle computer data extraction equipment, and mapping software at a combined one-time cost of \$281,600.

The Public Safety, Health and Environmental Committee reviewed this item on June 1, 2020 and recommended that it be forwarded to the City Council for approval.

The Finance and Government Committee reviewed this item on June 2, 2020 for their approval and recommendation.

#### **Financial Consideration**

Funding for the proposed traffic safety related equipment in the amount of \$336,265 is available by approving an ordinance transferring and appropriating from the unobligated fund balance in the Red Light Safety Fund.

#### **Body**

**AN ORDINANCE OF THE CITY OF GRAND PRAIRIE, TEXAS, AMENDING THE FY 2020 RED LIGHT SAFETY FUND BY TRANSFERRING AND APPROPRIATING \$336,265 FROM THE UNOBLIGATED FUND BALANCE IN THE RED LIGHT SAFETY FUND FOR THE PURCHASE OF TRAFFIC SAFETY RELATED EQUIPMENT**

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:**

**SECTION 1.** THAT THE FY 2020 Red light Safety Fund be amended by transferring and appropriating \$336,265 from the unobligated fund balance in the Red Light Safety Fund for the purchase of traffic safety related equipment.

Developer Participation Agreement with Alluvium Development, Inc. for Upsizing of Roadway Improvements for Grandway Blvd. for a not to exceed amount of \$442,000

**Presenter**

Gabe Johnson, Director of PublicWorks

**Recommended Action**

Approve

**Analysis**

Grandway Development is the retail/commercial development currently located between Lake Ridge Parkway and Coastal Blvd. in Grand Prairie. The proposed road will be built in conjunction with the Grandway Development. In an effort to attract retail/commercial developments at this location, developer Terrance Jobe of Alluvium Development, Inc., has proposed constructing the necessary roadway infrastructure to prepare the area for development and to serve other adjacent properties and provide service to additional properties.

This agreement is proposed for construction with the City and the Alluvium Development, Inc. including paving and drainage that will allow this area to be "Development Ready." This agreement covers the City Capital Improvement Project (CIP) portion that the Developer is constructing instead of the City constructing to take advantage of the other work done by the Developer. This is being done at a substantial savings to the City' CIP for this infrastructure.

Project will include design and construction of 9,280 feet of 8" 4000 psi reinforced concrete pavement 48 feet wide with 6" curb per City Specifications. It will also include 16,372 feet of 5' concrete sidewalk with barrier free ramps.

Estimated Total project cost will be \$1,995,343 for Grandway Blvd. from Lake Ridge Parkway to Coastal Blvd. Alluvium Development has agreed to enter into this development agreement with the City to get this much needed roadway upsizing completed for a 66/34 split between Alluvium Development, Inc. and the City of Grand Prairie. Alluvium Development, Inc. will also be constructing water, sewer, storm water, left hand turn lane and decel lane at 100% their expense.

All public participation in the cost of the Public Improvements associated with the project is dedicated to the extension of the improvements as per the Capital Improvements Plan, to increase necessary capacity for existing and in anticipation of other future development in the area as approved in the City's Capital Improvement Projects budget. Further, the City's participation shall be based on funds appropriated for this project in the Capital Projects Funds. The City's participation amount will remain applicable for a period not to exceed 24 months. If work on the Public Improvements has not been initiated within 24 months of the date this Agreement was executed and the Agreement has not been amended by the City Council to provide for an extension, then this Agreement shall be terminated and the City will have no further obligation under this Agreement.

This item will be reviewed by the Finance and Government Committee and the City Council Development Committee at their meetings held on June 5, 2020.

#### **Financial Consideration**

Funding for the Developer Participation Agreement for Alluvium Development, Inc. of Grandway Blvd, for a not to exceed amount of \$442,000, is available in the Street Capital Project Fund (400192) WO #02007303 (FY20 Developer Participation STRT)

**Title**

Ordinance amending the FY2019/2020 Capital Improvement Projects Budget; Great Southwest Parkway improvements under Interstate 20 from Eastbound to Westbound frontage roads City Match with TxDOT LPAFA in the amount of \$711,374

**Presenter**

Walter Shumac, Director of Transportation

**Recommended Action**

Approve

**Analysis**

The City of Grand Prairie is entering into a partnership agreement with TXDOT for Great Southwest Parkway improvements under Interstate 20 from EB to WB frontage roads. This work includes additional lane on Great Southwest Parkway in each direction under IH20 from EB to WB frontage roads. These improvements will reduce congestion at Great Southwest Parkway and IH20 interchanges without additional capacity on Great Southwest Parkway under IH-20, that the interchange will become more of a bottleneck; particularly with Great Southwest Parkway improvement to 6 lanes in each direction. These improvements will provide significant mobility enhancements within the corridor.

The overall project cost is \$3,512,130 of which \$2,126,400 is federally funded, \$674,355 is state funded and \$711,374 is locally funded.

**Financial Consideration**

City’s portion of the estimated \$3,512,130 cost of the project is about 20.25% (\$711,374). Funding agreement

calls for the city to pay \$186,060 upon execution and before construction.

Fund in the total amount of \$711,374 is available as follows;

1. \$450,000 is available in the Street Capital Project Fund (400192) WO #01808103 (Pavement Widening along GSW Pkwy under I20)
2. \$261,374 is available by appropriating and transferring from the unobligated fund balance of Street Capital Project Fund (400192) to WO #01808103 (Pavement Widening along GSW Pkwy under I20)

Change Order/Amendment No. 2 with Hill & Wilkinson General Contractors for the City Hall Municipal Campus Phase Two construction work in the amount of \$109,179.10 for electrical coordination and necessary code upgrades, landscape/civil adjustments, HVAC diffuser length changes and new fire alarm strobes

**Presenter**

Andy Henning, Senior Building and Construction Projects Manager

**Recommended Action**

Approve

**Analysis**

On June 4, 2019 the City Council awarded the Construction Manager at Risk (CMAR) contract to Hill & Wilkinson General Contractors (19-9024) for pre-construction services in the amount of zero dollars (\$0). This award provided for CMAR services including development of project estimates, preliminary construction schedules, value engineering proposals and constructability review during the Design Phase.

**Current Change Order/Amendment No. 2 in the amount of \$109,179.10** is divided as follows:

**\$7,980.98** for electrical panel LA-4 coordination with existing conditions

**\$94,410.97** for electrical upgrades of existing equipment in order to meet all code requirements

**\$528.84** for minor adjustments to landscape and civil engineering designs to coordinate both scopes

**\$2,706.35** for change in length of HVAC slot diffusers required to allow proper air flow

**\$3,551.96** for replacement of existing fire alarm strobes in City Hall West in order to allow new overall fire alarm system for all three (3) connected City Hall buildings to communicate seamlessly and report appropriately to the Grand Prairie Fire Department

**Change Order/Amendment No. 1 in the amount of \$6,215,173** was approved by City Council on December 17, 2019 (19-9613) and represented the Guaranteed Maximum Price (GMP) for the scope of work defined in the Rouch Architects Construction Documents package as competitively bid by Subcontractors to Hill & Wilkinson General Contractors. Costs above and beyond the Hill & Wilkinson portion of the project addressed in Change Order/Amendment No. 1 included previously approved Construction Manager pre-construction fees (\$0) and an asbestos remediation allowance (\$30,000); 5% contingency (\$310,759); allowance for FF&E (\$1,200,000); allowance for IT/data design and installation (\$95,000); allowance for A/V equipment (\$200,000); allowance for door access and security systems (\$95,000); allowance for Oncor Electric power line relocation (\$125,000); plus an allowance for construction testing (\$25,000), all of which total the overall project budget of \$8,295,932.

Items applicable to performance by the Construction Manager at Risk (CMAR) will be incorporated into the current Hill & Wilkinson General Contractors contract for a revised total contract in the amount of **\$6,324,352.10**. Percentage of change orders including the current Change Order/Amendment No. 1 is 1.76%.

This item was taken to the Finance and Government Committee on June 2, 2020 for their review and recommendation for approval.

#### **Financial Consideration**

Funding for change order/amendment no. 2, in the amount of \$109,179, is available in the Municipal Facilities Capital Projects Fund (405090) WO #02002603 (Municipal Complex Ph II) PO 413519 contingency.

**Analysis**

On August 7, 2018 (18-8084) the City Council awarded the Construction Manager at Risk (CMAR) contract to Modern Contractors for pre-construction services in the amount of \$1,000. This award provided for CMAR services including development of project estimates, preliminary construction schedules, value engineering proposals and constructability review during the Design Phase.

**Current Change Order/Amendment No. 5 in the amount of \$176,052.11 is divided as follows:**  
**\$4,907.09** for change from 1 ½” to 2 ½” double check valve with freeze protection cavity wall

**-\$7,785.00** credit for removal of oil/water separator  
**\$9,961.24** for construction manager overhead/profit percentages not included in prior change orders  
**\$7,359.61** for electric vehicle charging equipment and final electrical connections  
**\$23,956.72** for structural additions for hose reels, ceiling fan support and guard rails  
**\$545.57** for roof drain washout pit  
**\$63,324.22** for expansion of new concrete parking at northeast corner of site  
**\$2,961.95** for added irrigation to support new grass area installed  
**\$2,684.17** for ground-fault circuit interrupter (GFCI) breakers for new appliances per City inspector  
**\$702.90** for mechanical ductwork modifications at storage mezzanine to cap previous routing  
**\$792.77** for added door closer hardware  
**\$546.20** for four (4) fire extinguishers per Fire Marshal direction  
**\$52,782.92** for soil chemical injection at southwest corner of service bays where heaving occurred  
**\$8,474.00** for new sidewalk location necessary to coordinate with expanded new entry gate fencing  
**\$1,820.66** for eight (8) new bollards proposed to protect new entry gate opening widths  
**\$3,017.09** for millwork adjustments to allow for additional seating positions and coordination with an ice and water machine obtained for the facility

**Current Change Order/Amendment No. 4 in the amount of \$42,378.86** was approved by City Council on December 17, 2019 (19-9604) and represented the following:

**\$770.00** for added data drops to coordinate with furniture layout  
**\$1,037.00** for new hollow metal frame and glazing at existing service bay office  
**\$714.00** for three (3) new lay-in LED light fixtures for the IT room  
**\$2,920.00** for four (4) fire-rated access panels as requested by city inspector per code requirements  
**\$2,344.00** for additional ceramic tile in corridor A118 and assembly area A139  
**\$2,835.00** for added conduit pathway for city fiber  
**\$2,319.00** for additional steel lintel and brick masonry at outside corner of roof parapet  
**\$29,439.86** for electrical service to parking area designated for electric fleet vehicle charging

**Change Order/Amendment No. 3 in the amount of \$216,603.44** was approved by City Council on November 5, 2019 (19-9514) and represented the following:

**\$18,465.00** for added roof parapet wall framing and coping cap due to existing unforeseen condition above new main entry location  
**\$5,580.00** for added structural steel framing and required masonry lintel near northwest entry  
**\$2,305.00** for added steel support angle  
**\$5,670.00** for increased roof insulation thickness and mechanical curb extension  
**\$176,088.44** for relocation and reconstruction of the Environmental Services hazardous materials holding area which is currently located on site at the Fleet Services Center  
**\$600.00** for a new hose bib to replace the existing broken hose bib  
**\$7,895.00** for removal and replacement of existing exterior hollow metal frame and door along with added concrete steps and curb for improved access

**Change Order/Amendment No. 2 in the amount of \$171,170.06** was approved by City Council on August 6, 2019 (19-9197) and represented the following:

**\$856.96** for removal of existing single phase transformer  
**\$650.00** for addition of 6" double cleanout as requested by City  
**\$1,894.66** for security lighting during construction due to increased occurrence of theft at other construction sites across the City  
**\$2,545.00** for wall construction change in the men's locker room area for enhanced durability and provision of insulation

**\$2,635.00** for added millwork areas within the office expansion  
**-\$5,435.00** credit for signage removal and plumbing reduction associated with Architect's Supplemental Instructions (ASI) 03  
**-\$1,921.20** credit for reimbursement of emergency City fiber cabling repair cut by contractor  
**-\$1,500.00** credit for change in trench drain manufacturer/supplier to match phase one construction  
**\$141,340.74** for two (2) 10 ton 40' span cranes for the new service bay area along with concrete foundation adjustments and additions  
**\$3,620.00** for truck wash platform rework adjacent to concrete masonry south wall  
**-\$2,500.00** credit for deletion of sewage ejector equipment  
**\$7,200.00** for added fire alarm provisions as required by code  
**\$4,300.00** for upgrade of office blinds from aluminum to faux wood for durability  
**\$17,483.90** for coordination with final drawing revisions per ASI 06

**Change Order/Amendment No. 1 in the amount of \$5,471,711** was approved by City Council on December 11, 2018 (18-8482) and represented the Guaranteed Maximum Price (GMP) for the scope of work defined in the Magee Architects Construction Documents package as competitively bid by Subcontractors to Modern Contractors.

Items applicable to performance by the Construction Manager at Risk (CMAR) will be incorporated into the current Modern Contractors contract for a revised total contract in the amount of **\$6,078,915.47**. Percentage of Change Orders/Amendments including the current is 11.08% of the original contract.

This item was taken to the Finance and Government Committee on June 2, 2020 for their review and recommendation for approval.

### **Financial Consideration**

Funding for Change Order/Amendment No. 5 with Modern Contractors for Fleet Services Center Additions and Renovations (Phase Two), in the amount of \$176,053, is available in Municipal Facilities Capital Project Fund (405090) WO #01816901-03 (General Service Center Phase II)

Resolution in support of the United States Department of Commerce Economic Development Administration Grant Application for the Main Street Jefferson Roundabout.

**Presenter**

Marty Wieder, Economic Development Director

**Recommended Action**

Approve

**Analysis**

The CARES Act allocated additional funds toward the U.S. Department of Commerce Economic Development Administration grants program to assist communities with being sustainable and responsive to COVID-19 and potential future pandemics.

Grand Prairie recognizes that its existing and future economy may be enhanced with the roundabout designed for the interchange of Main Street and Jefferson, helping redirect truck traffic and foster redevelopment projects near the former Naval Base at Grand Prairie’s eastern edge-and potentially leading to major new employment.

The project is located in Tax Increment Reinvestment Zone #1, Area Development Zone #3 and therefore qualifies for matching grant support. Moreover, it is adjacent to two Opportunity Zones. The roundabout improvements total \$5,021,984.86, and the City would be responsible for a 20% match of \$1,004,396.97.

Grand Prairie, staff is recommending Council support of the resolution endorsing this grant application.

**Financial Consideration**

Total Project Cost - \$5,021,984.86

**Recommended Action**  
Approve

**Analysis**  
The CARES Act allocated additional funds toward the U.S. Department of Commerce Economic Development Administration grants program to assist communities with being sustainable and responsive to COVID-19 and potential future pandemics. The City of Grand Prairie recognizes that future hospitality and retail jobs associated with the EpicCentral hotel and conference center - and across the street from associated student training programs at the GPISD Dubiski Career High School - are restrained and delayed as a result of a delay to this project, originally slated to begin this summer. Major public works and infrastructure improvements are necessary to foster the start of the EpicCentral hotel and conference center totaling \$14.5 million. Moreover, because of previous bond sales the City is in the position to match at 20%, as preferred by the Economic Development Administration. Therefore, staff is recommending Council support of the resolution endorsing this grant application.

**Financial Consideration**  
Total Project Cost - \$14,500,000  
Projected City Match - \$2,900,000 (20%)

**Body**
