Analysis

This analysis covers the experience in the Employee Insurance Fund through June 2020:

Employee Insurance Fund (Attachment 1):

The insurance fund is complete through June 2020 and continues to run well. Revenues are projected to come in beneath budget, but that is because of our planned withholding of both August and September City contributions (row 2 and 3) for Actives and Retirees. This puts our revenues at 88% of budget. Expenses are also trending well, and expected to only hit about 89% of the budget overall. Active claims (column 10, row 28) and retiree claims (column 10, row 29) have reached \$10.8 million and \$1.6 million respectively through June and continue to run beneath budget. This projects our Operating Balance (column 17, row 37) at a positive to \$937,915 and the Ending Resource balance to land at \$8.6 million.

Financial Consideration

The current budget is approved and no financial consideration is necessary at this time until additional claims data based on future months can be reviewed.

CITY COUNCIL FINANCE AND GOVERNMENT COMMITTEE
July 14, 2020

The City of Grand Prairie Finance and Government Committee convened at 2:30 p.m. on Tuesday, July 14, 2020 via Zoom video conference in Grand Prairie, Texas. The following persons were in attendance:

COMMITTEE MEMBERS PRESENT

Jim Swafford, Chairman
Greg Giessner
Jorja Clemson

Chairman Swafford called the meeting to order.

Staff Presentations

Item 1 – Internal Audit FY 3rd Quarter Report

Ms. Cathy Patrick, Management Services Director, informed the committee of all completed reports, work in progress and miscellaneous projects. *Mr. Swafford asked if the audit team is reviewing tax rebates with Economic Development. Ms. Patrick said yes, we are reviewing those before the payment is made.*

Item 2 – 2020 Plan of Capital Finance for Tax Notes

Mr. Brady Olsen, Treasury & Debt Manager, advised the committee last year we did all of our big debt issuances along with the property tax in August and that was too much at the same time. The committee can expect \$2 million at next month's meeting and \$22 million next winter depending on how the CIP is passed. Mr. Andre Ayala, Director of Hilltop Securities gave a brief presentation. *Mr. Swafford questioned if Hilltop had done any similar issuances since the pandemic began. Mr. Ayala answered no, but longer terms have been successful. Mr. Swafford asked what kind of rates. Mr. Ayala said, it depends on the credit strength of the borrower. We should get under 2%. However, on a good day, it could be in the low ones and on a bad day maybe 1.5% or more. Mr. Giessner clarified if the city can pay this off in a year, then it is just an interim loan. Mr. Olsen replied we are trying to fund the CIP without making any long-term commitments since we are not sure what the next 2 years will look like.*

Chairman Swafford gave an invitation for citizens to speak. Mr. Barron Fraker, I.T. Systems Administrator verified that no citizens were present for the video conference.

Consent Agenda

Chairman Swafford asked the committee if they needed to remove any items from the consent agenda. Committee members Clemson and Giessner said they did not. Council member Clemson moved to approve Items 3 – Items 6 on consent and send them to City Council for review and approval. Council Member Giessner seconded. Motion carried 3 – 0.

Item 3 – Minutes of the June 2, 2020, Finance and Government Committee Meeting

Item 4 – Minutes of the June 16, 2020, Finance and Government Committee Meeting

Item 5 – Price Agreement for Lake Park Operations software from RMS North America in the amount of \$17,687 (\$4,571 one-time/implementation cost; \$13,116 Annual Maintenance) for one year with the option to renew for nine additional one year periods totaling \$135,731 if all extensions are exercised and authorize the City Manager to execute the renewal options with aggregate price fluctuations of the lesser of up to \$50,000 or 25% of the original maximum price so long as sufficient funding is appropriated by the City Council to satisfy the City's obligation during the renewal terms

Item 6 – Professional design services contract with Komatsu Architecture in the amount of \$70,686 for programming, planning, design, documentation and construction administration services for all scope of work associated with renovations to the existing Water Utility Customer Service office space and previous City Manager office area located in City Hall West.

Items for Individual Consideration

Item 7 – Republic Services Rate Increase

Chairman Swafford informed the committee that he met with Mr. Steve Dye, Deputy City Manager. Due to the fact that Republic failed to send the information for an analysis of the requested rate increase, Chairman Swafford recommended tabling this item until the Finance & Government Budget Workshop in August. Mr. Giessner moved to table this item until the Budget workshop. Ms. Clemson seconded. Motion carried 3-0.

Item 8 – Resolution ratifying and amending the Municipal Maintenance Agreement between the City of Grand Prairie and the State of Texas Department of Transportation, providing for the City to conduct all mowing and litter collection along TxDOT rights-of-way in Dallas County

Item 9 – Resolution ratifying and amending the Municipal Maintenance Agreement between the City of Grand Prairie and the State of Texas Department of Transportation, providing for the City to conduct all mowing and litter collection along TxDOT rights-of-way in Tarrant County

Mr. Steve Dye, Deputy City Manager, advised the committee that he is very excited about this item. As part of the Clean Prairie Initiative that was started several years, we wanted to do a better job of mowing and litter collection on our interstate highways I30, I20 and 360. Kudos to Dr. Redfearn, Steve Collins, and Walter Shumac III for making this happen. The state department is going to reimburse us for monies paid and the city will hire contractors which will result in faster service. *Mr. Giessner thanked all involved because this topic has been frustrating, in particular the area of IH20 and Carrier Parkway with continual high grass and litter. Ms. Clemson clarified if this is one item or two. Mr. Dye replied two, one for Dallas County and one for Tarrant County. The reimbursements are slightly different, and the contractors will be the same for all of the highways. Mr. Swafford questioned if a similar agreement can be made with Union Pacific Railroad. Mr. Dye answered as a matter of fact, Andrew Fortune is working with them for better control over their right of ways. The committee thanked the team again! Ms. Clemson moved to approve Items 8 and 9 and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

Item 10 – Agreement with the Home Depot for the Public Safety Building's outstanding drain line repairs, in the amount not to exceed \$146,400 through a national interlocal with U.S. Communities

Mr. Ryan Simpson, Support Services Division Manager informed the committee this item is a contract with Home Depot to make some plumbing repairs to fix damage under the slab of the PBS garage area. *Mr. Giessner inquired if these are storm drains or sanitary sewers. Mr. Simpson replied both. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.*

Item 11 – Authorize the City Manager to accept a Routine Airport Maintenance Program (RAMP) Grant from Texas Department of Transportation - Aviation Division (TxDOT-Aviation) which provides matching funds of 50% of City expenditures for airport maintenance up to \$50,000

Mr. Mark Divita, Airport Director, advised the committee this is our annual reimbursement grant from TXDOT Aviation. The committee had no questions. *Ms. Clemson moved to approve and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

Item 12 – Ordinance amending the FY 2019/2020 Parks Capital Improvements Project Fund by \$301,716 for plan review and inspection of the Northwest Trail Connection Regional Veloweb grant (CentrePort Trail Phase II)

Mr. Duane Strawn, Director of Parks, Arts, and Recreation informed the committee this is a joint project supported by the mayors of Grand Prairie, Fort Worth, Arlington, Dallas, and Irving. This project will provide a continuous trail from Dallas to Ft Worth. *Ms. Clemson questioned if this last section is the part that Crow Holdings is taking care of. Mr. Strawn answered no. That is part of the Veloweb, but not this portion. Mr. Giessner inquired how long the study will last before construction begins. Mr. Strawn replied the bidding should start at the end of 2021 and the project will be completed by 2023. Mr. Swafford asked Mr. Fraker if there were any speakers*

with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.

Item 13 – Change Order/Amendment No. 7 for PlayGrand Adventures Phase 1 with Hill & Wilkinson., in the amount of \$81,557.35 for multiple items including irrigation power relocation, concrete, earthwork, landscape and irrigation additions and an allowance for haul off of spoils due to compliance with Oncor Electric easement requirements as related to the parking expansion

Mr. Strawn advised the committee this change order is for construction items related to the new parking lot. Construction should begin on August 1st with a 90 days window and hopefully be done by November 1st. *Mr. Swafford inquired if there will be enough money left over after the change order to complete the project. Mr. Strawn replied yes sir. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Ms. Clemson moved to approve and send to City Council for review and approval. Mr. Giessner seconded. Motion carried 3-0.*

Item 14 – Ordinance amending the FY 2019/2020 Capital Improvements Projects Budget for Pavement Sidewalk Repairs in the amount of \$300,000

Mr. Gabe Johnson, Public Works Director, informed the committee typically the city spends \$1 million dollars per year on sidewalks improvements. This \$300,000 will cover the project at Warrior Trail. *Mr. Swafford asked if this includes the sidewalk and fence on the northern side of Waterwood. Mr. Johnson said no, it is the part of the Summit and west on Warrior by PlayGrand and ties in at the intersection. The fence money is separate. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.*

Item 15 – Final Reconciliation Change Order/Amendment #6 with Excel 4 Construction, LLC in the negative amount of \$173,499.00 for the FY19 Water and Wastewater Improvements

Mr. Johnson advised the committee this is a project closeout in the negative amount for FY19 water/wastewater improvements. The committee had no questions. *Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Ms. Clemson moved to approve and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

Item 16 – Change Order/Amendment No. 15 in the net negative amount of \$154,839.02 with Tiseo Paving Company for Great Southwest Parkway Improvements

Mr. Johnson informed the committee this is a project closeout in the negative amount with Tiseo Paving Company. The committee had no questions. *Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review and approval. Ms. Clemson seconded. Motion carried 3-0.*

Item 17 – Construction Manager at Risk (CMAR) Contract with Hill & Wilkinson General Contractors (H&W) in the amount of \$6,878,130 for the initial phase of construction work

associated with the EpicCentral (City Phase) project; 5% owner-controlled contingency in the amount of **\$343,907**; budget allowance of \$500,000 for Oncor infrastructure and equipment; \$250,000 allowance for owner construction testing; \$225,000 allowance for Atmos infrastructure and equipment requirements; \$100,000 allowance for signage and site furnishings; \$75,000 allowance for security provisions; \$50,000 allowance for IT/data installation for a total funding request in the amount of **\$8,422,037**

Mr. Andy Henning, Senior Building and Construction Projects Manager, informed the committee this is for sight grating and preparatory work (Phase I) of EpicCentral and to remove Esplanade from the front of the Public Safety Building. *Mr. Swafford inquired if this is the entrance to the EPIC off 161. Mr. Henning said yes, that entrance will move to the south. Mr. Giessner questioned if that is where the deceleration lane will go. Mr. Henning answered yes. Ms. Clemson asked when will the project begin. Mr. Henning said the contract will be in place in next 7-10 days. Ms. Clemson commented this is an ideal time to do this and will make the transition smoother. Ms. Clemson moved to approve and send to City Council for review. Mr. Giessner seconded. Motion carried 3-0.*

Item 18 – Purchase and installation of all network infrastructure required for the revised routing of existing City of Grand Prairie, AT&T and Spectrum fiber optic cabling. This work is associated with the initial construction scope of work for the EpicCentral (City Phase) project in which Esplanade Drive will be removed within the project site. Labor will be procured through Gardner Telecommunications, Inc. (GTI) in the amount of \$64,320; ground boxes will be procured through Dynamic Vision Co. in the amount of \$13,078, and conduit will be procured from Graybar Electric Company, Inc. in the amount of \$13,088.10 for an overall project cost of \$90,486.10

Mr. Henning advised the committee that AT&T, Spectrum and ATMOS do all of their own work, but they require us to install the infrastructure. *Mr. Giessner inquired if we will take care of the connectivity between all of the Epic Central facilities. Mr. Henning said yes, with careful planning, it will be a quick switchover. Mr. Swafford asked Mr. Fraker if there were any speakers with questions. Mr. Fraker said no sir. Mr. Giessner moved to approve and send to City Council for review. Ms. Clemson seconded. Motion carried 3-0.*

Analysis
This concession bid is for concession items for purchase by guests at Lynn Creek Park and Loyd Park. Kona Ice has provided concession services for lake parks since 2015 and has excellent review from our guests.

Notice of bid #20121 was advertised in the Fort Worth Star Telegram and Public Purchase; it was distributed to 8 vendors. There was one Grand Prairie vendor available for this commodity. Kona Ice was the sole bidder on this RFP as shown on attachment A.

The award was based on best value criteria set up in the specification, including material markup, reputation,

quality of service, price, past relationship with the city and other municipalities, if they were local, and other relevant criteria as listed in the specification.

Kona Ice meets specifications and is recommended for award.

This item was presented to the Finance and Government Committee and received recommendation for Council approval.

Financial Consideration

Kona Ice has agreed to pay the City 30% of the monthly gross receipts at Lynn Creek Parks and Loyd Park.

Analysis
On June 16th, 2020 City Council ratified these agreements and approved the second renewal with contract modifications as part of the City’s pandemic response. Originally, on May 22, 2020 the City entered into an agreement for COVID-19 Drive Through Testing at a cost of \$85.00 per test administered for an initial four week period with two four-week renewal options. The estimated total is based on the per term estimated testing quantities and billed on the total number of tests administered. Drive through testing began on May 26, 2020 at the Grand Prairie Veteran’s Center and is offered to residents free of charge.

This council action tonight is to ratify the third renewal with contract modifications due to the type of COVID-19 test being administered.

Per Federal procurement guidelines, 2 CFR 200, these contracts were entered into on an exigency basis due to the federally declared disaster. All supporting documentation is on file. This is the final renewal of the 12wk total exigency contract, future contracts for these services will be competitively solicited in accordance with all

local, State, and Federal guidelines.

Financial Consideration

Federal Funds from The Coronavirus Aid, Relief, and Economic Security (CARES) Act are available for this expenditure. One third would come from the Tarrant County contribution (3005-300598-TARCARES-61480), and two thirds would come from the Dallas County contribution (3005-300598-DALCARES-61480). FEMA Public Assistance funding may also be available if so determined eligible at a later date.

Analysis

This contract will be used by the Fire Department to purchase fire fighter protective clothing, fire hoses, nozzles and other fire equipment from Casco's catalog.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master interlocal cooperative agreements

with various entities including BuyBoard.

The BuyBoard is able to save money by pooling the impressive purchasing power of their members, which include hundreds of school districts, municipalities, counties, other local governments, and nonprofits across Texas. They use the power of numbers as leverage to get better prices with the same vendors we use now.

The BuyBoard contract #603-20 began April 1, 2020 and will expire March 31, 2021, with the option to renew for two additional one-year period(s).

Financial Consideration

Funds are available in FY 2019/2020 General Fund budget 291210-60280 and 291210-60510 for clothing and small tools (equipment) and will be charged accordingly on orders through the end of the current fiscal year. Funding for future fiscal years will be paid from that year's approved budgets. In the event that their needs exceed their available budget, they will request Budget modifications before orders are placed.

Analysis
Web-based Event Ticketing system will be utilized for online ticket sales for various programs and special events hosted by the City's Parks, Arts, and Recreation Department. The agreement will include cost for general fees, optional related services, and hardware/equipment as shown on Attachment A - Bid tabulation.

Notice of bid #20141 was advertised in the Fort Worth Star Telegram and Public Purchase; it was distributed to twenty (20) vendors. There were no Grand Prairie vendors available for this commodity. Two (2) bids were received as shown on attachment A.

The award was based on best value criteria set up in the specification, including cost, product/services,

experience, local business presence, and other relevant criteria as listed in the specification.

Prekindle meets specifications and is recommended for award.

This item was presented to the Finance and Government Committee on August 4, 2020 and received recommendation for Council approval.

Financial Consideration

Funds are available in various PARD operating budgets and will be charged accordingly on orders through the end of the fiscal year. Funding for future fiscal years will be paid from that year's approved budgets.

Analysis
These contracts will be for various books and library resources. Purchases will be made from the various vendors on an as needed basis. This inter-local agreement would allow the Grand Prairie Library System (GPLS) to purchase lending and resource materials through the state's contracts for the benefit of GPLS customers. Such materials include, but are not limited to, reference books and databases; hardback, paperback, digital and pre-bound books; DVDs and CDs.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative

purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master interlocal cooperative agreements with various entities including Texas Comptroller of Public Accounts (TXMAS).

The Texas Procurement and Support Services (TPASS) has established, as an alternative purchasing method, the use of Texas Multiple Award Schedule contracts that have been developed from contracts awarded by the federal government or any other governmental entity of any state.

The Texas Comptroller of Public Accounts contract #715-M2 began June 29, 2020 and will expire October 31, 2024, with the option to renew for three additional one-year period(s) and offers items the City requires from Brodart, Midwest Tape, and Ingram. The contract with Findaway is considered a sole source provider of the Wonderbooks the City also requires and is recommended for award.

Financial Consideration

Funds are available in FY 2020/2021 General Fund budget 321310-60055 for Library Materials and will be charged accordingly on orders through the end of the current fiscal year. Funding for future fiscal years will be paid from that year's approved budgets.

Analysis

In order to further enhance customer experience and build on the current patronage Firehouse Gastro Park is experiencing, the addition of a rain and shade canopy that would provide protection from the elements stretching from the restaurant’s south façade completely over the outdoor shipping container restrooms continues to be pursued.

A contract with Playground Solutions of Texas, Inc. was previously approved by City Council on January 7, 2020 (20-9682) in the amount of \$149,122.00. Subsequent conversations and coordination between City staff and PSOT determined that what PSOT committed to provide would not be possible due to existing conditions and limitations with the specific canopy system they proposed. PSOT did offer an alternative solution, however that alternate system would have come with an increased cost of over \$20,000 which City staff rejected.

Based on above, City staff met with The Home Depot to pursue alternate options within the established budget. THD was able to access alternate roof canopy systems that worked within the constraints of the existing FHGP site that PSOT was not able to provide. In addition, the alternate system represented the cost savings of \$10,253.13 noted.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master inter-local cooperative agreements with various entities including U.S. Communities.

The Home Depot's US Communities contract #16154 was effective February 1, 2017 and will expire December 31, 2021.

This item was taken to the Finance and Government Committee on August 4, 2020 for their review and recommendation for approval.

Financial Consideration

The net negative total of \$10,253.13 will be returned to the Municipal Facilities Capital Projects Fund (405090) WO #01816803 (Redevelopment Projects)

Analysis

On June 4, 2019 the City Council awarded the Construction Manager at Risk (CMAR) contract to Hill & Wilkinson General Contractors (19-9024) for pre-construction services in the amount of zero dollars (\$0). This award provided for CMAR services including development of project estimates, preliminary construction schedules, value engineering proposals and constructability review during the Design Phase.

Current Change Order/Amendment No. 3 in the amount of \$75,637.77 is divided as follows: \$70,495.30 for additional structural steel supports, masonry supports and exterior stone material due to existing

conditions discovered once demolition was completed

\$2,083.41 for additional door, frame and hardware required

\$19,667.82 for a trench drain along the west side of the building due to moisture concerns

\$5,094.41 for added moisture barrier at exterior walls where it was discovered that it did not exist within the original building construction

\$14,950.65 for additional structure steel support due to existing conditions discovered

\$4,085.16 for further electrical code compliance upgrades of existing equipment

\$1,813.29 for raising of an existing rooftop mechanical unit to coordinate with new roof installation

\$3,915.56 for wood panel material and stain revisions above the public lobby transaction windows

\$1,894.96 for added metal stud framing and drywall to create a required soffit condition

\$48,069.22 credit for elimination of the potassium injection treatment anticipated to be required at the southeast corner of the building by the geotechnical and structural engineers

\$1,863.56 for added wood paneling framing support above the public lobby transaction windows

\$2,737.76 for ten revised hollow metal door frames to coordinate with the ceiling height reduction

\$4,894.89 credit for reimbursement for new furniture ordered due to water infiltration damage

Change Order/Amendment No. 1 in the amount of \$6,215,173 was approved by City Council on December 17, 2019 (19-9613) and represented the Guaranteed Maximum Price (GMP) for the scope of work defined in the Rouch Architects Construction Documents package as competitively bid by Subcontractors to Hill & Wilkinson General Contractors. Costs above and beyond the Hill & Wilkinson portion of the project addressed in Change Order/Amendment No. 1 included previously

approved Construction Manager pre-construction fees (\$0) and an asbestos remediation allowance (\$30,000); 5% contingency (\$310,759); allowance for FF&E (\$1,200,000); allowance for IT/data design and installation (\$95,000); allowance for A/V equipment (\$200,000); allowance for door access and security systems (\$95,000); allowance for Oncor Electric power line relocation (\$125,000); plus an allowance for construction testing (\$25,000), all of which total the overall project budget of \$8,295,932.

Current Change Order/Amendment No. 2 in the amount of \$109,179.10 was approved by City Council on June 2, 2020 (20-10026) and was comprised of the following:

\$7,980.98 for electrical panel LA-4 coordination with existing conditions

\$94,410.97 for electrical upgrades of existing equipment in order to meet all code requirements

\$528.84 for minor adjustments to landscape and civil engineering designs to coordinate both scopes

\$2,706.35 for change in length of HVAC slot diffusers required to allow proper air flow

\$3,551.96 for replacement of existing fire alarm strobes in City Hall West in order to allow new overall fire alarm system for all three (3) connected City Hall buildings to communicate seamlessly and report appropriately to the Grand Prairie Fire Department

Items applicable to performance by the Construction Manager at Risk (CMAR) will be incorporated into the current Hill & Wilkinson General Contractors contract for a revised total contract in the amount of **\$6,399,989.87**.

This item was taken to the Finance and Government Committee on August 4, 2020 for their review and recommendation for approval.

Financial Consideration

Funding for change order/amendment no. 3, in the amount of \$75,637.77, is available in the Municipal Facilities Capital Projects Fund (405090) WO #02002603 (Municipal Complex Ph II) PO 413519 contingency.

Analysis

The design and construction replacement of west side of the Airport fencing at the Grand Prairie Municipal Airport. TxDOT's estimated total project cost including engineering, design and construction is \$166,667 with the City's responsibility being 1% of the total project cost currently estimated to be \$1,667. The City of Grand Prairie would like to utilize the services of KSA Engineers, as the design engineer for this current referenced project in accordance with the consultant selection process which the Grand Prairie Airport previously performed on CSH#1802GNDPR.

Financial Consideration

This project is part of the CARES Act, the Fencing Project cost is estimated to be \$166,666: the FAA will be responsible for 100% of the design project estimated cost of \$149,999 and the City of Grand Prairie Airport

will be responsible for 1% of the design project cost estimated at \$1,667. The City's funding is available in the FY 2019/2020 Airport Fund.

Analysis
The state property tax code requires the City to make proposed tax rate information available to citizens and provide the public an opportunity to comment. This process begins with the city setting a date and time to hold a public hearing and consider the proposed tax rate. The public hearing and tax rate adoption is recommended to be on September 15, 2020 as a regular, scheduled council meeting date.

Municipalities are required to publish their tax rates and other schedules in the newspaper, various websites and on government access channel, depending on level of tax rate being considered. Staff will monitor those new requirements and ensure compliance. Staff will advise Finance and Government and City Council of our legally calculated rates and what will get posted.

The proposed level of the tax rate also determines if specific statements that have to appear in the budget, how a vote must be taken, the specific motion that has to be made, and other procedural requirements. Staff will advise City Council of those steps as we progress through the new legal process. It is important to note that adopting a tax rate in excess of the "Voter Approval Rate" (formerly the rollback rate) would trigger a mandatory election and would have to follow a different calendar. The proposed date herein does not allow

time to call such an election and therefore the City would not be able to adopt a tax rate at that level.

Analysis
In July, Council passed a resolution upon recommendation from staff to calculate our tax rate using the disaster provision of the tax code. With values coming in much lower than anticipated and an overall desire to keep the total tax rate flat, this designation is no longer necessary. Resolution 5093-2020 is attached for your reference.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS, REPEALING SECTIONS 1 AND 2 OF RESOLUTION 5093-2020

WHEREAS, Resolution 5093-2020 was passed with the intent to give the City Council expanded flexibility to guide the City during the COVID-19 Pandemic; and

WHEREAS, Low growth in property tax values for the coming years makes this flexibility unnecessary; and

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS:

SECTION 1: THAT Sections 1 and 2 of Resolution 5093-2020 be repealed.

SECTION 2: Except as provided by this Resolution, all other provisions of Resolution 5093-2020 remain unchanged and in full force and effect. In the event of conflict or inconsistency between the terms and provisions set forth in this Resolution and Resolution 5093-2020, this Resolution shall govern and control.

SECTION 3: THAT this resolution shall be in full force and effect from and after its passage and approval.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS, IN REGULAR COUNCIL SESSION, THIS 4th DAY OF AUGUST, 2020.

RESOLUTION NO. 5093-2020

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS DIRECTING THE CHIEF FINANCIAL OFFICER TO CALCULATE THE CITY'S PROPERTY TAX RATE IN ACCORDANCE WITH STATE LAW PROVISIONS

WHEREAS, Chapter 26.04 (c-1) of the Tax Code provides an alternative property tax rate calculation methodology for the 'voter-approval tax rate' under a declared state of disaster. And, such alternative methodology is to be available for up to three tax years following the disaster, under specific conditions; and

WHEREAS, the Governor of the State of Texas declared the state a disaster proclamation on March 13, 2020 as a result of the COVID-19 Pandemic; and the Mayor declared a similar disaster for the City; and

WHEREAS, The Property Tax Code further requires the governing body to direct a 'designated officer or employee' to calculate the rate in this alternative manner, which responsibility in the City falls to the Chief Financial Officer (CFO) in conjunction with Dallas County Tax Assessor; and

WHEREAS, Chapter 26.07(b) of the Property Tax Code, and Chapter 26.013(b)(1) further define implications to the property tax rate process in years subsequent to a disaster and for any "unused increment rate"; and

WHEREAS, The City Council desires to evaluate all possible legally allowable property tax rate alternatives during their budget hearings as they deliberate the needs of the community and the resources expected to be available to pay for those needs; and

WHEREAS, The City Council desires to retain flexibility in setting the final property tax rate for fiscal year FY 2020/2021 and each subsequent period that may be affected by this calculation; and

WHEREAS, the City Council retains the authority to set the final property tax rate at an amount it determines to be in the best interests of the community, as established through all appropriate, legal and required processes.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GRAND PRAIRIE, TEXAS THAT:

SECTION 1: The CFO is the "designated officer or employee" for purposes of Texas Tax Code Chapter 26, and is directed to calculate, or have calculated, the possible property tax rate according to the methodology authorized in the event of a disaster.

SECTION 2: The CFO is further directed to continue to calculate, or have calculated future possible property tax rates for subsequent years according to all methodologies allowed by state law in effect at the time.

SECTION 3: As designated officer, the CFO will also update, or cause to be updated, the appraisal district web pages and any other duties of the designated officer as required in the Tax Code.

SECTION 4: This resolution shall be in full force and effect from and after its passage and approval.
